

1966 - 4

THE RED RAG

CONGRATULATIONS TO
THE FOLLOWING MEMBERS AS SYDNEY REPS. 1966

Les. Wark (Sydney Under 12's)

Leslie Brown & Martin Howe (Sydney Colts)

Pat. Nilan (Capt), Len Neadham, Graham Gilmour, Denis Liske,
Dave Stevens and Ron Barker (Sydney Seniors)

GOOD LUCK

PRICE: DONATION

In opening this edition of the '66 Rag we once again have to comment on a very serious note.

The editors feel that not many of our readers do take the opportunity to read this paper from cover to cover. Is it that you only read the spicy parts or is it that you don't give a DAM what they put to pen in regards ways and means of lifting the behaviour standards of club members.

PAGE I of the 2nd. EDITION - BEHAVIOUR OF CLUB MEMBERS IN REGARDS TO BARRACKING.

Two editions later - we have to bring this same matter once again to your attention. With this we have another item on which we have to speak.

If you were unlucky enough to see the Match of the Day between our Firsts and Ryde's 1st's, you would have seen what was one of the worst displays of sportsmanship ever seen in Sydney. This game turned many spectators stomachs.

In regards to this game we do know that our fellows did not start this mess. We all have our feelings in regards to the Ryde's teams tactics on the day and in one words it seemed as though 'filth' was the order on the day.

Gentlemen we cannot do anything towards making Ryde's display seem good. Anyway this paper is not put out for the good of other Clubs - it's put out for the Glebe members so as they may find out what is going on in the Club.

To our First Grade side on the day we have the following words to say.

For the First three minutes of the game it seemed as though it would develop into a good game, but no, disaster fell when Kenny was knocked over From this time onwards Ken was the fall guy.

After this incident up until half time 6 of our 11 never shut up.

THE BACK CHATTING AND TALKING IN REFERENCE TO UMPIRES WAS DISGRACEFUL FROM THE PREMIER TEAM AND CLUB IN SYDNEY.

In the second half (after a good talking to at half time) no one spoke and this was the half in which the game really got out of the umpires hands. Why couldn't you shut up in the first half.

We are not going to discuss Ryde's tactics in regards this match - we are discussing Glebe's behaviour.

EVERY HOCKEY PLAYER SHOULD KNOW THAT AN UMPIRE IS THERE TO BE USED NOT ABUSED.

One of our 1st Graders we find has a very polite sarcastic manner in which he speaks to umpires. When he reads this I hope he will take heed and from now on play hockey and shut up when he is on the field and play the game.

Only one player talks on the field and that is the Captain - leave it at that. In this match even he said too much but he can be excused for he was concerned as his players were being chopped to pieces.

We all know Pat's ability as a player and Captain but none of this is of any use if the players under him take matters into their own hands, even after being told of errors by their Captain. Why. You 1st Graders elected your Captain - why don't you listen to him then and keep your mouth shut for the period of the game.

Moving onto our sideline barracking - you too could keep your mouth closed if you are going to be sarcastic towards either players or umpires. If you could have heard yourselves on this day in question, you undoubtedly would have been ashamed of yourself after hearing the manner in which you conducted yourselves.

over.

The way in which some of our player supporters barracked, you would have thought you were at the Clay - Riston Championship fight.

All this kind of barracking does is ruin a match.

Directing sarcastic remarks at players only shows a weakness in this persons ability as a player himself. Take a g o o d look at yourself and judge for yourself.

THIS IS THE 2nd TIME THIS SEASON THAT SIDE LINE BARRACKING OF THE GLEBE CLUB HAS BEEN BROUGHT TO THE ATTENTION OF THE S.H.A. IT HAS TO STOP.

We have got to put a stop to this disgraceful behaviour even if it means the Management suspending the defaulter for a lengthy period.

Gentlemen, these barrackers are giving the Glebe Club a rotten name in Sydney Hockey - let's do something about it , not just talk about it. Lets stop these displays.

Let's stop this back chatting on the field and the sarcasum from barrackers towards umpires before it gets out of hand well and truly.

SHUT UP AND PLAY THE GAME. FOR THE SAKE OF OUR CLUB.

.....

Short Note.

Letter to the Editor.

