## Presidents Report

### FINALS

Firstly, as we approach the finals, I just want to pass on my congratulations in advance to those teams who make the finals and of course my best wishes as you strive to be the premiers over the next month or so.

To those teams who will not qualify, my commiserations, but I trust as players, you really enjoyed the season and made some new friends.

### CLUB NEWS

As reported in the April Red Rag, the club has been asked to look at our current management structures/constitution. I advised then that the process was underway and I can confirm that this is still the case. We should be able to review the changes for recommendation at the final management committee meeting of the year in October, to then have as an agenda item on this year's AGM (December). I look forward to getting this across the line.

## SYDNEY HOCKEY ASSOCIATION (Men)

As we approach the end of the year SHA has been looking closely at a possible change to the competition structure by way of the possible adoption of a "Club Based" competition. A meeting was held about a month ago with all clubs attending and at this stage the general feeling of the meeting was to move this way, but as always there is the detail to work through before all clubs are happy. So you know, our club has advised SHA of our support to move this way. We would like to see this start in 2016.

## SYDNEY EAST HOCKEY ASSOCIATION

(Men, Women and Juniors)

Well the new association has had many challenges, not the least "awareness" by all clubs/players of what exactly the association is doing and how it relates to day-to-day club activities. It would be fair to say that being year 1, so much time has been spent on implementing what the working party had put in place and the board has very much been playing catch up all year with the:

1. Huge representative team impost across all areas of our hockey community
2. Management of the old Eastern Districts Women's competition – bringing it under a new structure and new committees
3. Electronic Media requirements – web sites/Facebook etc
4. Dealing with a new association format across Sydney and working directly with HNSW

I don't believe the clubs/players understand the many challenges faced by the board and the various committees that were tasked with the above issues and at this stage, I am not sure if the interest level of clubs is where it needs to be. I am of the view that this will change as the years roll on and maybe when men and junior competitions are possibly run by the association/associations.

## (Indoor Hockey - SIHA)

All associations were of the view that indoor would operate as per last year with Sydney representative teams to be selected. But literally within 4 weeks of indoor rep teams being selected as organised by Sydney Indoor, HNSW stepped in raising the possibility of association teams in various formats. This led to a hastily organized

meeting by HNSW at their offices to meet with association delegates and Sydney Indoor to discuss the issue. I attended this meeting.

SIHA had booked courts for rep trials and this did not cover associations selecting their own teams. Each association was left with a 7 day window to survey their players to see if they could field individual teams. Some associations started to advise that they would field various association teams and therefore SEHA needed to act accordingly. It was then generally agreed that associations would select teams, but in the event they couldn't fill particular teams, then their players could be selected in combined Sydney teams if available.

In SEHA's case, thanks to SIHA we were able to utilize the already scheduled rep trials at Ryde swimming pool complex for association selections. Thanks to our President Briony Nilan, her sister Alex Lupton and husband Aaron Nilan, they went out of their way, at very short notice, to facilitate the selection of some of our association teams, with others to follow over the next month.

I felt I needed to detail this as a prime example of the type of challenges imposed on the association this year. It is easy to criticize people, without knowing the full story of the difficulties faced, short time frames and remembering that the people who try to solve these problems are all volunteers.

### **(SEHA AGM)**

Just a reminder that the association AGM will be held on Nov 16 - which will be attended by nominated club delegates from our club committee. If you have any issues that you would like the club to raise on the night, please contact our club secretary Mark Paterson.

## Men's Club Captain Report

It is the last month of hockey and it has been a tough season for the Glebe District Hockey Club.

The top two grades are in finals contention but will need to play well in the remaining matches to earn their right to play finals hockey.

Unfortunately it has been a horror seasons for injuries with three-time 1st Grade premiership winners Adam Howard and Michael Wark both out with season ending injuries.

Sadly for the other grades they will be playing for pride in the last month of hockey but they all have a chance to be a thorn in the side of those teams pushing for the finals. It has been a difficult season for the lower grades with players moving up and down the grades preventing players from being able to develop combinations.

This season player availability has been the worse it has ever been in my opinion. It seems more than ever it is becoming harder and harder for people to commit to playing a season of hockey. This is problem faced throughout the grades.

First all injuries are always going to occur, I have never played a season where someone has not been injured. So add a couple of injuries on top of players missing matches and things start to get tough. Then there is the matter of teams being short leading to more players getting injured. The vast majority of the club plays socially and with guys having to back up and play two matches most weekends they end up suffering injuries they may not have otherwise incurred had everyone been available to play. Inevitably it seems the burden falls on the same blokes year in year out and this leads to players burning out or becoming fed up with having to always be the person to do the extra work.

