PRESIDENT'S REPORT

Welcome ladies and gentlemen.

1991 some might say was not a Glebe year. Well, I believe it was a Big Glebe Year for a number of reasons. Firstly, the addition of an extra 30 plus hockey players - the girls. Some were a bit hesitant but after some very sensible deliberation within the club commonsense prevailed and I believe the future of this club is going to be a big one with this "Marriage"!!??** Secondly, and this being this club's number one priority, the Juniors. Without putting down previous years efforts, I believe that this year was a big one for Glebe juniors. To see the efforts and professionalism of the 'Mighty few', notably the junior committee and their band of willing helpers. The way they carried out their tasks with enthusiasm every Wednesday and Thursday evening and Saturday mornings was fantastic. Anybody who was not at the Junior Presentation Day missed a very BIG and WET day. Thankyou !

Thirdly, The playing side of the club (seniors) although not winning any premierships this year, the club was still able to have all seven sides make it to the finals. Anybody who saw the way 1sts disposed of Ryde and then gave Moorbank a coronary with that old Glebe fighting spirit - really brought back that feeling, especially the way the supporters got behind them.

Fourthly, the club this year bit the bullet, spent some money and put into motion our application for an Astro Turf field, which the committee believes is a must for this club. It is a big step, a lot of money. But, IT'S TIME that as a club we band together and strive for a club goal of securing this surface. Accolades of winning premierships will come nearly automatically when you see the talent coming from juniors (boys and girls) who will be able to play and train on such a surface.

So ladies and gentlemen lets get behind the incoming management committee and Astro committee.

This year the club once again was honoured by having one international, K. Wark, 5 State Reps. S. Cain (U/21), A. Nilan (U/17) B. Goodrich (U/17), C. Grieves (U/17 withdrew due to injury) L. Wark (Assistant Coach - seniors) Well Done.!!

In Memorium

The club this year sadly lost two of its staunchest supporters - workers - Ralph Rochester and Keith Paterson. Both these Gentlemen contributed so much to this club that words cannot describe their loss, but I will try.

1991- p 5

In the 1982 Twilight Competition I had the honour to be playing in Dennis "Tubby" Brown's Old Boys coached by Dann (The Painter) Winters and Ralph ('One for the Road') Rochester - could not get any better coaches, especially Ralph, what a sense of humour.

Keith Paterson , a man who worked tirelessly for this club and instilled a sense of professionalism at management level, or should I say polished the rough edges (also a great coach).

To their respective families go our deepest sorrow- two true (Maroon) Glebe supporters.

Robert Wark
President 1991

SECRETARY'S REPORT 1991

Running a hockey club in the '90's and beyond is now akin to the pressures and demands (both family and time) applicable to businessman running a small business.

The demands on the committee are becoming more and more sophisticated, with key issues such as:

- . sponsorship
- . artificial surface
- . public relations/promotion
- . junior development
- . social development
- . finance

having to be addressed in a very professional manner, requiring long-term solutions, not short-term, which will be antiquated within one to two years.

Being an amateur organisation, we rely heavily on a few playing members to perform various management roles, with little support or expertise in certain areas of decision-making.

The club needs to give serious consideration to appointing people on the committee, who have the appropriate professional skills and expertise in the vital areas.

In addition, it would be ideal to have either non-playing members or those where playing commitments are not heavy. These people have that vital element - time - which today seems very hard to find.

As an example, the club at last years AGM, approved the formation of an artificial surface sub-committee. This committee consisted primarily of people, who had considerable management skills and expertise in vital areas, needed to secure an artificial surface.

The results are very evident, with the club last Monday conducting preliminary discussions with council and key community groups.

Another example, was the appointment of Gary McCann. Gary has shown commitment above and beyond the call of duty, giving his time freely, to ensure the club succeeded in fundraising activities. His success has been fantastic and next year already promises bigger things.

For far too long, we have left it to the same few individuals to perform key roles, with these individuals toiling long and hard with very little support being offered. Sadly, a club which boasts about its onfield pride and spirit should at times so shamefully neglect its housekeeping responsibilities.

Not only should we review the roles of our management committee, we should seriously review the roles each and every member should play. Ask yourself:

- . have I contributed as much as I could/should?
- . does Glebe mean more to me, than a Saturday afternoon run?

