GLEBE DISTRICT HOCKEY CLUB.

SEASON 1958.

Report of the Management Committee and Honorary Treasurer's  
Statement of Receipts and Expenditure.

To the Office Bearers and Members of the Glebe District  
Hockey Club.

Gentlemen :

I have much pleasure in introducing this our  
26th Annual Report.

During the 1958 season, we have achieved many  
successes, both on the field and from an administrative  
point of view. However, to maintain our position among  
the higher bracket of District Hockey Clubs, our efforts  
in the coming season must be even more concentrated.

You are all aware of our great achievements on  
the field, which was a record for the Club, congratulations  
to each and every member for their part in this accomplish-  
ment. We have gained many new and fine young players, as  
well as retaining a very high percentage of our stalwarts,  
thus making also a financial membership record. This,  
combined with a wonderful "Esprit de Corps", contributed  
in no small way to our successes.

The Club administration during the season left  
little to be desired, except perhaps for the control of  
our junior players. It is almost impossible for a couple  
of people to carry out this task efficiently; and, as these  
boys are the lifeblood of our future strength, they must  
be properly supervised or they will be lost. Senior players,  
please give this matter much serious thought.

One of our most notable advances was the inception  
of our Club Newspaper, "The Red Rag". This addition has  
been a thriving success and will soon be in print again,  
being produced entirely from our own equipment.

In conclusion, after our success last season,  
let us repeat the effort in 1959 in preparation of the  
1960 competition when the district hockey will be limited  
to ten district Clubs. This, I feel, is very much a move  
in the right direction and will prove most beneficial to  
the game of Hockey.

FIRST GRADE.

Once again the First Grade are to be congratulated on winning yet another Premiership. The fact that they achieved this honour after a disastrous start makes it all the more meritorious. At the end of the third round our record was 1 loss and 2 draws, giving us 2 points. At this stage we were sharing last place. Our goal average was 7 for; 11 against.

Many factors combined to bring us from this lowly position to Premiership honours. We had faith in the team and knew we could win; the team remained constant and this gave it a chance to work as a team; and the marked improvement of players in vital positions were some of these factors.

The team's defence, suspect early because of players being selected out of position, was the most solid I have seen it for many years. It comprised Ron Payne - goal-keeper; Ken Wark and Jack Taylor - fullbacks; Paul Rogers, Victor Westacott and Len Needham - halves.

This season Ron Payne was the best 'keeper in Sydney hockey. Many of Ron's clearing kicks were passes to the forwards on the halfway line. His anticipation and agility saved many certain goals and won the applause of us all. Ken Wark is still the best full-back in Australia. His play was a model of consistency. Ken's mere presence on the field demoralises many of our opposing forwards. Jack Taylor, a bit scratchy earlier, really found his form. Jack has been a very consistent player over the years, but this, I think, was one of his best. He very convincingly gave the lie to those who thought he'd "had it".

Our half line was probably the smallest and youngest in First Grade Hockey. Paul Rogers, our right half, in all games gave of his best and is to be congratulated on winning the J.W. Taylor Cup. Victor Westacott, centre half, excelled. He gets better every year - his trapping and passing to his forwards left nothing to be desired and as a result a mighty lot of goals were scored. Len Needham, old "tantrums" himself, played left half. In many games he showed he is the equal of any half in Sydney. His ability is undoubted and when he relaxes and concentrates, I repeat, there is none better.

The forwards were Bob Fox, Harry Wark, Ray Thorpe, Frank Murray and Jim Grey.

Bob Fox, right wing, was a vastly improved player; countless times Bob put us on the attack and his passes across the centre gave us many goals. Harry Wark, inside right, played his best for many seasons. When Harry has the will to win the forward line works well. He has the ability to spread-eagle the defence with his fast take-off. This leaves the other forwards unmarked or with room to play - as a result, goals are scored. A fine year, Harry. It wasn't the last kick, was it?

First Grade (Contd.)

