PRESIDENT'S REPORT

Welcome to the 60th Annual General Meeting of the Glebe District Men's Hockey Club Inc. This year we celebrated the past, present and future members of our great club.

This our 60th year was very rewarding due to a conscientious, energetic management committee.

The year consisted of some great social events and money raisers (thanks to Colin Rochester). In particular, our 60th Anniversary Dinner was an excellent night. Old friends and new, old tales but true, all enjoyed the evening.

Our juniors once again were expertly administered and coached. Thank you to all those involved in Junior Hockey this season. Minkey Hockey took off as well this year, thanks to Peter Busch and other parents who put a big effort into making the introduction to hockey for our junior juniors both fun and a learning experience.

All our senior teams were also very successful this year. Thank you to all coaches and captains who make our season run so smoothly and successfully. A special thank you to the First Grade coach Les Wark and managers Mr and Mrs Reece, who put in once again an enormous effort.

Our senior results were as follows:

6th Grade - Finalists
 5th Grade - Premiers
 4th Grade - Grand Finalists
 3rd Grade - Premiers
 2nd Grade - Finalists
 1st Grade - Grand Finalists
 Under 17's - Premiers

A very special thank you must also go to Keith Paterson, who contributed enormous input and energy into our efforts to attain an astroturf field. An outstanding club member.

Another unsung hero of our club is Ian Treharne, whose work in compiling the Constitution and various financial reports has gone not unappreciated, but perhaps not officially noticed in the past. Officially, thank you to you MOOSE.

I am left with a great feeling of pride in this club as 1990 draws to a close.

Congratulations to all our members who made representative sides in 1990, there were quite a few. We are proud of you all.

Congratulations to all of you who donned a maroon and white shirt this season, you did us all proud and that is all we ask.

Glebe District Hockey Club - A Championship Club - a Club of Champions.

Roll on 1991!!!

Robert Wark

SECRETARY'S REPORT 1990

It would be remiss of me if I didn't mention the efforts of Gary Wark as Secretary for the club in 1989. Gary was re-elected for the 1990 season however, due to study commitments, had to resign in early February this year. Thank you on behalf of the club Gary.

No doubt the highlight for 1990 was the winning of the State League by our first grade side, who performed magnificently in beating ACT in the semi-final and arch enemy, Moorebank-Liverpool in the Grand Final. Our Australian representative, Ken Wark starred in what proved to be a sensational game of hockey.

In addition, it was pleasing to see our 3a side get up against all odds, to defeat Moorebank-Liverpool in a nail biting grand final. Having been unsuccessful for the past three seasons, it was a source of great satisfaction/relief to those who had suffered at the hands of Moorebank-Liverpool. Congratulations also to our 5a and under 17's sides, who took out their respective competitions.

Whilst we are proud of our playing achievements, it is of equal importance to acknowledge the achievements of those who were involved in the running of the club.

Colin Rocherster - who can forget what a marvellous night our Diamond Anniversary was in celebration of the club's 60 years as a major force in Australian Hockey. It was due to Colin's considerable time and effort, that this night was such a success.

Also, Colin's endeavours in fundraising, proved to be of great benefit to the club. It was due to Colin's efforts that the club could continue to assist our representative players financially. Well done and thank you Colin.

Ian Treharne - for someone who does not play and suffered a heart attack in 1990, Ian's efforts to carry out his role as treasurer as efficiently as ever were truly above and beyond the call of duty. The efforts of Ian tend to be underscored due to his low profile, however the committee are well aware of Ian's importance. Thanks for your continued efforts on behalf of the club.

Keith Paterson - since transferring his allegiance to Glebe from Cumberland, Keith seems to have spent every waking moment ensuring Glebe is the number one hockey club in Australia. Keith has spent hundreds of hours trying to secure an artificial pitch for Glebe and it will be due to Keith's persistence, that this goal will be realised. As I write, Keith is very ill in hospital and I know your thoughts are with him and his family, particularly Jeff.

