

1966 - 5

THE

RED

RAG

STOP PRESS NEWS

CONGRATULATIONS TO 'CHARLIE' BROWN AND GAYE ON THEIR ENGAGEMENT
WHICH TOOK PLACE ON SATURDAY 28 ~~TH~~ MAY 1966.

NOT BEFORE TIME - GOOD LUCK.

PRICE: DONATION

In opening this edition of the '66 Rag we would like to dwell on the future of the Glebe District Hockey Club.

Through the hard work of a few namely - R. Brown, P. Nilan, G. Gilmore, R. Fox and also a couple of others including the hard working Molly Wark we find this season that our Club has its best crop of Juniors that it has had for about 5 or 6 years. These members are teaching these youngsters how to play hockey enabling the seniors to exist in a few years.

Those who have seen these youngsters play have seen kids from the age of 7 years stopping the ball and passing it to a player.

To those few who are looking after the Juniors a very big thank you and congratulations go out to them for giving our club players of the future.

It is a pity many of the seniors don't go a watch these youngsters play as I feel they would learn alot in regards to this game called hockey.

In looking to the future of the Glebe Club it looks bright financial wise. Our Management Committee this season are working for outlets where they can make finance so as the Club can give the best to its players. The club have found a few outlets i. catering for Representative fixtures at Fraser Park ii. seeking permission to cater for the Australian Championships which we look like getting. iii. starting the lottery doubles again iv. hoping to run guessing competition as many as possible and also other little things where a few pence is picked here an there.

Lets hope future Management Committes keep up this work so as one day we may have the bast of everything.

There are a few points where the Management have not completely satisfied the members namely Social Functions. We have only had one social function this season. We should have one every 3 or 4 weeks. I do feel our head men will have more outings for the members if they can get the co operation of ht emembers to give a 100 o/o attendance.

One very important item our Management Committee must not forget. That is Club Umpires. As the Committee should know that a motion was passed at S.H.A. last season that each Club shall have 2 umpires per team. This does not mean that each team shall have 2 umpires playing in it. It purely means that for the number of teams in the club (seniors, you must have double the number of umpires. In the case of ulece we have 4 teams meaning we must have by 1967 season 8 Umpires.

At the moment we have only 4 umpires - R. Nicholls, D. Wise, J. Thomson and Pat. Nilan. We need 4 more to comply with the rules of S.H.A. by next season. This is one matter that the Management Committee should attend too as soon as possible.

RESULTS OF THE RAFFLE DRWN ON 7-5-66 ARE AS FOLLOWS:

1ST PRIZE.....Weekend on a Halverson Crusier.Mr. Jim Ross
2ND PRIZE.....Transistor RadioMiss K. Pincham
3RD PRIZEBride Boll.....Miss A. Nilan.

4 TH. GRADE REPORT

v. Northern Districts.

Due to a misunderstanding this match did not eventuate as our fellows were told to go to the wrong ground.

This match will be replayed later on .

v's N.S.W.Uni.

Score 1-1

Glebe were forced to take the field without umpires and had to rely on umpires supplied by their opponents.

During the first half there was very little attack by Glebe with the first half score being nil all.

Early in the second half the Glebe forward line began to start moving but whenever they came near the opposing fullbacks they gave him the ball 'on a platter' Uni opened the score when one of their forwards stopped the ball with his feet and finally netted it.

Glebe came apart and certain members would not 'shut up' but the rest (being approx. 7 players) continued to play hockey and finally forced a short corner which John Nelmes converted.

From this match certain players have been placed on report.

- i. Gary Hulme - sent off twice, argued with the umpire.
- ii. Colin Brown - would not 'shut up' , answered the umpire back alday.

BEST AND FAIREST POINTS.

G. Nelmes - 3 points- showing a lot of improvement, scored nice goal.

D. Callaghan - 2 points - tried allday , many good runs with the ball.

F. Dwan - 1 point - played very well in goals.

NOTE from the Captain

Glebe 4th. Grade will never be able to play a decent game while we are forced to

i. Rely on our own devices when we are on the field. We are very lucky sometimes to get a player from a higher grade to play with us or to see us play. It is only these people who have helped us to play correctly.

ii. To rely on umpires supplied by other clubs. In the lower grades we find umpires are usually players and are 'one eyed'. This has happened in 4 of our 66 games. Glebe has not supplied us with an umpire who will be fair in his decisions. Until this happens Glebe 4th. Grade will get absolutely nowhere.