Ray Thorpe, centre forward, Captain of the team, was an inspiration to the team, scoring his usual quota of goals and is to be congratulated on a job well done. The father of the team was Frank Murray. He was just as solid as ever and sets a fine example to the younger players. This may have been Frank's swan-song, as it's rumoured he's taking up gardening. If so, Frank can retire with a fine record as he was a member of the First Grade Premiership side in 1940. Jim Grey, left wing, was having his first season with us. Jim gave us that quick thrust down the wing that we needed. Jim was never beaten. It must have been frustrating to his opposing halves to have Jim take the ball from them when they thought they had beaten him. A good season, Jim, keep it up.

While some of the above were away with the representative teams or on holidays we were helped out by Des Wise, an excellent hockey player and team man. Des played in any position selected and helped the Club a great deal. Others who helped us out were Jim Kenny, Bill Stubbs and Ben Dunne.

SECOND GRADE.

After being Minor Premiers we were defeated by St. George in the Grand Final 3 goals to 1. The side consisted mainly of young players with a few older players to give the side experience. After the promotion of a few players early, the team moulded into a fairly strong combination. The general team spirit was good except in one game, when two players had a misunderstanding, which resulted in one player leaving the field. This is something I hope never to see happen again in a Glebe side. Special mention must be given to Jimmy Kenny, on reaching 400 Club games.

The team consisted of the following players :

J. Kenny (goalkeeper) - Whatever I had to say about this grand old player has already been said, but thanks very much for your services, Jim.

G. Harris (right fullback) - After coming down from the firsts, played some really fine hockey; was outstanding in defence.

G. Griffiths (left fullback) - Playing only a few games last season, this player reached Second Grade and played good consistent hockey. One thing to remember is to play the ball and not the man.

J. Buckley (right half) - One of the experienced players who set a high standard for the younger ones to follow. Unfortunately missed the last few games through work.

Second Grade (Contd).

V. Halls (centre half)- Another of the experienced players who gave the best of his ability all the time; was always dangerous near the circle.

M. Jeffs (left half)- Captain- is to be congratulated on his leadership throughout the season. He set a very fine example both on and off the field - well done, Max.

B. Stubbs (right wing)- This player, after coming down from the Firsts, and a change of position, played some really excellent hockey in this position. Keep at it, Bill, and you could climb the ladder again.

P. Nilan (inside right)- This young player would be one of the most improved forwards in the Club. The feature of his play was his good positional play; with a bit more experience could go a long way.

J. Whittle (centre forward)- Played some really good games and was our leading goal scorer. The main thing to learn, John, is anticipation of what the other player is going to do.

J. Thompson (inside left)- Would have been the hardest worker in the forward line, but marred his good work by too much talking on the field.

A. Westacott (left wing)- After coming up through the grades, played some good hockey. One of the main things to learn is not to let your temperament get the better of you.

I also wish to thank the following players who played with us during the season: N. Walker, H. Wark, B. Dunne, R. Fox, D. West, R. Payne and D. Wise.

THIRD GRADE.

Early in the year it was evident that this team would reach great heights and in doing so, help to write another page in the Club's already great history. This was achieved by the players having confidence in themselves and as a team. On occasions the team played well below form, but for the greater part of the season, set a good standard in it's grade, which reached it's peak in the final. This team of mainly aged stayers (plus a dash of youth) once again proved that good team spirit and the will to win is part of the game of hockey; without these things our task would have been much harder.

The players are to be congratulated on their conduct, both on the field and off it. Each player realized he had a job to do for his Club and did just that with great satisfaction to all concerned; when a team pulls together the load is very much lighter and we found that so.

Third Grade (Contd).

Now a little about the players personally :

Bernie Watson (goals)- was with us most of the season and all will appreciate the good work he did in helping to keep the goals against to a minimum.

Keith Riley (right fullback)- has much ability and showed us plenty of it during the season; excellent in defence; good work, Keith.

John Waterson (Left fullback)- Captain of this team; one of the most enthusiastic captains we ever had, who doesn't know the meaning of defeat. He certainly pushed the boys along to success.

Fred Needham (Left half)- one of the "stayers" and hasn't forgotten all he learned about the game -good work, Fred.

Noel Walker (centre half)- Ever tried to run through a brick wall? -that's the job Noel's opponents had and none liked the job. An excellent job, Noel.

