

# THE RED RAG—

OFFICIAL PUBLICATION OF THE GLEBE DISTRICT HOCKEY CLUB.

Vol.3. No.3

6th. Aug. 1960.

## EDITORIAL.

This Month is an important one to us, as we are nearing the end of the season and the semi finals and finals are coming up. We should use the remaining matches to develop teamwork and positional play. 1st. and 3rd. Grade will have to keep winning right up till the end as not being Minor Premiers they will not get "two bites at the cherry". Second Grade are more fortunate as they are undefeated.

New for other news. Our Sports Editor Ray Thorpe gives a summary of last weeks matches against St. George it is worth reading.

How did the last Umpire's question treat you? We thought that it was one of the best. There's another one for you this week.

To-day we are publishing for the first time this year the points score in the competition table. We hope to print it each issue up till the semi's.

Before I sign off for this issue, I would like to say a few things in this editorial that have stuck in my gullet for some time. Looking over the newspaper files the other night brought to my mind the very big drop in the standard of our publication. The first year I would say was excellent, but from then on it dropped badly. What happened? Are we to blame? The editors can only write a certain amount and have their own style. When you continually read our articles issue after issue they may appear berish. This is why we have in almost every publication, appealed to YOU to submit something, but what response have we had. NOTHING.

There are a few members in this club who do not do a single thing except play hockey. If you want a good club you've got to work and work hard for it. I might be wingeing, but I merely want to improve our standard.

To-day we play North Sydney. dont lets repeat our last preformance over them. Make sure you WIN.

MARK YOUR MAN,

AND PLAY THE WHISTLE.

GLEBE V's RANDWICK.

This was our bye game and the result was of no consequence. It was very gratifying to see so many members turn out for the practise.

GLEBE V's St. GEORGE.

This was a long awaited tussle. Each team considers St. George the stumbling block to premiership honours and a good showing would give a pointer to our chances.

FIRST GRADE.

Up till half time the First Grade appeared as if it would win. An unfortunate goal against just before half-time put us one down at the commencement of the second half. However, we didn't maintain the same standard and St. George ran out winners 3-0. Even so, I still think our forwards had more chances of scoring than St. George. The best players for the match were Ron Payne who has really found his form, Greg Harris and L. Needham.

-----

SECOND GRADE.

A win by 7 goals to one against the team running second speaks for itself. I thought this game would have been much closer. The half time score of 1-1 made it look as if the second half would be a thriller. However, in one five minute burst Glebe added 3 goals and in the end they were doing as they wished. Once again we must congratulate Bill Stubbs on his play. He is looking for goals and right now I have never seen him play better. Since returning to this team - 6 games ago - he has scored 13 goals.

-----

THIRD GRADE.

Were unlucky to be held to a scoreless draw. This team is coming good at the right time. This draw and the win over Ryde have almost put them in the semis. To-days game against North Sydney is all important.

A tower of strength last week was Vince Halls - a recruit from the "All stars", Vince played a game and a half. 'Tis no doubt the season with the "All stars" has done him good. I can remember when Vince was just a First Grader.

-----

We have no news from Minor A or our Under 15 teams.

NORTHS BALL.

Northern Districts should be complimented on the organization behind their ball last week.

It was called the "Olympic Ball of the year" and was really terrific. Each table being called after a sport. The prize winners in the spotlight dance received their prizes in Olympic fashion "on a dias". The supper was also very good.

THE SPY.

We hear that the ladies are forming a "Stork Club". Do you want to join???????

DASHIT!!!! I'M DUNN. GIMME A PILL.

Our new star inside right Bennett Dunn has started taking Vitamin Pills (what for?) and for all the work he does on the field he needs them. Does anyone know if their are goal scoring pills.

-----

This year we have a new and ardent worker amongst us. No other then Mr. Stubbs who is our hard working barman on Saturdays at Jubilee. He and son Bill also run and look after the florin club. Well done Sir.

FOXALL CUP.

This resulted in a loss for Sydney 3-2. R. Payne still in good form gave an excellent exhibition.

COLTS.

The Colts game was a thriller, finishing a 5 all draw. Although it was a wet day - inside and out - those who represented really enjoyed it.