So I implore every player to think long-hard about next season as this one comes to an end. If you are going to play hockey next year, don't plan holidays during the winter months, don't plan weekend getaways without first checking the draw to see if your team has a bye and don't missing one game doesn't make a difference.

Work commitments are inevitable part of life and cannot be helped and I understand, as do others, that people have busy lives and there can often be little time left to do the things you want to do but you have to ask yourself then do you enjoy playing hockey? If I am going to play hockey, am I willing to make myself available on every Saturday between March and September?

On junior development note the club is also in desperate need of more young strikers. It seems no problem producing a halfbacks and fullbacks. I would implore junior coaches to encourage young players to become strikers and I would implore any junior players or parents who may be reading this to take up the challenge of becoming a forward.

On a social note the end of season is on at The Merton Hotel on August 22. Please get along to celebrate with your teammates and send the season off in style.

Get in early and book your ticket for Presentation Night. It will again be held at the Sydney University Grandstand and is a special occasion as the club is celebrating its 85th anniversary. The Presentation Night is on Saturday, September 26, 2015. Tickets are \$65 pp. Absolute deadline for this event has now been set at Friday 18th September 2015. This will sell out so please book your tickets early and don't leave it to the last minute.

**Team standings:**

1st grade: 7th on 20 pts

2nd grade: 6th on 30 pts

3rd grade: 7th on 15 pts

4th grade: 7th on 10 pts

5th grade: 8th on 18 pts

6th grade: 10th on 7 pts

Thank you and good luck to all the grades

Ian Paterson

Glebe District Hockey Club Men's Club Captain.

# Women's Report

Moving away from the curse of the draw?

The Glebe 1st ladies are hopefully turning draws into wins as we approach the meaty end of the season. In the first three rounds of the season the girls recorded a draw, a win and a loss. Now, into the second round, these same three games have been all wins (2-1, 2-0 and 3-1).

Two weekends ago the girls beat table leaders Ryde in a gritty, 9am game on Ryde home turf. It may have been Sydney's coldest weekend on record this year but temperatures on the field were soaring as the Ryde and Glebe players fought for the ball and tried to capitalise on attacking opportunities.

Glebe drew first blood with an attack down the left side that saw Rachel, playing up from 2nds, with an easy push into goal after Emma Kelly had lured in the goal keeper. Ryde hit back a few minutes later though, stringing passes down the side and a higher ball across the goal miraculously deflected into the goal. We went into the half 1-1.

The second half continued to be a hard affair, with strong tackles and breaking down of play. Glebe began to dominate, keeping the ball in our attacking half and making great field position via the exceptional skills of Mim Pritchard and Emma Kelly. But in the end, the goal to take us to 2-1 was a team affair. The ball worked from the defensive 16, it must have gone through at least 6 Glebe passes before it made its way to Alex Glading at the top of the circle who had an exceptional shot to place it top left into the net.

A few minutes later, the Glebe girls fought for a few short corners in a row, with the second one resulting in a goal from Jess Higgs. It was 3-1 with less than 8 minutes to go. Further Ryde attacking was quickly shut down by Litiana, Alanna, Molloy and Alisha, with strong calling from Ash at the back to make sure we knew where to be on the field to intercept passes.

When we looked through the 3-2-1 players player scores, about 10 players had nearly won top spot, showing the team effort that had been put in during the game.

Last weekend the girls continued their winning streak by defeating Strikers 5-0.

## GDHC Women's Team Standings:

Glebe 1: 2nd

Glebe 2: 5th

Glebe 3: 1st

Glebe 4: 5th

Glebe 5: 6th

Glebe 6: 8th

# Junior Report

## *Under 13A Redbacks at Cintra Mens Games*

Glebes Under/13 Redbacks are a team that features the next generation of Glebe Club Members. Players include a great mix of boys and girls who have strong connections with the history and future of Glebe. Aaron Nilan coaches the team in his first juniors coaching experience. As part of the season plan, the kids voted that rather than more whiteboard instructions and team talks; they wanted a new approach to coaching. And so after a closely fought loss to Sutherland in the morning, the U/13A Redbacks reconvened in the afternoon at Cintra to watch the Men's Second Grade encounter, and get some practical instruction in hockey.

Some had gone home and freshened up, some had gone to other sports commitments and a few diehards remained in their Glebe uniforms, and they sat as a team in preparation to watch their siblings, club mates, their umpire that morning and most importantly their coach in a fiercely contested game.

