GENTLEMEN,

It is with great pleasure that I present to you, for your consideration and adoption, the 33rd Annual Report and Financial Statement of the Glebe District Hockey Club.

Once again it is pleasing to be able to say your Club has enjoyed a very successful year on the field. As you will see your 1st Grade managed to make it their fourth successive competition win; 2nd Grade their second successive undefeated season; our 3rd Grade were Minor Premiers and lost only one game, the one that counted, the Grand Final and the 4th Grade was defeated in the Final. So you can see your Club is still the leading Club in Sydney. I would like you to remember Gentlemen, being the leading Club in Sydney carries with it certain obligations and amongst them is the fact we should set an example to other Clubs, not only an example of playing ability and club spirit but one of sportsmanship both on and off the field. With this in mind I feel we should try to control our supporters a little more, particularly in our "at home fixtures". If we can do this then we can really say, and proudly so, we are the leading Club in Sydney.

Financially your Club would have had a good year had all unfinancial members paid their fees but whilst you can afford to carry such a list we cannot make headway. I feel something must be done about these people in the coming year.

Socially it has been our biggest year yet - as you know your Club entertained and played the leading Brisbane Hockey Club "VALLEY" last Easter and in turn we have been invited to visit them this Easter. A Touring Committee was set up and they have been working very hard to make this a memorable trip for those who are able to take part.

I feel I should mention the fact that your Club is taking an active part in helping with the running of the Sydney Hockey Association. We have Mr. Ray Thorpe, in the position of Deputy President, Mr. Russ Nicholls is the Secretary, Mr. R. Payne-Scott, Hon. Auditor, Mr. Joe Krepp is on the Judiciary Committee, Mr. Des Wise is a Senior Selector, Mr. Vic Westacott is a Junior Selector, as well as other members on various committees, so you can see we are doing our bit to help.

In conclusion Gentlemen, I would like to take this opportunity of thanking the Members of the Management Committee and other Office Bearers for the effort they have put into the Club during the past year and also wish you every success in the coming season.

K. DICKEY.
PRESIDENT.

CLUB CAPTAIN'S REPORT :

The season "began" about the 3rd Sunday in January when the Club had entered a team for the pre-season competition.

The majority of the players that played in this comp., plus a few keen Club Members trained and/or practised at Wentworth Park, which proved to be of value as you no doubt know Glebe District Hockey Club won the "Bisley Shield."

As the season progressed the Wednesday night training (under supervision) became a habit for some and an hinderence for others, who were just too lazy to make an effort. Although I feel it was the fittest season the Club has had for a long time.

I feel if every member wants to be fair to his fellow Club members, he has to make a genuine effort in everything he does, whether it be in training, a game, Club activities, (social etc.). Yet every year you only get a handful of members who are willing to give a bit of time towards the Club.

The G.D.H.C. JUNIOR teams in 1965 numbered about 2½ (28 players) all keen youngsters willing to learn and play Hockey. Where are all these players (so conversed and keen on the game) that Glebe has won so many premierships with, I think I saw about two constant (male) in all the Saturday mornings of the competition (V. Westacott and R. Brown.)

I suppose not many of you know of the terrific job Molly Wark did during the season, because you were not there to see it, (yes you).

Surely you all cannot be serious about this.

To the drivers who provided transport for the two Junior Carnivals and also for the Victorian Junior Team during the Australian Carnival a good effort.

Last but by no means least the Club was visited by the Valley Club, Brisbane over the Easter Week-End, billets were provided for about 24 players.

The Club put up a good performance, 2nd Grade had a comfortable win 3-0 while 1st Grade got home 2-1 a great week-end was had by all and we hope our stay over the Easter Week-End this year will be as good and victorious as last year.

Congratulations to all winning Valley Teams.

Congratulations to all Glebe players and players in winning teams. Let us all look forward to a bigger and better season in 1966.

P.J.NILAN.

1st GRADE REPORT :

Congratulations to all players and reserves who figured in 1st Grades 4th successive premiership win.