Harry Butler (right half)- One of the two outstanding players of the team - Nothing can be said of Harry that has not already been said. He is a player to build a team around.

George Collett (left wing)- Has plenty of speed and youth, with more experience should make his presence felt in the future.

Bob Needham (inside left)- Did a good job for his team, still has a few tricks up his sleeve, hope to see you score more goals again next year, Bob.

John Sutherland (centre forward)- also a "stayer", still able to outplay his rivals. Well, done, John, hope to see you with us next year; John is also the leading goal scorer in the team.

Bennett Dunne (inside right)- Youth plus vigour, able to show flashes of brilliant hockey- keep it up, Ben, and you could be with the "big boys" again.

Don West (right wing) has speed and youth on his side; there is nothing a few years of hockey won't fix. Work hard at your game, Don.

Two players were unfortunate not to be in the Final team; they were Don Graham and Fred Letts.

Don did very well for himself this year, and as the season progressed so his form (in hockey) improved.

Fred, just breaking into the big time, played well up to standard and is a player to keep an eye on in the future.

Other players in the team during the year were :

R. Payne-Scott, D. Robertson, P. Nilan, R. Cullen, L. Hackett, R. Callaghan, J. Buckley, J. Kenny and A. Westacott.

In closing, I would like to say, team spirit, such as was shown by each player, is a wonderful morale builder; each player personally did a great job for his team and the Club- you thoroughly earned your success - congratulations to you all and hope to have the pleasure of seeing you ready for the fireworks next year.

Third Grade (Contd).

On behalf of the team I would like to thank Tom Pearce, St. George Club, for the pleasant spread put on by them after the game; we appreciated it very much, Tom.

FOURTH GRADE.

This year 4th Grade played under the Minor "B" section and finished the season with a brilliant 6-0 win over Mesman in the final. After a very shaky start, the usual performance for this grade, the old and young players settled down into a formidable combination and played consistent hockey to be Minor Premiers with a clean margin. After being defeated by Gladesville just before the semi-final the team excelled itself to win the semi-final against Gladesville, after being down 2-0 at half-time. They then went on to win the final in fine style.

The team was capably led by Harry Wilson, whom anyone would think had played for the Indians - judging by that mustache.

Allan (The Keg) Halls assisted Harry as Vice-captain and inspired the team with his play in the final.

The following players played most of the games during the season :

Brian Burke - "The Happy Wanderer", played a consistent game and when he wasn't out on the side line was a tower of strength to the forwards. He was always there when needed.

R. Weeks - played late in the season but was a much needed asset.

D. Callaghan - our flying forward, scored many valuable goals.

J. Loder - one of the boys who should go to higher grade this year. This boy has got lots of speed.

L. Hackett - A shaky starter, but combined well with other forwards to help the team along.

A. Payne - a good trier but needs to devote more time to training; you'll notice the difference then.

R. Cullen - always a good utility player but does not concentrate; there must have been some good sort on the side-line; don't forget the other 10 men, Ron.

B. Angus - The red-haired terror did a fine job as goal-keeper and full back.

J. McPharland - A quiet reassuring type of player - was often heard saying "leave it go, Harry, she's right" - that's confidence for you.

Fourth Grade (Contd).

B. Watson, R. Payne-Scott, R. Brown, R. Phillips and B. Howie were other members who also helped this team to victory.

J U N I O R S.GLEBE POLICE BOYS U/14 Team.

The results of the season for this team were highly commendable. It is to be remembered that this team was almost entirely composed of new members except for about four former players.

The Captain was H. Wark junr., and the team consisted of the following players :

D. Grief,	T. Martin,	B. Sullivan,	D. Brown,
D. Lisk,	G. McKeen,	K. McKeen,	N. Pye,
C. Sheveller,	P. Pierce,	N. Parker,	McDonald,
F. Whiteman,	and	L. Bronker.	

This team was the zone winner and was undefeated in Competition games until beaten in the U/14 Sydney semi-finals.

The awards are as follows :

Best Back	-	<u>H. Wark junr.</u>
Best Half	-	<u>Dennis Link</u>
Best Forward	-	<u>Tony Martin</u>
and Most Improved Player	-	<u>Noel Pye</u>

GLEBE POLICE BOYS U/16 Team.