I know the club means more than a Saturday afternoon run. I guess the importance we place on the Glebe District Hockey Club will again be reflected by the attendance at this years AGM. If the last ten years is any sort of indicator then our club's sheen has somewhat been tarnished.

It was once said:

"Think not, of what can my club do for me, but rather, What can I do for my club?"

This attitude was proudly exhibited by two valuable club members, who sadly passed away this year. To Ralph Rochester and Keith Paterson - thank you - and to the families of Ralph and Keith we share your loss.

Finally to all club members and their families

Merry Christmas and a Happy New Year.

CLUB CAPTAINS 1991

The 1990 AGM day was not a good day for the club. Bitter talk of a club with a weakness in its roots. And its roots of course are its players. Hopefully there will be more hockey players there this year.

The 1991 season started off badly because we didn't fare too well in the summer competition. Failure to have a proper and regular coach didn't help and this must be overcome for next year's summer comp.

On a brighter note a few weeks later the boys travelled to Brisbane to play Valleys over the Easter long weekend. By all reports the weekend was a major success both on and off the field. **Well done fellas.**

Into the season now and going along very well. All six grades making the semis and that's great. That's what all hockey teams set out to achieve at the start of the season, and it makes us feel very proud socially.

On grand final day we had three teams competing, U/17, 5th, 4th's. **Congratulations to all players in these grades. You showed the way during the season with your teamwork and guts. Tops.**

Let me just say I saw many 4th and 5th grade games this year down at Jube and they were bloody magic Saturdays. Thoroughly entertaining matches (even when I was umpiring) and true Glebe spirit/atmosphere was what I felt. A few of the higher graded players need to get their arses down there and watch and learn. Oh Yeah!! Many of these men have been there and done it all before.

Let me just say, many of the 4th and 5ths players can play in higher grades. Especially the 5ths where there is a lot of youth and skill. I'd love to see some of these players graded higher. A shot of enthusiasm is not hard to find. **Congratulations to all of 4th and 5ths anyway.**

I want to finish up, round it up now. I think the club doesn't need any stars to come across from anywhere and show the way and make things great again. The Glebe Club has got all the individual talent it needs now and in the future. Take U/17's for example. What we need to work on is getting these individuals happening as full-on team players. Team work is everything, the roots man. Without this consciousness the individual and club are having themselves on.

Here's to a good year in '91
Here's to total domination in '92
Merry Christmas and Happy New Year

David S Rochester.

1991 FIRST GRADE REPORT

This First Grade report I can write with pride. The team distinguished itself as one with guts, and a will to win, that came to the forefront in the final series.

The team started the season off slowly, a change in team personnel from last years side took its toll in the first few games, until the ship steadied. The team was also becoming a team of academics, with a number of players attending higher education institutions which didn't help their or the teams training regime.

During the season we had some big defeats and some nail biting wins on the bell against lowly placed sides. But the team keep plodding away and in the end was unlucky not to have come second in the minor premierships, with a goal average of plus 5.

The team was also disrupted by injuries, unavailability, study, and we were lucky to have the same group of players week after week. To their credit they took it in their stride and continued to set high standards for themselves both on and off the field.

The Glebe traditions were not lost in this team as the final series revealed, they showed the true Glebe spirit giving their heart and soul to the game when required, playing against the odds and coming up victorious. The team can be proud of themselves as other clubs stand in awe of the guts and determination they showed.

First Grade can only go from strength to strength next season with such a fine young crop of talented players playing in its ranks and with the blending of the seasoned campaigners Glebe will again be a force to be reckoned with.

I would like to thank a number of people who assisted me during the season, first of all I would thank the players themselves for their efforts and continued support. To Geoff Paterson, Pat Nilan and Ken Wark for assisting me when I was unavailable. To Merv Goodridge and Leo Sherwood for their help and support and where would a coach be without the support you get from home - thanks Carole, Amy, Simon and Family.

Last of all I would like to thank the club for allowing me the opportunity to coach such a fine side.

Les Wark.

Members of the Glebe Hockey Club I give you the

1991 2ND GRADE REPORT

Through the course of the season there were 22 players go through the 2nd Grade ranks. We scored some 55 goals for and 11 against from the 18 games played.