Judging by the result of the pre-season final, a 4-0 win over West, there seemed no doubt as to who had first claim for the 1965 premiership.

Dave Stevens our "import" from Cairns came into the firing line and the team registered some good wins early in the season. But it was bound to happen as in previous seasons, the team getting "sluggish" in the mid season, not scoring many goals, but thanks to the tightness of the defence not conceding any.

When the pressure was really on (as in the Grand Final) the team work and team spirit pulled us through with flying colours.

Although beaten twice the team really deserved its win with an average of 64 goals for and 9 against, with a 4 point premiership lead.

There were some good individual performances particularly from Ken Wark, whom a lot (the opposition) thought was finished, but the effort and determination he showed must have been an inspiration to all the younger members of the Club.

We all hope to see him running around again next season.

Some of the team had bad games, (better not mentioned) lets hope for a brighter year in 66.

To Denis Liske congratulations for making Sydney 1st'a.

2nd GRADE REPORT :

1965 p5

Once again the Globe 2nd Grade has proved victorious, making it two in a row. This year the team was undefeated scoring 64 goals for and having only a moderate 6 goals against. This average was unparalleled by any other team in the Sydney Grade Competition.

A strong defence was the feature of the teams play throughout the season, although the forwards compiled creditable goals. Ryde our arch rivals for many seasons and also our grand final opponents this year did not seem to be able to penetrate this defence, nor did they show enough tenacity in defence to contain our lively forwards, on all of the four occasions on which we met.

Much of the success must be owed to the great team spirit showed throughout the season, this enabled the team to fight back from grim situations. A great deal of the teams success must be accredited to the Captain, Harry Wark Snr. who lead the side intelligently, always able to derive the utmost from his players.

On occasions this side produced some copybook hockey, but was rarely fully extended which explains the mediocre performances sometimes exhibited. The side also acted as a reservious of talent on which the first eleven could and did draw. Always the replacements supplied were of high calibre which helped maintain the record of the first eleven.

Kevin Doyle and Marvin Heaston are players deserving of special mention for the way in which they adopted themselves to the teams style of play in such a short space of time after being promoted from the 3rds.

Congratulations to Ryde on winning their 3rd successive 3rd Grade Premiership.

After being minor premiers Glebe defeated Ryde 3-1 in the semi-finals only to be defeated by the same Club in the Grand Finals - 2 Nil --.

Early in the season this team moulded into a strong combination but soon became unsettled when players were promoted to a higher grade or injured. Unfortunately selected replacements were those considered expendable in the 4th Grade side. Although this team accomodated more players than any other grade throughout the season their first defeat was in the Grand Final. For this game 3rd Grade ran onto the field completely disorganised and were beaten by the better team on the day.

Throughout the season 3rd grade were fortunate to obtain the services of some talented players capable of producing outstanding hockey as indicated hereon.

- J. KREPP An experienced Goal Keeper who made many fine saves throughout the season. Keep up the good work Joe.
- M. HEASTON Midway through the season Marvin was promoted to 2nd Grade where he acquitted himself well. Marvin was voted the most improved colt in the Club and if he retains his present keenness is sure to consolodate a future worthy of further honour.
- B. GOODRICK Barry was responsible for many outstanding defensive performances during the season. He was a tower of strength to the side and was unfortunate not to have played more games in higher grades.
- K. WEEKES Kevin at all times tried his hardest and indicated his worth by his excellent trapping and ball distribution.
- F. LETTS A steady player who always gave his best. Has shown a lot of ability in past seasons and with conscientious adaptation Fred should rise to greater height.
- P. CUNNEEN A Newcomer to the game who always tries hard. With further experience and tuition Paul is sure to improve much more.
- P. HOWE Has a lot of natural ability as indicated by his masterful control and ball distribution from the centre. If Peter considers to train more often his future in the game has bright prospects.
- R. HALL Ron's consistent ball distribution from the right flank enabled many goal scoring opportunities. Ron is destined to become a major threat to members in senior positions if he continues to display his present keenness and rate of improvement.