Wild assurances of a hat trick of goals and a demonstration of exactly how to play the game had been made, and the children were happy to see the coach pop in the first goal for Glebe early in the game. (Just quietly we think The Coach was quite relieved as well)

It was a great afternoon in the sunshine with friends, with plenty of support from the senior members of the club, parents, pets and a delicious home baked giant biscuit to share. So it was a 3-1 victory to the Glebe men, a lovely goal and excellent demeanour from the coach and a big win for team spirit and friendship.

## *Under 13 Girls State Championships in Tamworth*

The Under 13 Girls Field State Championships were completed under sunny skies, but with frosty mornings, in Tamworth over the last weekend. It is I think reasonable to say that Glebe provided the engine rooms for the SEHA teams, and achieved outstanding results during the tournament.

In total 15 Glebe girls, 2 Glebe coaches, 2 Glebe managers, countless tech bench delegates and judges and many Glebe supporters participated at the Carnival across the two Sydney East representative teams. In this inaugural SEHA Under13 Girls season, we were so fortunate to have such a positive and encouraging group

*L-R Back: Asha, Olivia, Sarah, Layla, Olive, Emma L-R Front: Destiny, Prudie, Talia*

of Glebe families, who assisted in all sorts of ways, from the not to be sniffed at ability to get the right child to the right place at the right time, to the long suffering siblings, to those who took photos, carried gear, manned the tech bench, fed girls, washed uniforms and

generally cheered and supported the teams throughout the season. And a special thanks to Riley Nilan, who helped out by umpiring for us during the season.

Extra special thanks to Olive's mum Ann, who crocheted up the amazing outfit for the team mascot Squawky the SEHA Seagull from wool secured from the Nundle Wool Mill Field Trip led by our wonderful and very tolerant driver Dean Morrow and chief navigator Deanna.

*L-R: Jasmine, Sam, Teagan, Madeleine, Abby, Mimi*

In the final State Championship results, SEHA 1 were defeated by Lithgow in the semifinals 2-0. Lithgow went on to win the tournament 5-1 against Northern

Beaches. It is a result the coaching team and girls should be very proud of, and SEHA remains in Division 1 for 2016. The richly deserved Players Player was Emma Alexander Prideaux, closely followed by joint runners up Prudie Dallen, Talia Morrow and Olivia Cain. Glebe girls Destiny Peris and Sarah Brine led the goal scoring for SEHA 1. Layla Riley, Asha Machin Hunt and Olive Currie were just so impressive in their team and ran and ran and passed and dragged and tackled and then ran some more.

SEHA 2 drew with Grafton 2 nil all in their classification match, and successfully kept the SEHA position in Division 3 for 2016. Players Player was deservedly awarded again to another wonderful Glebe girl Teagan Howe, ably supported by tireless running and strength and versatility from Samantha Iglesias, who was as classy as always. Jasmine Howe was just magnificent in goals for the entire season. Abby Foster, Madeleine Fiene and another signing for the season Mimi Kind were also amazing, and have developed into players to watch in coming seasons. And they wore beautiful matching hair ribbons, and represented Glebe and SEHA with fabulous sportsmanship and good cheer. The girls were great Glebe ambassadors, supportive of each other and welcoming to their teammates.

We are very proud to let you know that two of our girls have been chosen in the final squad for State selection. Our warmest congratulations to Destiny and Jasmine and both of you go with our very best wishes to the next stage. Sydney

East Juniors' participated with great sportsmanship, effort and skill throughout the tournament, and we look forward to the girls showcasing their skills and confidence for Glebe in the remainder of the club season.

## *U/11 Glebe Juniors Head North West to Tamworth*

Nearly 500 kids competed in the annual U11 Tamworth Carnival over a sunny long weekend at the end of July. There is no organised NSW State championships for the U11 teams and for many this is the equivalent competition. Seven Glebe juniors played for the brand new Sydney East Hockey Association rep teams. Annie Miller, Allegra Symonds and Billy Pritchard played for the girls while Archie Dallen, Oscar Frissel-Thomas, Will Beckett-Brine and Hugh Foster played for the boys. The event focused on the development of the young hockey players and umpires. All the games had junior umpires and any young Glebe umpires are encouraged to attend next year, if they are keen. The lucky hockey players also got to try a few indoor games in the new Tamworth Indoor facility.

The event is massive and gets bigger and better each year! There were 34 teams competing across two divisions; division 1 and division 2. Both the SEHA teams competed in Division 2 and took home the gold for the boys and the girls. Outstanding! There were 12 teams in the Division 2 girls event and 8 in the boys.