This team, captained by Graeme Gilmeur, can look back with pride on a season full of good games and all played in the right spirit, win, lose or draw.

Starting the season with a defeat at the hands of St. George, this team finished up, at the end, with the most competition points. Then in the final of the S.H.A. Competition they were defeated by another Glebe team - St. James.

Congratulations from the Police Boys to the winners.

The Police Boys team won the Sydney U/16 Carnival played at Centennial Park.

Juniors (Police Boys U/16..(Contd)

In the State Championship the team had two representatives : G. Gilmour (Fullback)  
R. Brown (Forward)

In the rep. game against Newcastle the team had four representatives : G. Gilmour (Fullback)  
R. Brown (Forward)  
W. Huppatz (Forward)  
D. Lisk (Half Back)

The following are the full team members who played for Police Boys and all are to be congratulated on their playing and behaviour for the 1958 Hockey Season :-

G. Gilmour (Captain),	A. McKeon (V.Capt),	J. Wright,
P. Russell,	P. Ross,	P. Harris,
B. Goodrick,	D. Link,	T. Martin,
F. Holliday,	A. McKeon,	D. Davis,
G. Swan,	R. Brown,	W. Huppatz, and
B. Sullivan.

To sum up, a good season by a good team, and all members are to be congratulated on a very fine performance.

ST. JAMES U/16 Team.

This last year, after being beaten on the post on numerous occasions, the Glebe Club, not only won the Zone Championships, but also the Sydney Championships. What was more remarkable was that the "Club" provided the two finalist teams ; Glebe Police Boys Club and St. James.

After winning the Zone Premiership, the Police Boys' Club appeared to have the Sydney honours "in the bag", but the outsiders in the field was the 2nd team in the zone, namely - St. James, for it was they who defeated the Police Boys 2 goals to nil in the final.

The final game developed into a real triumph for St. James, who, at one time had to win every game to reach the semi-finals, but once that feat was accomplished their enthusiasm and courage finally was rewarded.

Reg Homer (goals) - Considered to be one of the best, if not the best U/16 Goalie in Sydney. His presence in goals gave his team-mates a lot of confidence and so made all the difference to their plan of attack. If he stays with the Club, he could move very quickly through the ranks.

Ron Melville (Rt.Back) - One of the outstanding players in the U/16 division and one of the reasons for the Police Boys defeat. Ron has a great deal of natural talent and if he keeps his head and practices he will develop into an outstanding player.

Juniors (St. James U/16) (Contd)

Tony Thomas (L.Back), a stumbling block for many a forward. He is a player capable of competing with the best, provided he develops a little more "tiger" and decides to do a lot of practise developing his hockey skills.

McGregor (R.Half) moved from the inside right position to that of right half with positive results. It was one position in the team that needed strengthening and fortunately "Mac" filled the bill. He should also develop greater intensity of control of the ball and seek the needs of a good half on the field.

Peter Howe (C.Half). A really outstanding player, with almost a mature completeness in his play even at this stage of his career. Glebe can count itself fortunate to have this boy in the club.

Gavan Howe (L.Half), a brother to Peter, Gavan has played his part for a number of years now in helping to build the St. James Club into the winning combination it was last year. He should concentrate on improving his stickwork and positional play.

Vic. Owens (R.Wing) a stalwart of St. James for the last two years. Vic is one of the keen members of the Club, who turns up regularly each week and lends his valuable services to the side. He is much appreciated by the Club.

Brian Whitt (Inside R) A new member of the Club, whose untiring efforts scored, or resulted in being scored, many goals - a real forty minutes player. He should develop his stickwork more.

Harry Bell (Centre Forward) Another new member of the Club, and also a tireless worker. If the game was 90 minutes he would be still trying. A good team man to have in any side.

Brian Howe (Inside L) One of the most promising players in the Glebe Club - with proper coaching and placement he will develop into one of the best players Glebe has had.

All that is required to develop him into a complete player is the best experience available.

Neville Gardiner (L.Wing) Another forty minutes player who kept trying all the time. Often it was by his efforts the team scored a goal and if not the winning goal then one of them. He should study the positional side of his game a little more.