- S. SINGH Captured the admiration of both players and spectators alike by his consistent display and general demeanour. Sam should further his progress in the game by adopting more aggression in the circle.
- A. MORLEY Tony has a lot of potential but unfortunately his progress was disrupted by injuries at an opportune time. He blended in well with the No. 1 Team which won the St. George Carnival. Although very fit and forceful he must concentrate on the finer points of the game to gain a permanent berth in our 1st Grade side.
- P. KREPP Has the attributes to become a good player but Peter must develop more fire to extend these qualities to their fullest.
- J. THOMSON Appears to be keener than ever as he amassed 30 grade games during the season. Although required to play various positions Jack acquitted himself well on each occasion.
- D. GREEN Another newcomer to the game who gave his best at all times. Dave should continue his rate of improvement with further experience and tuition.
- R. THORPE Played his 1st and only game for the season against Ryde in the semis. In this game Ray showed that he has retained his goal scoring ability by scoring 3 great goals.
- B. HOWE Proud to have been associated with such a fine team. Carried out his capacity to control the team as a team to the best of his ability.

Others who also played in 3rd Grade during the season were:- J. Devon, R. Croker, N. Irvine, G. Hulme, H. Sharpe, D. Fishenden, J. Kenny, F. Holliday, G. Gale, P. Huppertz, K. Doyle, M. Howe, H. Wark (Jnr), R. Brown, David Liske, V. Westacott, B. Williams, D. Brown.

This season 4th Grade finished 3rd, after loosing to Northern Districts 1-0 in the Final.

Though not winning the premiership, we had a successful season out of the matches we lost, we had only two defeats by more than one goal.

A note-worthy feature of the team was their interest in Club affairs. There was always above average attendance at training, carnivals and functions.

Throughout the season we had many changes of fortune. Being in the first four for half the season and then, midway through the second round, we dropped back and until the last match we were out of the first four. It was only through each player showing a good "team spirit" that we made the semis. Our semi-final was against St. George, who had defeated us once this year and in the Grand Final in 1963, we were able to beat them 1-0 by a good team effort.

In the final against Northern Districts we weren't so fortunate, after an even first half they scored a good goal half-way through the second half. Thus ending our chances for 1965.

Reflecting over the season we can recall many fine efforts and everyone doing his best. What we lacked was a high degree of teamwork and we are looking forward to the 1966 season to develop this and win the Premiership.

THE PLAYERS :-

COLIN BROWN

Was our "Goalie" and through his efforts we were able to make the semis.

DENNIS BROWN

Played inside right. A fiery player who scored many match winning goals.

JOHN CAMERON

Played left wing. He used his speed and was a constant threat to the opposition.

PAUL CUNNEEN

Played in the halves. He was always trying and showed considerable improvement as the season progressed.

DARRELL FISHERDEN

Played centre-half. He was the pivot of the team. He both supported and defended very well. A very versatile player.

DAVID GREEN

Played in the forwards and halves. He was a consistant player and was always trying.

GRAHAM GALE

Played inside-left and left wing. He was a fast forward and scored many fine goals.

FOURTH GRADE - CON'T :-

- G. HULME Played full-back. He was a solid defender with plenty of fire and with Barry Williams made it hard for the attacking forwards.
- PETER HUPPATZ Played in the halves and was solid in defence. He played some very good games.
- MICHAEL LETTS Played in the forwards and halves.
- GRAHAM LISKE Played in the halves and shows promise for the future.
- HARVEY SHARPE Played right wing. A number of matches were won by his fine centres.
- ALLAN WESTACOTT Played centre forward. He scored many goals from powerful hits and spear-headed our attack.
- BARRY WILLIAMS Played full-back. Very reliable in defence and a good team member.
- FRANK WRIGHTMAN Played in the halves. He was a very strong defender.

The Glebe Club fielded three Junior teams in the 1965 season. The two teams, Glebe and Forrest Lodge played in the Zone 5 Competition against the Randwick Club. Both teams failed to win a game in this Competition due to the age group of the Randwick players, the average age of the Randwick players was about 15, whilst the Glebe boys' age averaged 13. This was proved in both St. George and Cumberland Carnivals and also the Sydney Competition. This season was not a good one for the Glebe Club as we were a team down on last years Competition.