As with all of representative hockey carnivals, the good times extend beyond the hockey pitch. Team dinners brought together the kids and parents from several hockey clubs in East Sydney. There was also a mini golf close by, a beautiful Tamworth look-out, and even a marsupial farm. Some energetic parents ran or walked along the Peel River while others enjoyed coffee at some fine cafes. We will not talk about scraping the ice off our car windscreens on chilly mornings, but it was all part of a great family adventure in hockey.

Congratulations to all who participated. I am sure you will bring your skills back to your Glebe teams and encourage others to participate next year.

*L-R: Billy Pritchard, Allegra Symonds, Annie Miller, Archie Dallen, Hugh Foster, Oscar Frissel-Thomas, Will Beckett-Brine*

## *Glebe's Calam Baird and Riley Nilan selected in NSW U/13 State Team*

**BOYS  
FIELD UNDER 13  
STATE & BLUES TEAMS**

Congratulation to young stars Calam Baird and Riley Nilan who were recently selected in the NSW U/13 state team and Blue team respectively. Both Calam and Riley will represent NSW at the U/13 National Championships from Friday 25th September till Friday 2nd October 2015 in Darwin NT.

Calam has come along leaps and bounds as a goal-keeper often occupying the Glebe goals a year above his age group which has further honed, enhanced and developed his goal-keeping skills. Calam follows in the footsteps of his older brother Angus who has also represented NSW at various National Championships. Calam reads the game well and has keen eye repelling many opposition raids. He will be one to watch in the future.

Riley of course carries the famous Glebe Surname Nilan and follows his father Aaron and Grandfather Patrick Nilan in representing NSW. Riley is a keen hockey player and gives 100% on the field. He is quick and predominately plays as a forward.

A fantastic achievement from both boys! Hope to see you both representing 1st grade one day, and best of luck in the tournament the whole club will following. Good Luck!!!

## Social Report

The Glebe women's club held a successful Ladies Lunch at The Merton Hotel on Saturday 25 July which should also doubled as a fundraiser for the club.

The club's end of season function has been booked for Saturday night 22 August at the Merton Hotel. The men's club finish their preliminary season on this day and while the women still have another weekend of matches to go we are looking for an excellent turn-out to this event. The outside heated bistro area is booked out for the club and some complimentary canapés will be available on the night. The bistro is open for dinner until 9.30pm.

The State of Origin rugby league football deciding match was televised on the big screen at the clubhouse with a good turn-up from the men's club and a great sausage sizzle cooked by Googa for dinner for all who turned up.

Tickets to the combined annual presentation and 85th anniversary at the Grandstand Bar, University of Sydney are on sale and selling quickly so get your tickets now!

Adam Campano

Glebe District Hockey Club Social Convenor

## Around the Grounds

### *Games Milestones*

Congratulations to Mack Noller and Pete Dodsley who both played their 100th senior games for the Glebe men this Saturday/Sunday 11th and 12th of July. Mack has come up the junior ranks and will reach his milestone while he is still in his teens!!! Also claims to be the 'best' Noller. Hmmm... and Pete (right in photo with some cricket guy) who came to the club many years ago on the recommendation of Aaron Oman reaches his milestone in between 3 separate trips to Australia, which have led to his permanent residency and settling down in Oz with his lovely wife, Anthea. Glebe champions!!!!

Congratulations to Patrick Wark (350 Senior Games) and William Noller (50 1st Grade Games) which were reached on Saturday 18th July 2015 against Moorebank. In a weird twist of fait the 2nd grade was called off due to the lights going out halfway through the 1st half. The match was subsequently postponed and to replayed at a later date.

### *400 Games for Tim Sutton*

Congratulations to former Treasurer and club stalwart Tim Sutton, who plays his 400th game for the Glebe club on Saturday 25th July at Cintra at 5pm against old foes St George. Tim has been a credit to the Glebe club playing in all grades at some time or another and performing as the club's Treasurer for about 10 years with great success. We as a club salute your achievement Tim!

## *1st Grade Debut*

Congratulations to Glebe District Hockey Club young gun Sam Alexander - Prideaux who made his run on debut for the Glebe 1st Grade side on Sunday 26th July 2015 against NWS at Cintra Hockey Park. Sam has had a massive rise through the grades and has acquitted himself with poise, calmness and level of maturity beyond his years. Quick with good anticipation Sam reads the game well and is not afraid to bring the ball forward. We look forward to watching Sam develop in years to come. Congratulations Sam.