Peter Busch - how encouraging it is to see a first grader being involved with the establishment of minkey and ensuring its success by being on hand every Saturday. Minkey will be of an ever increasing significance to the junior development of the club and Peter's contribution this year was reflected by the childrens eagerness to learn and their parents acceptance of the scheme.

Whilst I have given special mention to the above, the efforts of all those others involved with the running of the club are of equal importance. In fact without their efforts the club would not function as efficiently as it does. My sincere thanks for all your assistance in making my job easier.

One very important part of my job is to ensure effective communication between the committee of the club and all the members whether social or playing. I thank the team captains for their assistance in this regard and ask that details of life member's addresses be volunteered to ensure that they are not excluded from important events. I know that this years Diamond Dinner, provided much headache in trying to ensure that not only life members but previous members were notified.

It was a pleasure to again act as secretary for the club and intend to again serve the capacity for 1991, should the members see fit.

Merry Christmas and a Happy New Year.

Danny O'Brien

1990 CLUB CAPTAIN'S REPORT

The 1990 playing season proved to be a reasonably successful one for our club. All grades made the semi final series once again which reveals the great playing depth of our marvellous club. The performances of the respective teams makes interesting reading:-

1st Grade:	2nd in Premiership SHA 1st NSWHA Tooheys State League Div 1 1st SHA Summer Cup 2nd Allan Yates Memorial Shield
2nd Grade:	3rd SHA 2A Premiership
3rd Grade:	1st SHA 3A Premiership
4th Grade:	2nd SHA 4A Premiership
5th Grade:	1st SHA 5A Premiership
6th Grade:	4th SHA 6A Premiership
U/17 :	1st SHA U/17A Premiership

Though our performances seem quite imposing they are not as good as the previous season nor are they a true reflection of the talent within our club. As the premier club in the state we should strive each season to better our previous performances rather than be satisfied with what we have achieved in the past. It is up to each individual in the club to improve his own standards which will in turn benefit our club.

The highlight of the year was certainly the Diamond Jubilee dinner. What a great night this turned out to be! The true spirit and nature of the club was certainly seen by all present. This night also posed an interesting problem, certainly the greatest problem facing our club. Where are all these club members present at the Diamond Jubilee during the year? The running and supporting of the club is consistently left to a small number of people who struggle to keep our great club out of the red each year. A commitment to our club must go way beyond 70 minutes each Saturday afternoon, otherwise there will be no club.

On a personal level I would like to congratulate all the players in 3rd grade and U/17 on their tremendous achievements in becoming premiers. Commiserations to 4th grade for losing their grand final, I know they gave it their best. In 1st grade it was another great year, especially winning the Toohey's State League for the first time. The grand final was a bitterly disappointing day though I'm sure we will be back bigger and better next year to finally take out the big one. It was a pleasure to be part of this team.

Finally, I'd like to wish everyone a happy and safe off season and all the very best for the Christmas/New Year holiday period.

Peter Busch
Club Captain

1st GRADE REPORT FOR 1990

I am pleased to present the 1st Grade report for the 1990 season.

The club should be proud of the team's efforts this year.

1st Pre Season Competition
1st NSW State League
2nd Sydney Premiership

The team's performance both on and off the field was excellent and the club can hold its head high in the way these players presented the Glebe Hockey Club's image throughout the state.

The players were dedicated to the tasks set, and to play the best they could on the day and we had more better days than bad as the results indicate.

Glebe is improving each year. The team was better than last year and will be even better next year, "we will win" with more authority.

I would like to thank all the players who played 1st Grade this year for your support and dedication.

To those who travelled long distances, gave up your social and home life to play better hockey and represent the club, thank you.

Glebe is again on top of the hockey tree. The team mightn't be brissled with super stars (we have a few) but what all the team have is the Glebe spirit, the will to win and to help your mates, and that is what no other club has got.

Glebe must keep looking towards the future or we will be left behind. The club must make an all out effort to obtain an artificial surface in the next 2 years. With this facility, Glebe would only go from strength to strength.