More Seniors became interested this season and if they stay interested we will definately meet the requirements of the Sydney Hockey Association next year. A Junior Guessing Competition was conducted for the first time and thirty pounds was raised, this was required to purchase two dozen shirts.

During the Australian Junior Championships, Glebe had the pleasure of entertaining the Victorian team for a day which we spent on a tour of the Sydney area. Each member of the team was given 10/- for their lunch which was at Newport.

In conclusion I wish to thank the Executive of the Sydney Junior Hockey Association for all their co-operation and guidance during the past season and the N.S.W.J.H.A. on the success of the Australian Championships.

R.BROWN.
Junior Committee.

The 1965 season will be memorable for most of us because of several happenings viz:-

- 1) For the first time ever in Sydney a pre-season Hockey Competition was conducted bringing Hockey in line with other Major Sports.

Glebe by playing in the Final for the Smart looking Bisley Shield also had the priveledge of appearing on television. History was created in Sydney Club Competition when the final was Televised "live" by ABN Channel 2. The following 17 players represented the Club :-

1965 p 11

- 2) We hosted 2 teams and Officials from the Valley Club, during the Easter Vacation and this was the first visit ever by a Brisbane Hockey Club in Sydney.

Many thanks to all those members and their parents who provided billets for the visitors.

That week-end will long be remembered and I'm sure we are looking forward to renewing acquaintances.

To refresh your memory here is a report on the Valley Club visit as compiled by R. Nicholls :-

Over the Easter period of the 1965 season, our Club had the honour and privilege of being host to 2 teams from Valley. This was the first time that a Queensland Club team had travelled to Sydney to play Hockey.

The Valley teams under the guidance of their two managers Messrs. H. Spice and G. Horn arrived at Central Station on Good Friday at 8.30am. Approximately 15 members of the Glebe Club were at the station to greet them and after introductions the visitors went home with their billets to freshen up before attending a welcoming get together in the Glebe Club Room in the afternoon.

Our President Mr. K. Dickey and Club Captain Pat. Nilan both spoke in welcoming the visitors and hoping that they would have a weekend to remember. Mr. Spice and Col Dean (Valley No. 1 Captain) both replied in thanking Glebe Officials and hoped that this fixture would be an Annual event.

After all the refreshments and food had been demolished and all speeches had been said, many of the visitors were shown their first real look at Sydney by night.

Saturday morning both Col. Dean and Pat. Nilan spoke on "Tiger Blacks" Sports Session on 2KY regarding the visit.

Saturday Evening (after our sound defeat over Northern Districts in all Grades) a barbecue was held at the Club Room. This night was a high success with everybody enjoying themselves greatly.

On Sunday morning many of the Valley continued on more sight seeing regardless of their "hangovers" from their previous night.

In the afternoon the matches everyone had been waiting for were played at Roseberry Park. In the First Grade game we saw our No. 1 team play some of their best hockey in defeating the Valley No. 1 team 2 goals to 1. It was thought by many observers that the Valley side was unlucky to lose as their teamwork was something not seen before in Sydney by a Club side.

Our second team defeated the Visitors No. 2 side 3 goals to nil. The field was not in the best of condition and our players were getting used to rough grounds as the visitors had a hard time handling same.

Sunday evening we entertained the visitors at the Drummoyne Sailing Club. After having their first fling (and I think last) on the one armed bandits everyone had themselves a night of plenty (of everything).

On the final day (Monday) the Valleys' two teams along with our own two teams, played in the St. George Carnival. Both Valley sides performed very well with the eventual winners (our No. 1 team) defeating Valley No. 1. in the Finals 1 goal to nil.

In reports received from the Valley Club it is seen that they had a week-end of unforgettable moments.

The friendships and new friends made from this visit were many and it is felt by most members that this friendly bond between these two clubs must be encouraged with return visits by both Clubs.