.....

Heard Dennis and Lorna announced their engagement the other Saturday night at the 'Sailo'.

You should have seen them blush when it was announced over the Mike of this memorable event.

.....

Heard the 'Mouse' once again stole the show at the Grayhound Owners and Trainers night the other week.

The poor M.C. was history.

.....

3RD GRADE REPORT

v's Nthn. Districts.

Due to the late arrival of 5 of the team Northern Districts nearly claimed a forfeit against our fellows.

Finally the Reds ran on with 7 men until the rest of the team arrived. Throughout this match the 3rd's showed too much class for the Norths side, and for the majority of the game our boys had all the play.

Our three halves Fred, 'Rocker' and Paul kept the forwards moving giving them plenty of the ball enabling them to attack continuously their opponents goal. This was another fine win to the thirds.

BEST AND FAIREST

3 points - R. Fox .good distribution of the ball in attack. had another good game.

2 points - R. Hall. another great game on the right wing from Ron.

1 point - P. Howe. had a good game in the backs was always there in defence when needed.

.....

v's N.S.W. University .

Here our thirds gained another win to keep their undefeated record intact. Although Uni. were using a few of their 1st. Graders this was not to worry our fellows whose time and time again cut Uni's defence to pieces.

'Mouse' playing his first game in thirds played a great match on the left wing and on numerous occasions he gained ground for his side and finishing his moves off with some very nice passes inside to his centre forward.

Although the Reds won this match it was not all there way when on many occasions the Uni. forwards broke through only to find the Glabe defence too strong. Our goalie Gavin 'Rats' Howe played his best match in this game with some some very nicely timed clearances and good saves.

BEST AND FAIREST

3 points - G. Howe. played a great game in the goals and made many great saves that could have been goals against.

2 points. - B. Howe. showed fire in the circle and was unlucky not too score more goals.

1 point. - J. Cameron. in his 1st. game in 3rds the 'mouse' showed that he is good enough for this grade. Made some fine attacking moves.

.....

What was our Seco. Frank up to in Brisbane - the rumours are around that he is going overseas next season. What again?

.....

DID YOU KNOW

'MARRIAGE' is a union between a women who knows what she wants and a man who has got it.

'COURTSHIP' means a man chasing a women until she catches him.
example - Charlie Brown.

Continental people have sex life; the English have hot ~~wat~~ water bottles.

2ND GRADE REPORT

V8e Northern Districts

Right from the opening bully Glebe attacked and Billy Stubbs scored a good goal. Northern Districts then attacked but the Glebe halves and Backs had full control of the game. The Glebe forwards were not controlling the ball especially Leo Newham on the left wing who was trying to pass the ball as it came to him without first stopping it. From a free hit by Norths Des Wise cut the ball off and passed into the centre to Bill Stubbs who natched his second goal. Glebe were completely in control and it was not long after that Bill scored his third goal giving the Reds a half time lead of 3 goals to 0.

In the second half Norths form improved immensely and Glebe could only find the net once when midway through Bill once again scored from a good centre from Right winger Graham Kirkland.

REXXX

BEST AND FAIREST

3 points - B.Stubbs . A good game at inside left and scored 4 good goals.

2 points - D. Wise . The master in the centre

1 point - R.Crocker. Showed much improved form and good distribution.

.....

v's N.S.W.University.

This match resulted in another good win to the seconds although the defence on one occasion did lapse and allow the Uni. side to score a shock goal.

Throughout this game our forwards did show more flare although at times they didn't finish off moves that should have been goals. Improvement is needed from our forwards as too many shots are going to waste.

As always the defence played soundly keeping the Uni. forwards under control. There is not a great deal to be said in regards this match only that an improvement is needed on the part of the forwards.

3 points - T. Vanderputt. good distribution from the right half and kept our new forward 'Charlie' Brown moving.

XX

2 points - M. Howe . at fullback played very safe and cleared the ball well.

1 point - H. Wark Snr. made some good attacking moves but must get rid of the ball quicker.

.....