I would like to congratulate the U/17's, 3rd and 5th Grade - well done on your fine victories.

To Bill Stubbs, Geoff Paterson and Pat Nilan who filled in while I was away, thank you. To the players wives and girlfriends, thank you for your support. To Val and Terry Reece, where would we be without your TLC. Thank you. To our supporters, who pushed the team to victories when staring defeat in the eye, thank you.

To the Wark families thank you, and last but not least, my wife Carole for without her I would not be able to coach. Thank you.

I would also like to thank the club for allowing me to coach.

Yours in hockey

Les Wark

SECOND GRADE REPORT 1990

The 1990 Second Grade team commenced the season very well, playing attractive open hockey.

As the season progressed, particularly from close to the end of the first round and into the second round, we lost our concentration and let ourselves down in failing to score goals. The defence was tight and was probably the best defensive side in the Second Grade competition. Part of the team's problem in mid-season was a number of disruptions, particularly the deferral of matches. The team began to pick up its game towards the end of the season and had every chance to make second place but failed to make the best of its good scoring chances in the last two games.

The semi-final against Sutherland was a very good game and, while we should have been in front at the end of the game, credit must go to Sutherland for coming back to equalise, however, our semi-final by finishing higher on the ladder.

The preliminary final against Ryde was a game in which we started very well by scoring early but then failed to read the game and keep up our intensity, letting Ryde back into the game to lead 2-1 at half time. Again we started well in the second half equalising midway into the half, had an opportunity to go ahead, failed to do so and with ten minutes to go Ryde got a roll on and scored three quick goals. The final result did not reflect the tightness of the game and some team members felt that a couple of Ryde's goals were gained from breaches missed by the umpires. Congratulations to Ryde on their win and to Moorebank-Liverpool on winning the Premiership.

Overall, a good season as we did make the preliminary final.

My thanks to the players who played in Second Grade (26 in the season) particularly to Col Rochester, the Captain, and Danny O'Brien. The effort, communication and co-operation within the team overall was very good and I enjoyed coaching the team.

May I take this opportunity to wish all a very merry Christmas and a happy and successful 1991.

Bill Stubbs
Coach

3RD GRADE REPORT 1990

It gives me great pleasure to present the 1990 3rd Grade Report.

Having been associated with 3rd Grade since 1985 as either coach, player or just lending a hand, I know it has been a source of great frustration to be runners-up in the past two Grand Finals of 1988, 89 so it was a tremendous feeling to have finally broken through.

On the points table we were many points behind the leader Liverpool, but coming into the semi-finals the game against Sutherland, we picked up our intensity and improved from there and all I can say is we came good at the right time.

There were some very good performances from all players through the year and of course, you can't win a Grand Final without everyone playing well. Some I need to mention:

Tom Jenkins: Very consistent and played an important role in the Grand Final.

Henry Tweedle: Goalkeeper who had a significant hand in our destiny.

Kieran Diviney: Consistent, showed that he could easily play higher with his new found discipline.

Andrew Goodrick: Good season after slow start.

Greg Goodridge: Improved immensely and indeed became an intricate part of the team, just reward for his efforts at training from January through to September.

As always congratulations to all players involved through the season.

It just leaves me to acknowledge the contributions of a few who effected 3rd Grade through the season.

I'd like to thank, as I did last year, Col Rochester for his support, umpiring, advice and playing when needed.

Danny O'Brien for the usual club support.

To our support staff, Terry Reece who did the job of three, thanks for your assistance.

5TH GRADE REPORT 1990

Fifth Grade had another excellent season leading up to the finals, finishing minor premiers, approximately five (5) points in front of the nearest opposition.

Statistics:

34 competition points from a maximum 36
44 goals for, which includes a 3-1 forfeit game
13 goals against

The steady form and determination to win shown throughout the season was also applied in the finals, with the team disposing of North Sydney 3-1 in the major semi final and defeating a much improved Moorebank-Liverpool team in the grand final, this being decided by a penalty shoot out after the scores were locked four (4) all after extra time.