May every Management Committee of this Club do everything in their power to keep this week-end as an Annual Event between these two Clubs.

3) During the Season, a Touring Committee was formed with the express purpose of raising funds for our Club's visit to Brisbane at Easter.

This Committee organized many Social outings during the off season and is also responsible for the "modernisation" and "interior decorating" of the Club room.

On behalf of all Club members I wish to thank the Committee for their tireless efforts and persevering with the project.

A report from the Touring Committee reads :-

I have been asked to pen a report on behalf of the Glebe Touring Committee. This Touring Committee was formed prior to the 1965 Grand Final to raise money enabling 2 (two) Teams from Glebe to travel to Brisbane at Easter in 1966 to play the Valley Club.

The Committee formed for the Touring Committee are as follows:-

R. Thorpe, V. Westacott, P. Nilan, G. Gilmore, R. Nicholls.

Up to the end of 1965 (the time of writing this report) the amount of money raised by this Committee is approximately the amount we had expected when planning fund raising efforts.

The weekly Lottery numbers arranged by the Committee have been very successful as each week we have money coming in to the Club.

It has been disappointing to the Committee as we have found through many functions arranged, that Club members expect a certain few to do all the work.

ATTENDANCE AT CLUB FUNCTIONS BY CLUB MEMBERS HAS BEEN DISGRACEFUL.

Although there is now law stating they have to attend these functions it was thought at the beginning everybody would pull their weight slightly letting the Glebe Club know they are interested in going to Brisbane all expenses paid.

After holding about 8 functions the Committee have a very good idea who the members are who think of the Club in the off season.

All Club members should realize that all moneys exceeding the amount needed for the Brisbane trip will be used by the Club for the good of the Club members.

The Committee have improved the look of the Club Room with the addition of a stage, tiles on the bar, a small dressing room plus many other new items.

Each Wednesday night the Club room has been open so as the members can get together for a game of table-tennis, cards, darts or a refreshment. This night is always ready when the members get there due to the hard work done by G. Gilmore, and B. Williams. Gilly does a lot of work on Wednesday night and is one Club member that carries others.

Vic Westacott, P. Nilan, R. Thorpe, R. Nicholls are spending a lot of their time on this fund raising and it is felt that some members couldn't care less - These couldn't care less members are the one's attending Functions and letting the other Club members Finance their own Brisbane trip.

A special mention must be made of D. Brown, C. Brown, J. Cameron, P. Krepp, G. Harris who have gave a lot of their time helping the Touring Committee.

One helper I have not mentioned as yet is someone who isn't even a Club member and is always there when we are in need of help. This person is Billy Wallace. Our thanks Bill for all your help and I hope that we see much more of you in the Glebe Club.

In concluding this report I must state that this report has been mild to what I had previously planned to write. I have learnt over the past few months that 60% of Glebe members do not read circulars.

I do hope that when the Final report of the Touring Committee is presented to the Glebe Management Committee it is much different to this. We will know between the Christmas season and Easter what will be written in the Final Report.

Russ Nicholls.
Touring Secretary.

In the North Sydney 7-a-side Carnival, our No. 2 Team entered the Final of the Minor Division through sufferance and had to be content with being runners-up.

CARNIVAL RECORD :-

1965 - St. George.

ANNUAL CABARET :

Once again the Club's Annual Cabaret was held at the popular Dobroyd Aquatic Club. Despite much "Advertising", I am sorry to say the occasion was not fully patronised and we were just able to keep our heads above water.

PICNIC : Held on 19th September, 1965.

The Scene - Warragamba Dam Picnic Area
Weather - Beautiful for everyone
Food - Your own cans and steak - Not Harrys -
Sports - For all ages and gender
Crowd - Disappointing
Chatter - About 35 persons had an enjoyable day.

ANNUAL SMOKO :-

No raffle was conducted as in previous years, instead a nominal fee of 10/- per member was charged. It was thought that this will be popular with members, a cheap night without hawking of raffle tickets but, alas ! there was only 22 members present.

Those lucky members got their money's worth of liquid plus extra dishes of tasty Curried prawns and rice and enjoyed themselves for hours.