FAMOUS SMOKER DIES

The Jenson and Hedges man collapsed and died aboard a luxury trans-Atlantic flight yesterday.

Initially the cause of death was thought to be lung cancer, but it was later established that he died of gold poisoning.

.....

From our Court Reporter

Miss Myrtle Hambone appeared in Glebe Court today on a charge of indecent exposure, having been arrested outside the Club Room while wearing a topless bathing suit. Miss Hambone's vital statistics 23-23-37 pleaded not-guilty.

The judge threw the case out of court.

"Obvious lack of evidence", he said.

1ST GRADE REPORT

v's Northern Districts

Glebe attacked right from the starting whistle but the forwards were astray with their shots at goal and it took a good individual effort by Pat Nilan with a beautiful timed back sticked flick to put the first goal on the board. Shortly after young Harry Wark Jnr. found the net when he received a well timed pass from winger Bob Brown putting Glebe 2 goals in front. With the forwards settling down the Glebe side were attacking continuously when shortly before half time Harry once again scored from a scrimmage.

About 10 minutes into the second half Pat once again put his side further ahead when he made a good solo run passing about 4 defenders and netted. Glebe's defence was sound up until about 15 minutes from the end when they lapsed momentarily letting Northern Districts through to score. The Reds ran straight back into attack and Dave Stevens made a good break, passed to Nilan who backsticked into the net giving his side a final score of 5 goals to 1.

Once again our defence relaxed and Northern Districts came through and forced a short corner which they made no mistake with. About 30 seconds from the end Gilly finally scored from a short corner making the final result 6 goals to 2.

One particular feature about this match was the failure to score from short corners and long corners. This is not the fault of the hitter all the time but alot of it falls onto the other forwards who do not get in on the goals waiting for a rebound. This is one factor our firsts have to sharpen up.

BEST AND FAIREST

- 3 Points . P.Nilan. Good exhibition of forward play. Best game by him this season.
- 2 Points . Lon Needham . Played very soundly at left half. Marked his man well, fed his forwards well.
- 1 point. . H.Wark Jnr. . Another sound display, scored two good goals.

.....

v's N.S.W.University.

The rumour was around that this was going to be our hardest match as the Uni. team defeated St. George 2 goals to 1. Maybe it was a tale.

This was a great exhibition of hockey displayed by the Firsts and everybudy played very well. The halves kept the ball well up to the forwards who all ran well towards to goal. Our three inside forwards Pat, Dave and Harry combined very well in this match and as the score shows (5 goals to 1) the Reds were by far the superior side.

Glebe played all over the Varsity team although the defence once again was split enabling our opponents to score.

BEST AND FAIREST.

- D. Stevens . 3 points . played a very good game as centre forward and ran off his inside forwards very well.
- D.Liske 2 points . very safe at right half . fed his forwards well.
- P.Nilan: 1 point. is playing the hockey we know he can play.

.....

Everybody loves a lover - especially Drive In managers.

...

WOMEN AT WORK :- The moment they begin to be equals they become your superior.

BEST AND FAIREST

POINTS TABLE

up to and including the match against N.S.W. University.

1ST. GRADE		3RD. GRADE		2ND. GRADE		4TH. GRADE

						F. Dwan	1

NOTE: 2nd. Graders - a chance to catch the 'wise man' who is in Vietnam for 6 weeks.

As we are all aware, all hockey was cancelled in Sydney on Saturday 21st. May due to very wet grounds.

This fixture will be played on Saturday 16 th. July and the fixtures originally set down for 16 th. July will now be played on Saturday 6 th. August.

.....

Due to many Special Requests we have been asked to forward another

FORM GUIDE

SHOCKS FREE FOR ALL

- Power Point - should be handy to the lead and could certainly turn it on.
- Smokers Cough - Hasn't got Buckleys.
- Indian Squaw - May be worth another couple of bucks.
- Drop - Connections are very sure about his chances and he might rise to the occasion.
- Flat Chest - Just doesn't measure up.
- Derek - scratched due to censors
- Good Colt - " " "
- Gallstone - Hard to pass.
- Shaky Spinner - Scratched due to censors.
- Dirty Doris - Scratched due to censors.

.....

Snow White and the Seven Dwarfs - The story of a ravishing blonde virgin who was held captive by seven deformed men, all with different lusts.