## Club Secretary features in Local Newspaper.

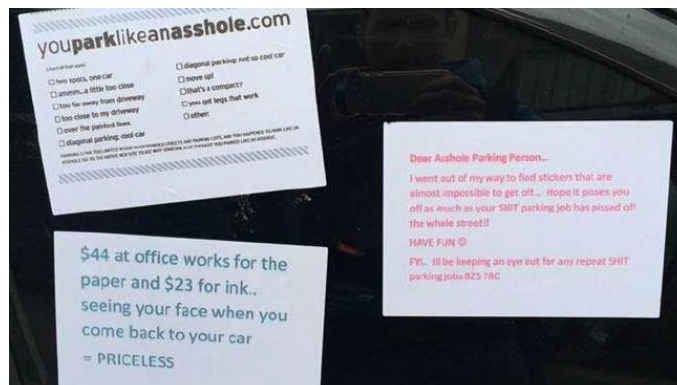

### *Rage unleashed on parked car, with stickers plastered on windows and tyres let down*

August 5, 2015 6:46am Sarah Sharples Inner West Courier Inner City

Some of the angry notes plastered on a car in Wigram Lane, Glebe.

PARKING rage is nothing new in Sydney but one anonymous vigilante has taken things to another level.

This black sedan was photographed in an inner city laneway plastered with nine snarky notes glued to its windscreen and windows accusing the driver of being an “a\*\*hole parking person”. The tyres had also been let down.

“I went out of my way to find stickers that are almost impossible to get off ... Hope it pisses you off as much as your s\*\*t parking job has pissed off the whole street,” said one of the notes.

Resident Mark Paterson photographed the abused vehicle in Wigram Lane in Glebe while out for a walk.

“I started looking at the stickers and they had been plastered all over the car and also three of the four tyres had been let down,” Mr. Paterson said

“It didn’t look that badly parked, the back was just hanging over a driveway, it wasn’t anything too bad. It was a vicious exercise.”

Mr. Paterson said there was no one around when he discovered the car and he did not know who owned it, but thought what had been done was unfair.

“Some of those stickers were pretty harshly worded and if they were glued on to the windscreen, it would be hard to get off, and letting three of the four tyres down was overstepping the mark,” he said.

Glebe Police had no report of the incident, but Inspector Clive Ainley said people should not take matters into their own hands if they had a problem with parking.

“If the stickers have caused damage and can’t be removed, it’s an offence of malicious damage, it’s a crime,” he said.

“If there is a car parking complaint, people can call us, we will have a look and we will deal with it and take the appropriate action and that can be anything from issuing a warning, to issuing a parking ticket to having it towed.”

“If there is a car parking complaint, people can call us, we will have a look and we will deal with it and take the appropriate action and that can be anything from issuing a warning, to issuing a parking ticket to having it towed.”

Insp Ainley said parking was a big problem in the area, because the streets were narrow and not designed for cars, but he had never come across stickers being left on cars.

“In these areas of the inner city and Newtown is the same, if people park on the road, then you can only get one car down the lane.

“The message is people who park their cars should be considerate and park as close they can and the drivers have got to realise the roads are very thin and deal with it,” he said.

“There has been incidents of damage to vehicles, tires have been damaged before and cars have been scratched, but never has a message been left that your car is parked badly in this way.”

The City of Sydney received 1017 complaints and inquiries about parking in Glebe, while Darling St, Sheehy St and Campbell St drew the most complaints, a spokesman said.

“In the past year, 3499 parking fines were issued by City rangers in Glebe,” he said.

“Residential and business visitor permits have been recently rolled out across every suburb, except central Sydney.”

Mr. Paterson said since the Harold Park development had been built, parking has been severely restricted in Glebe.

“So I’m not sure if (the stickers were) in retaliation to that as before the development was given the go ahead there was a lot of unrestricted parking, but now a lot of it’s restricted,” he said.

The City spokesman said they had extended the area covered by the resident parking scheme restrictions in response to increased parking demands from Harold Park.

“Permits are available for businesses and residents, and residents’ visitors. Annual visitor permits in Glebe will be replaced by single-use daily permits from next May as the annual permits were prone to abuse,” he said.

“Weekend parking meter rates in Glebe have been reduced by a dollar an hour between 8am and 6pm after the City revised rate structures set before mergers with Leichhardt and South Sydney councils.”

## Glebe District Hockey Club Sponsor's

The Glebe District Hockey Club would like to acknowledge and thank the following sponsors for their ongoing support and commitment in growing and sustaining the great game of Hockey in the Glebe District Area.