Each year members of the Club have the opportunity of being selected in many of the Representative Teams. These range from Sydney Under 13 up to the highest of all AUSTRALIAN XI.

CLUB TROPHIES

1965 p 16

The Club has three trophies that are competed for each year. Trophy winners are selected by the Management Committee at the conclusion of each season.

W. J. TAYLOR CUP :

This trophy was first competed for in 1941. It was donated by W.J. Taylor who at the time was Patron of the Club.

The award was originally "FOR THE MOST IMPROVED PLAYER". However, since 1954 the wording has been altered to "THE CLUB MEMBER WHO HAS SET THE BEST EXAMPLE BY CONSISTENT PLAY AND GENERAL DEMEANOR."

This change came about because it was condiered that the original wording excluded many senior members.

This year the W.J. Taylor trophy was awarded to Graham Gilmour, and with it our congratulations - Players in all grades are considered for this trophy and I must mention that a 3rd and 4th Grader were possibilities.

W. J. OLDFIELD CUP :

Like the W.J. Taylor Cup this was first competed for in 1941. It was presented by W.J. Oldfield, the Former Australian Wicketkeeper. It was awarded to the Colt (Under 21) who had been adjudged "THE MOST IMPROVED AND BEST BEHAVED JUN IOR DURING THE SEASON."

The Cup was named after Vern Turner in appreciation for his work with the Juniors. Vern was an outstanding player and an equally outstanding Coach. He first started playing with the Club in 1942 on the left wing and went straight into 1st Grade. He played 261 games and scored 84 Goals. His ambition to Coach a Winning Under 16 side wasn't fulfilled as he left the Club in 1957. The next year, 1958 saw two of the teams he had coached play out the Final.

1 Minor C Premiership.

The Club first commenced playing Hockey in 1931. At that time it wasn't a District Club nor was it known as Glebe. All that was to come later. We began as a single team, St. James, and entered in the 3rd Grade competition of the Old Metropolitan Hockey Association. That very first team won the first competition we entered. Since 1931 we have won :-

CLUB CHAMPIONSHIPS :

The Brian Halse Memorial Trophy for the champion Club was first competed for in 1948. From a Club point of view we value this trophy more because it means that all grades in the Club are playing good consistent Hockey. The trophy is decided on the points gained by 1st, 2nd, 3rd Grade multiplied by 3, 2, 1 respectively. Glebe was again successful in winning the trophy :-

1948	Glebe	1957	St. George
1949	Glebe	1958	Glebe
1950	Glebe	1959	St. George
1951	Glebe	1960	St. George
1952	Glebe	1961	Glebe
1953	Glebe	1962	Glebe
1954	Ryde	1963	Ryde
1955	Ryde	1964	Glebe
1956	Glebe and Ryde	1965	Glebe.

Glebe was again successful in winning the trophy by the large margin of 62 points. The points rewarded are as follows :-

Glebe	321 points	Randwick	134 points
Ryde	259 "	Nth. Districts	- 127 points
St. George	228 points	West.	121 points
Moorebank	169 points	N.S.W. University	- 104 points.

OUR THANKS TO :

City Council and its officers for the help extended us throughout the season.

CONGRATULATIONS also to Pat Nilan on his Selection once again in the Australian Team that played New Zealand.

APPRECIATION :-

For what a good Club man Billy Stubbs is - at a crucial moment.

The Boys on the Tanning Committee who have performed very well and have given a lot of their time towards the Brisbane Tour, deserve praise and I'm sure everybody going on the Tour will like to say - Thank You.

My sincere thanks to Paul Rogers and his wife Pat for their constant and most needed help given me from time to time.

A Bouquet to Carole and Fred Letts for their unselfish help in the preparation of this report.

Finally I wish to thank to Management Committee for their Co-Operation throughout the year and everybody else who felt they had helped the Club even in some small way.

THOUGHT ;

This year the Club accumulated 17 unfinancial members with fees amounting to £50.0.0.

What would happen if more players wanted to play and not pay ?