Club Members,

At last Saturdays Match of the Day between our Club's 1st Grade side and Ryde, I was appalled at the behaviour of some of our club members on and off the field.

A few of our Junior members were out there to see the top team play and from what they saw on and off the hockey field I feel they would still be wondering today.

As was pointed out in a previous edition of the Reg, our Juniors of today are our Seniors of tomorrow. I do hope that our future Seniors do not act in the manner of which present seniors did at this game.

The barracking pointed at umpires was disgraceful. We all feel the umpiring of this match was not the best but we must realize that these men do the best they can.

Let us hope that there is never a repeat performance of this day for the good of hockey not only in Glebe but also in Sydney.

' Disgusted'

.....

PLEASE NOTE

PAY YOUR FEES.

Any body who does not have his fees paid up fully by the 31st May will not be considered for selection.

It all boils down to one thing PAY UP!

1ST. GRADE REPORTS.

v's Manly 23-4-66.

Played in appalling conditions and on a shocking field our boys did particularly well to register 7 goals in this match.

The halves kepted the ball well up to the forwards ~~and~~ throughout this game giving the Manly defence a ton of work. Although the forwards did score 7 goals they did however miss too many. We really cannot blame them for this as the conditions were shocking.

Best and Fairest.

3 Points	P. Nilan
2 Points	L. Needham
1 Point	R. Brown

v's Randwick 25-4-66

The game commenced at a fast pace on a ground what was heavily laden with sand in both goal areas. Glebe were attacking the worst end in the first half.

From the opening whistle, Glebe attacked the Randwick goal and after 5 minutes reliable Dave Stephens found the net from a scrumage. For the rest of this half Glebe continually attacked with their backs keeping the ball up to the forwards and subduing the Randwick forwards. Half time whistle Glebe 1-0.

As soon as play resumed Glebe attacked but just could not find the goal mouth. After about 10 minutes H. Wark Jnr. made a good run into the circle, beating two or three defenders, to pass to P. Nilan who shot for goal, only to see his efforts deflected by the Wicks goalie but young "H" was there to flick the ball into the net. Glebe 2-0.

For the next 15 minutes Glebe attacked and on the occasions when Randwick forwards ~~received~~ received the ball, the Glebe defence curtailed any forward movements. The defence was playing exceptionally well, and it was a pleasure to see the wing halves (particularly D. Liske) marking the opposing wingers, even Dennis Liske's passing was more controlled.

Ten minutes from full time "Shock" Needham sent a good ~~shot~~ pass to young H.W. Jnr. who again beat the Wicks defence to find the back board. Glebe 3-0.

Shortly after Glebe secured a short corner which "Peanuts" Gilmour converted. Glebe 4-0

So the game drew to the finish the Glebe side relaxed and the ever-pressing "Wicks" seized the opportunity to score a scrambling goal.

I do not think Frank V.P. could see the ball in the white sand (it was bad) Score Glebe 4-1.

Glebe then attacked until the full time whistle. Final Score 4-1

BEST & FAIREST.

1. H. Wark Jnr.	3 points.	Played well, good passes to Charlie Brown. Scored 2 good goals, ran well with the ball.
2. D. Liske	2 "	Marked his man, did not run very much with the ball through good passes to the forwards.
3. K. Wark	1 "	Played well in defence as usual, kept quite, passing to the forwards very good.

1st. Grade Report (cont.)

v's Ryde 30-4-66

As a Match of the Day this was not the best match to see. Due to Ryde's bustling tactics our boys did not settle into a good pattern of hockey.

From the beginning the Reds attacked only to find themselves being pushed off the ball or being knocked off their feet. Due to too much talk in the first half the Reds didn't find the net until about 10 minutes before the half time whistle.

Throughout the match our halves and forwards kept the ball moving towards Ryde's goal but good goalkeeping by Ryde's goalie Bob Warwick and good cover defence by Dick Shaw and Carl Purcell kept the Reds from scoring many more.

In the second half which was packed with many incidents the Ryde team looked as though they weren't interested in playing the game. Our boys kept quiet and settled down to play hockey which resulted in another goal being scored halfway through the half.

This is only a very short report on this game as I feel the less said the better.

BEST & FAIREST.