We reached the semi finals in third spot and were beaten by Ryde 2-1.

Throughout the season there were some fine individual performances.

Pat McCann came into the side late in the first round and had a solid season with his best performance in the semi final - trained well throughout the season.

Brad Goodridge scored some fine individual goals.

Craig Stubbs whose ability was never in doubt, but also impressed with his attitude to play where required for the team.

Tony Poljak also played well in unaccustomed positions and is accomplished in all skills of the game. Consistent performances of a high quality from **Stuart Corkery** and **Jeff Busch** were a highlight in a very ordinary season for 2nd Grade and was much appreciated by me for their efforts week in and week out, if not always at training on game day anyway.

Thanks goes for the support and help of Merv and to Keith Corkery, whose videos of the three games were always in demand. Thanks 'fellas'.

Geoff Paterson
Coach 1991

3RD'S 1991

Compared to last season the final standings in the 3A division were not as pleasing. The team was very different from last year. The good thing is many of the youngsters showed the way. Our style at the start of the season was a little shaky and not always easy to follow. By the time the semi against Ryde came around, we were playing a good short game and scoring some great goals. Also we seemed to have a regular type of team.

On semi day against Ryde we just didn't seem to be able to get into top gear and we lost by a couple or something.

I don't think 3rd grade's final result really indicates the great team they were. At times they definitely played the most exciting hockey of all the Glebe teams. Ant that's saying something isn't it.

On losing I'd like to thank all who represented 3rd's this year. A cast of many, Tops. A special mention must go to Geoff Paterson. An inspiration to all club members on the field and off. He also had great things to say to the team at half time and after the game. **Well done Geoff.**

Thank you.

David S Rochester.

4th GRADE REPORT

SHIT!! Once again we blew it when it counted most (Grand Bloody Final) as we did in 1990.

Throughout the year we played 18 rounds for 14 wins, 2 draws and 2 losses. This was the most keenly contested competition in 4th grade for many years, with every team very competitive which guaranteed good hard fought games.

Congratulations to Monterey for their victory over us in the Grand Final. It was a very keenly contested game, even though things didn't go our way, Monterey took their chances and we didn't with the result going 2-1 their way. An indication of the closeness of the two teams was the scores during the year, 0-0, 2-1, 2-1 in the semi and 1-2 Grand Final. At times it seemed that we were playing another Glebe side with ex players Pat Campbell, Darrell Seed and Chris McIntosh playing for Monterey.

Just the same it was a very enjoyable season with great comaraderie within the team and everyone giving their best at all times. An innovative idea this year was the new selection foremat for our best and fairest award each week. I guarantee no player voted for themselves because if you won it cost you 12 cans of beer!

After 20 weeks there were three equal winners with a ring around to decide the player's player.

I would like to thank all of the players who played throughout the year also our regular band of enthusiastic supporters. We had a squad of 13 regulars:

C. Brown, G. Wark, M. Howe, B. Ineson, S. Casey, H. Wark Jnr.
R. Wark, M. Galluzo, A. Howe, G. Dunn, M. Anderson, J. Taylor
and G. Noak.

Thanks to those 5th graders who filled in when needed, J. Rowswall, Alan Howe, P. Blee and B. Gilmore.

Finally I would wish all the club members, their families and supporters a happy Christmas and properous New Year. See you in '92

MARTIN HOWE
4th GRADE CAPTAIN

5TH GRADE REPORT

5th Grade had another excellent season leading up to the finals, finishing second, four points behind minor premiers, Ryde.

Statistics: 29 competition points from a maximum 36
45 goals for
18 goals against

The steady form and determination always shown throughout the season was not, unfortunately, enough to withstand the pressure from arch rivals, Ryde, in the major semi final, going down 3-1. This loss was to set up, probably the most exciting game of the season against U.N.S.W. After two periods of extra time the scores were locked together 3-3 (Darryl Waters scoring all three goals), but Glebe were to find themselves into the Grand Final, due to a superior placing on the points table. The Grand Final resulted in a loss 1-0 to Ryde scoring a goal against the run of play in the second half.

The squad of players who represented 5th grade in 1991 were Phil Blee, Alan Howe, Bruce Thompson, Anthony Moulay, Jason Rouswell, Eric Frazer, Peter Mitchell, Henry Twaddell, Darryl Waters, Brett Gilmour and Vernon Howe.