-----

With boys like those mentioned in this report and the winning U/16 Sydney Team (St. James) and the runners-up (Glebe Police Boys), there is no need for any doubts regarding the

FUTURE of the GLEBE HOCKEY CLUB.

CARNIVALS.

The two country carnivals we attend, Goulburn and Bathurst, again eluded our grasp. We travelled to both of these on the Saturday evening after the competition games. This was considered a rather good innovation as it would allow us to sleep longer on Sunday. However it also gave us time to imbibe longer and we needed to sleep longer.

For the first time Goulburn introduced a "Champion of Champions" division. This was a real step forward, particularly from the spectator's viewpoint. They saw first class hockey between evenly matched teams all day. Our congratulations to Goulburn. Let us hope the division is a permanent fixture.

At Bathurst we easily won our division only to lose, just as easily, the quarter final to St. Pats, Blue : 1-0.

The city carnivals, which are abundant, gave us better fortune. For the third year in succession we won St. George's carnival. Cremorne's 7-a-side saw us defeated in the final 3-0 by Stockton. They must have been used to our play as they played Glebe 2 in the quarter final, Glebe 3 in the semi-final and Glebe 1 in the final. This carnival has only been in existence for 3 years and we have won 2 of them and been runners up in the third. At Wests carnival we were successful, defeating the very good Bathurst Waratah team in the final. The tankards presented to each member we find, are very useful. A rather "cosmopolitan" crew had a very enjoyable day-and night- and in between managed to win Canterbury's Carnival. The only other carnival we attended was Moorebank's, in which St. George defeated us in the Final.

Carnival Record :

The Club won its first carnival in 1948. Since then we have won 20 major pennants and 3 minor.

DANCES : The dances proved to be a success by all that attended, but, unfortunately the attendances were very poor, particularly the presentation night. Why not try and make this year a real social year. By doing so you will be helping your club as well as enjoying yourself. However, financially, these dances proved quite successful.

We would like to thank Victor Westacott, Jack Taylor, and Len Needham for making themselves available to play at these functions. Thanks boys - without your music we couldn't have had these functions.

The ladies Committee would like to thank those who gave their support to the social functions held during the last season; also our appreciation to Molly Wark for making her home available for our meetings .

-----

Social News -1958 (Contd).

GOLF DAY - Once more this event was held at Wallacia. Twenty members took part in what was a "Hot" competition. The pace proved too "hot" for some, as they were burnt out by the ninth. The session at the local after was most enjoyable and happy affair. Two players -- Ken Wark and Ray Thorpe were joint winners.

-----

SMOKO- As we gain more experience we don't lose our "kegs" at these functions. Gone are the "good old days" when we helped ?? the keg along with salt or nails. Now the only complaint is that the breweries don't appear to be putting as much beer in them as they used to. A very good roll up soon disposed of the "ten". Catering for these functions has become a hit and miss affair as last year we had two tens and just managed to finish 1.

The Xmas raffle, run in conjunction with the Smoko, was a financial success. Our thanks go to the many members and friends who helped to make it so.

-----

PICNIC - A very pleasant day was spent at Clifton Gardens by the few 'old faithfuls' who attended. These social functions are for every Club Member - so don't be shy - come along, bring your friends and enjoy yourselves with your Club.

-----

BARBECUE - Our sincere thanks to Mr. and Mrs. K. Wark for the use of their home and "Barbecue", for this function, which was very successful and which financially aided the Club to give subsidies to our touring players. Also under this heading comes a Raffle for an Electric Radiator, organized by Paul Rogers.

-----

N.S.W. COUNTRY CARNIVAL - Once more we had the catering rights for this Carnival, but unfortunately rain washed out our Monday's play and also practically washed out our Bank Balance. In previous years this venture has brought in quite a few pounds and kept us very solvent. We estimate the loss of Monday cost us £150. A sad loss indeed.

We would like to express our thanks to all Club members and friends who helped us with the catering and stalls.

-----  
In conclusion, the Management Committee desire to place on record their appreciation of the splendid work performed by the various officers, sub-committees and team secretaries.