- 3 points . D. Stevens - played hard and tried all the time. result a good goal.
- 2 points. L. Needham - played his position well - kept quiet & surprised everybody.
- 1 point. P. Nilan - although marked heavily - kept the ball moving to his wing giving the forwards a chance.

.....

1st RD. GRADE REPORT

v's Manly 23-4-66.

Was not a good game to watch. It rained all the match and it was just a matter of who could keep on his feet.

The half line as usual played sound although they found their forwards couldn't do anything with the ball when they were given it. Paul Rogers at right half played a very good game keeping his winger moving down the line.

The full backs didn't have much to do in this match although when called upon they carried out their duty well.

Final Score

BEST & FAIREST.

- 3 points P. Rogers - kept the ball up to the wing. good in defence
- 2 points A. Morley - tried all day - made some good moves.
- 1 point. R. Fox - as always played consistently.

.....

v's Randwick 25-4-66.

This game showed that our boys are not in this competition by themselves. The young Randwick side looked the better side on the day as the Reds showed no thrust and were being beaten to the ball all the time.

Although the ground was like Cronulla sand hills and our fellows come from inland part of Sydney, the Wicks played well and could have won this game. Only for good defence by Sam Singh and Peter Howe with reliable Gavin 'Rats' Howe in the goal the score could have been for a Randwick win instead for a 1-1 draw.

3rd. Grade Report (cont.)

To win this competition the forward line will have to pull their socks up and get around to scoring goals.

BEST & FAIREST.

- 3 Points . Sam Singh - very safe in the full back position.
 2 points . Bob Fox - cover defence good . kept the ball up to the forwards.
 1 point . P. Howe - with Sam played well in the full back position.

v's Ryde 30-4-66.

After the previous match this was a 100 o/o improvement. The side looked like a hockey team with the halves keeping the ball up to the forwards who penetrated the Ryde defence on 5 occasions. This was the best game of the season for the forwards with the wingers moving the ball downfield and giving good passes to their inside forwards.

The defence lapsed on 3 occasions when the young Ryde forward line found gaps in the Glebe defence to net.

Graham Shirley played his best match since returning from New Zealand in this game. He was unlucky on a couple of occasions when having shots he was pulled up by the whistle to find one of his other forwards off side. Had the Reds forwards kept onside the score would have been greater than 5 - 3.

BEST & FAIREST.

- 3 points G. SHIRLEY good distribution and good attacking moves.
 2 points R. FOX distribution good and good cover defence
 1 point A. Morley good in attack.

.....

ST. GEORGE CARNIVAL

Well there's not a great deal worthy of mention about this Carnival. The team comprised of 4 North Sydney players, 6 Glebe-ites and anybody with pads was a chance for the goalkeeper's spot. The team failed to qualify for the quarter finals and in doing so made history, being the first Glebe No.1 team not to qualify in a St. George Carnival. The most interesting features of the day was to see one of the Club's social member taking the field. The man I refer to is John Marshall who acquitted himself quite well on the left flank - look out Mouse. Ex- Club member, John Collett, now residing in Melbourne made the Banksia scene for the day and took the field with the Reds.

The Final was played out between Moorebank and St. George with the honours going to the 'Pools.

.....

HOCKEY. When the Glebe boys flew to Brisbane last Easter it was announced that "Pretty Boy Hall" would play on the left wing.

However airline officials said that this would not be permitted as it would unbalance the plane.

.....

The sultan arrived home unexpectedly, and his favourite wife let out a terrified sheik.

4 TH. GRADE REPORT.

Best and Fairest.

- 3 points C. Brown
- 2 points F. Whiteman
- 1 point B. Howe.

v's Ryde

30-4-66

With all selected players turning up the game started with Glebe players not trapping the ball. Ryde scoring an early goal after taking a free hit outside the circle. In this half Glebe forwards missed many scoring opportunities from Right Winger Graham Gale who made many fine centres across the circle.

Half Time score Ryde 1 - Glebe 0

After a good talking to from Bob Gilmour Glebe went into the second half with more confidence. Although trapping the ball well and playing as a team, the forward line could not find the net. After a good movement Ryde scored from a short corner this took the Black & White's to a 2-0 lead.