We were also ably supported by members of 4th and 6th grade, in particular Jason Taylor and Amarat Parbhu, who both played in the finals. Thank you to those players and also to Eric Wade for refereeing many games during the year.

Congratulations to Alan Howe, selected as Player's Player of the Season.

Finally, may I wish you all a very Merry Christmas and a Prosperous and Successful 1992.

Peter Mitchell - Captain
8.10.91

6th GRADE REPORT 1991

Another frustrating year for "DADS ARMY".

With the evergreen brigade of older players and two new exciting imports, we figured this was our year.

Throughout the season we showed only moderate form, although for one or two games against the competition leaders, we gave the opposition a big fright and stamped our mark as a premiership contender.

In to the semis by the skin of our teeth, we easily accounted for Sutherland and were ready for bigger things. The second semi saw us up against old rivals Uni of NSW and although beaten convincingly on the day, everybody felt that some shabby umpiring contributed to our exit for the season.

To all the team, especially Colin and Amrat who were welcome and younger additions to a great team, thanks for the season. We all look forward to 1992 and hopefully a premiership.

BOB TAYLOR
CAPTAIN

CLUB TROPHIESW J TAYLOR CUP

This trophy was first awarded in 1941. It was donated by W J Taylor, who at the time, was patron of the Club.

The award was originally for the 'Most Improved Player', however, since 1954 the wording has been altered to "The Club Member Who Has Set the Best Example by Consistent Play and General Demeanour".

This year the Management Committee decided that the W J Taylor Cup shall be awarded to Bevan Ineson.

A J OLDFIELD CUP

The A J Oldfield Cup is another Club trophy first awarded in 1941.

The cup was presented to the Club by the late A J (Burt) Oldfield, the former Australian Wicketkeeper.

The trophy is awarded to the "Colt Under 21" who has been adjudged "The most Improved and Best Behaved Junior During The Season".

The winner of the A J Oldfield Cup for 1991 is Stuart Corkery.

MICHAEL "ABBO" ATTERTON MEMORIAL TROPHY

Michael Atterton died tragically in early 1978 and this trophy was awarded by the Club in fond memory of him.

The trophy was first awarded in 1978.

In 1965, at the age of 6, "Abbo" commenced his hockey with this Club.

Whilst still a junior, at the age of 14, he played his first senior games with the Club. He was considered to be, potentially, one of the most outstanding prospects in the Club.

The Trophy is awarded for the "Player With the Most Potential".

This seasons' winner is Craig Greaves.

V J TURNER CUP

In their efforts to foster Junior Hockey in the Club, the Management Committee of 1960, decided to present a trophy for the "Most Improved Junior Under the Age of 17 years".

The Cup was named after Vern Turner in appreciation for his work for Juniors. Vern was an outstanding player and an equally outstanding Coach. He first started with the Club in 1942, playing at Left Wing and soon went into 1st Grade. He played 261 games and scored 84 goals. His ambition was to coach a winning U/16's team. This ambition was unfulfilled when he left the Club in 1957. In the following season, 1958, two teams which he had coached played out the final.

The winner of the V J Turner Copy for 1991 is Aaron Nilan

J W KENNY TROPHY

This trophy was first competed for in 1975. It was donated by Jim Kenny, Patron, Life Member and Foundation Member of the Club.

The Committee decided it would take into consideration points allocated in the S H A Brian Booth Medal Award.

However, since 1980, in making the award, the winner was not necessarily the highest points scorer from the Club in the Brian Booth Medal list.

The winner of the J W Kenny Trophy for 1991 is Ken Wark.

ROBERT DIVINEY MEMORIAL TROPHY

This trophy was first awarded in 1982. It was donated by the Club in memory of Robert Diviney.

The trophy is awarded to the "Most Outstanding Club Player – Junior or Senior".

The winner of the Robert Diviney Memorial Trophy for 1991 is Ken Wark.

PAT NILAN TROPHY

Pat Nilan, ex Triple Olympian, donated this trophy to the Club.

It is to be presented to the most outstanding Club member, junior or senior, for the year as adjudged by the Management Committee.

The winner of the Pat Nilan Trophy for 1991 is Harry Wark Jnr.