On that note, I would like to personally thank all the players for showing that true Glebe spirit and maintaining the tradition as the filthy fifths - a team of winners.

The squad of 13 players in 5th grade, which only includes four players from the victorious team of 1989, were Shady Dawes, Bruce Thompson, Dave Mason, Alan Howe, Arthur Moir, Anthony Moulay, Peter Mitchell, Ian Edgar, Nigel Carter, Tony Cowan, Eric Frazer, Jason Greaves and Tim Harrision. We were also ably supported by members of 4th and 6th grades at times during the season. Thank you to those players.

Congratulations to Dave Mason selected as Player's Player of the Season.

Finally, may I wish you all a very merry Christmas and a prosperous and successful 1990.

Peter Mitchell
Captain

SIXTH GRADE REPORT 1990

Year after year we seem to find the going tougher and this year was no exception. Finding enough players at the beginning of the season to fill the team, and then coaxing "young" blokes out of retirement to obtain a balanced side seems to be the pattern. After all this is over we find ourselves around mid season with only a hand full of points.

Nevertheless we battled on and by semi finals time we were up with the leaders and polishing up the Cup.

Semi Final day saw us 3rd on the table and facing our oldest enemy, Uni. of NSW. Having beaten them throughout the season we were in with a big chance but not over confident.

The outcome is now history and Sydney Uni. went on to win the Cup, but we were good things beaten. Those points we lost early in the season turned out to be vital, for had we finished the year one or two, we would have won the Premiership.

On behalf of the team I would like to thank Eric (Striker) Green and "Guts" Galluzo for their contribution in the later part of the season. To all the other team members thanks for making it all possible.

I'm sure next season will see "Dad's Army" reappear keener than ever and ready to do battle for the "Maroon and Whites".

Bob Taylor

JUNIOR REPORT 1990

It will be seen from the following reports from Coaches, Team Managers etc., that the Junior Members of the Club had a most successful and enjoyable season.

In 1990 we fielded one team in each Junior age group and ran our own Minkey programs.

Although we were unable to make the final playoffs in the Under 11's, 13's & 15's we did achieve a high standard of competitiveness in these grades in the Sydney Central Junior Competition proper.

The highlight of the Junior Season was the taking of the Pennant in the Under 17's. On behalf of the Club we would like to congratulate each and every player in the side.

Congratulations also to those players who gained Representative Honours.

Unfortunately, due to the "resignation" of the Junior Convenor during the season, there has proven to be some degree of unco-ordination which has resulted in the Junior Division falling down in some areas. The most notable being non-attendance at the Central Area Meetings which resulted in lack of communication to the Club, and also a major downturn in the Junior Committee fund raising activities.

Furthermore, due to the current economic climate, our 1989 Sponsor went into Receivership and no donations were forthcoming from this avenue.

No doubt the incoming Convenor and his Committee for the 1991 season will commit themselves to a "turnaround" in these areas.

On behalf of the Club and the Junior Committee we would like to thank the Coaches, Team Managers and the Senior Members who made themselves available for training and assistance throughout the season.

We would also like to express our extreme gratitude to those dedicated few who transported the children to the games every week.

Without these unselfish people the Junior Club would surely falter and fall.

In closing, a special thanks to the Parents who gave their support and we take this opportunity of wishing everyone a happy festive season.

A very good performance for a young team, all but 4 players in their first year of Under 17 competition - ALL LOOKS GOOD FOR '91.

With a yearning for learning, hard training and game discipline appeared to be the right tonic and the team should be congratulated for their efforts.

It gave me much pleasure as Coach to see the players enjoying their game and striving hard for a team and club effort. To the Under 15's who helped out, Umpires D. O'Brien, M. Goodridge, G. Benfield - thank you all for a great year.

To Eric Fraser as Manager - another good year. To Deputy Manager, Coach, Trainer, Ball Boy etc., etc., Shane Nilan - thanks for all your help to me and the team.

SEE YOU ALL IN '91.