Glebe threw themselves into the attack, and Mick Letts scored a sizzler off a short corner. Although Glebe were awarded several more short corners they could not find the equalizer.

Final Score Ryde 2. - Glebe 1.

BEST & FAIREST

- Paul Cunneen - 3 Points. - Sound in defence, and gave his forwards many opportunities.
- Gary Hume - 2 " - Broke up many attacking movements, and fearless in defence.
- Bob Howe - 1 " - Showed much enthusiasm.

...6.....

HIGH JUMPING - 4th Grades high jumping champion "The Mouse" failed when he attempted to clear the bar at 6ft. The Mouse's right leg struck the bar, throwing him heavily on top of the Barmid who was pulling a beer at the time.

Have another drink Mouse.

MISSING - Ray Thorpe.

LOST - Brief case containing photographs of nude women, of sentimental value. Finder please return just as soon as he can get to his feet.

Reward - K. Doyle - History Box - The Rag.

2nd. GRADE REPORT

v's Manly 23-4-66

This match was played in wet weather with alround conditions being deplorable.

In the bumpy ground the Reds controled all the match with the final score being 7 goals to nil. The halves fed the ball to the forwards who had a field day although they still missed many shots at goal.

Although a high scoring win this was not a good win to the seconds due to too many missed opportunities in the circle.

BEST AND FAIREST

3 points R. Nicholls - scored 5 of the teams goals.

2 points R. Hall - made many good runs down the wing and fed the inside forwards well.

1 point R. Croker - fed forwards well and was good in cover defence when needed.

.....

v's Randwick 25-4-66

The seconds had their first goal of the season registered against them in this match although they did finally win 5 goals to 1.

Once again the halves played well and kept the ball well up to the their forwards although the forwards stumbled and triped all day although they did finally score 5 goals.

This game should have resulted in a bigger win to the Reds but it was not to be.

BEST AND FAIREST

3 points - D. Wise . played a great attacking game and was always there in defence.

2 points - B. Stubbs. Played one of his best matches - was very quick in attack.

1 point - F. Hall. once again Ron played well on the wing.

v's Ryde

30-4-66.

In this match the seconds suffered their first defeat in 48 matches due to their forwards having one big shocking day. Although the halves and backs tried ~~all day~~ all day the forwards did not do a thing right once they got near Ryde's circle.

Ryde only broke the Reds defence about twice and on one occasion were awarded a penalty flick which their Captain Terry Reece made no mistake with.

The Reds should have won this match about 4 nil but goals are only scored from inside the circle. The forwards could take most of the blame for this loss although we do hope they do not have a game like this ever again.

Seconds will still win the comp.

BEST AND FAIREST.

3 points - D. Wise . played a great game at centre half but was let down by forwards.

2 points - M. Howe . great game in the backs always safe.

1 point. - L. Newham. the only attacking forward.

.....

Last week in a cafe at Manly we saw 'Walt' Disney fall flat on his face. Walt: 'Phee this rubbish you've dished up isn't fit for a pig.' Waitress: 'Well let me take it back and I'll give you something that is'.

REPORT ON UNDER 14'S - ST. GEORGE CARNIVAL - SUNDAY - 1-5-66

GLEBE V CUMBERLAND

Although Cumberland had beaten us the previous day in a club round the boys were determined to reverse the decision. The team went out in a very determined fashion.

The game opened with Glebe very much on the attack our forwards Greg. Howe and Barry Howe combining well and having the Cumberland defence really on their toes, it was only good defence that saved Cumberland from being a couple of goals down in the first 10 minutes.

Glebe players became a bit lax after this early onslaught and when Cumberland attacked they did not seem to find much opposition and resulted in them scoring.

Cumberland 1 - Glebe 0

Skipper Laurie Brown had some words to say to the boys on the way back to the centre and this proved the shot in the arm the boys needed, for almost from the bully off the ball went to Ron Williams who made ground passed to Greg Howe who with nice slickwork heads 3 players passed to his brother Barry who made no mistake with the equaliser just before half time.

Glebe 1 - Cumberland 1

After half time Cumberland attacked throwing everything they had at our defence, Luckie Lee and Noel Anderson having to do some very heavy work. Cumberland eventually penetrated and scored. Cumberland 2 - Glebe 1

Over
