GLEBE HOCKEY CLUB'S OFFICIAL NEWSPAPER

21st. May 1977.

## EDITORIAL:

### GREAT DAY FOR THE YOUNG BRIGADE)

On Saturday 14th May, 1977 we saw the efforts of our junior administrators and coaches pay a big dividend at Gardiners Park Banksia.

It was very pleasing to see our first grade team again playing with a large content of our own young players.

With four of our regular first grade members on duty with the N.S.W. team the young look first team gave a great display to beat our arch rivals St. George on their home rain soaked field.

The performance of the young players on the day was a credit to themselves and to the junior movement of Glebe.

Whilst the Club is always more than happy to acquire any new players, we must not lose sight of the fact that senior players come from juniors.

The selectors are to be commended for their policy of trying out the young brigade over the Bisley Shield competition.

### (A WORD TO PLAYERS ON UMPIRES)

I have noticed some players talking back to umpires again. Umpires are there for your benefit, they are there to use not abuse, for without them we would be unable to play. If you get a bad decision keep smiling and play the whistle.

### FEDERAL PARK HAS COME OF AGE.

The Club recently obtained a 10 year lease on Federal Park exclusively for hockey and in my opinion just in time, as other sporting bodies must be looking at it enviously.

A couple of seasons ago the field with the same amount of rain as last Saturday would have been a quagmire, and I have seen hockey played there in atrocious conditions, but last week it held together well for all grades.

The credit must go to our Curator Ken Wark for his patient work over

MAY - 1977 - P2

the years in developing a field unwanted by any sporting association at that time.

In comparison Federal would be far superior to Banksia which is a first division field.

Traditionally Jubilee is our major field and the Club has played on it since 1932. We are the only original Club still playing there and habits are hard to change, as Jube still has the atmosphere. However, I wonder how long second division will continue to enjoy one of the best hockey fields in Sydney, and S.H.A. consider it a venue for Rep. games.

### BISLEY CUP

Well the Bisley Cup series is over except for the finals and Glebe sit patiently in the wings waiting for an opponent.

With the rain washing out Uni. N.S.W. V's Liverpool game last Saturday, and Randwick only managing a draw against Ryde, the Club is kept guessing as to who will meet them. The final will be played on May 29th.

### GLEBE V's SYDNEY "B"'s TOMORROW 22nd MAY.

Glebe players going to N.Z. are wanted at Federal Park to play the Sydney "B" side, starting at 11.30 a.m. Two teams needed. B.B.Q. and drinks available.

### SPORTING ROUNDUP.

By Royce Jenkins

#### 1st Grade V's St. George

Glebe minus the 4 State players performed extremely well. The new recruits T. Cowan, V. Howe plus "old hands" R. Wark and P. Howe played very well indeed. Glebe never were in doubt of losing with R. McDonald scoring a perfect left wingers goal midway during the first half. P. Nilan added to this following a scrummage in the circle. Saints fought back in the second half to score however, their efforts were short lived when John McDonald capped off a fine all round game to score a superb goal. There were many good players in the Glebe team but none better than John McDonald who played his best game for the Club to register 3½ points. Graham Bell played his usual steady game and gained 1½ points.

#### 2nd Grade V's St. George

Glebe lacked drive and determination during the first half and shortly after half time found themselves wanting at 3 nil down. However, the old Glebe spirit prevailed and a great fightback resulted in Glebe completely dominating the second half to clinch a 3 all draw. Glebe were unlucky not to snatch a win with several shots at goal missing by a narrow margin. Goal scorers for Glebe were J. Jenkins, B. Ineson and R. Jenkins with Jamie Howe registering 3½ points and Charlie Brown 1 points.

3rd Grade V's St. George

Glebe were far superior to St. George and recorded an easy 4-0 victory in torrential rain. The eleven players displayed a very good all round team effort. The outstanding players on the day were Dennis "Tubby" Brown (3½ points once again) John Jenkins (1½ points) and they were well backed up by the rest of the team with young Vic Ferrari improving with every game. Goal scorers:- D. Brown, 2, L. Needham, 1, B. Ineson 1.

SECOND DIVISION

"A's V's A.M.P.

It wasn't rain running down the Red's foreheads last Saturday, it was sweat, as they battled hard to beat A.M.P. 2-1. The AMPS went to an early lead in the game and Glebe far from impressive equalised just before full time.

The game looked set for a draw when A.M.P. missed a penalty stroke 15 minutes from the end (after goalie George Manou kicked it over the side line). Lady luck smiled on Glebe when after several near misses the ball managed to find the net.

3½ points to Dave Smith. 1½ points to George Manou.

"B" Grade

Never under pressure at any stage of the game and gave A.M.P. a hockey lesson beating them 4-0 after a record number of penalty corners that were not converted. I believe Noel Anderson wore the pencil out marking them down. Overall the team performed well. Points to P. Rogers and S. Casey.

"C" Grade

Bill's Boys had to pull all stops out to win as they were 2-0 down in the first half, but ran out easy winners 5-2. Points to G. Shirley and B. Bissaker.

"A" 3rd Division

A 2-1 loss to North Sydney was a surprise result as Glebe had a strong side. From reports filtering back the umpiring has to be seen to be (mis) believed. 3½ points to W. Jardine and 1½ to Ian Harvey.
