Graeme Gilmour

Gentlemen, I have pleasure in presenting the 53rd Annual Report and Balance Sheet to you for the 1983 season. Contrary to a lot of gossip, the Club has had a very good year, both playing wise and financially.

The Twilight Competition was again the start to the year, with the Club fielding three teams and although for the first year the Club didn't win, all teams performed well.

As for the competition, I consider that the teams performed very, very well indeed. Of the nine teams entered only two missed out on a Semi-final match. That in itself is a very good performance. I think however, special mention should be made to second division who this year played in Premier "B" and only missed the semi's by the odd point, a really fine effort. This year saw us enter once again a 7th Grade side, or as they are now known as the "Savage Seventh's". As we are all aware they took out the Premiership and to captain, John Howe and all the team our congratulations.

Now to Premier "A". Once again the Under 17's played in Premier "A" and for the second year in a row they've taken out the Premiership. I think that the Grand Final was a really first class game and there were some really good performances turned in. This win is even better when you look at the number of U15 players in the side. To coach, Harry Wark Snr., Captain, Craig Schubert and all the team well done and congratulations.

This year saw Pat Nilan A.O.M., appointed Captain Coach of 3rd Grade. Pat took on the job of looking after the younger fellows in the Club and the improvement they showed through the year is a credit to Pat. Had they had a little more luck in the Final, I'm sure the result would have been a lot different. Nevertheless, a fine effort. While we have young players like these and the fellows in the U17's playing so well things still look good for the future and while we have people like Pat & Harry putting something back, their looking even brighter. Thanks a lot and well done.

Next to 2nd Grade. Coming up to the last couple of games, Kevin's men did not look like even making the semi's, but some good old fashioned guts and determination saw them through to the final, but unfortunately, like 3rd Grade luck evaded them and both teams after all extra time, lost their games on competition points. Not much of a way to lose, but at least we can say we couldn't be beaten. I might add that I don't think it's much of a way to win either, and as one member put it, it's pretty tough to have two sides in the final, not lose a game and still not be able to win. But to you Kevin and your team thank you and well done.

If ever a team put in an effort to win a Premiership I would have to say that 1st Grade did. There have been very few 1st Grade teams, or other grades for that matter, that I can remember, put so much time in at training to try to win. As was said about other grades that things were looking good, I think that if you look at the young talent in this team, that they will win a lot more than they will lose. Some silly basic errors in matches that the team should have won comfortably saw them either lose or draw, but a little bit of luck fell their way and saw them make a spot in the semi's. So they made the Grand Final the hard way, but unfortunately UNI were just too good on the day. I would like to thank all players for their fighting effort and to Bill Stubbs and Ian Mutton thank you for all your hard work and time. Before finishing 1st Grade I would like to thank Geoff Patterson, Captain. I just hope that you young fellows can learn from Geoff and set as good an example that he does in all areas.

1983 - p 4

Once again the Veterans, and a special thank you to Peter Howe for all his work. For the second year in a row they were beaten in the Grand Final, but all players played well and I think that it would be good for a lot of players to try and get some of the good team spirit that this team has. Well done Peter and the team a really good effort.

JUNIORS

This year it was good to see some new faces taking care of the youngsters in the Club namely, Pat Diviney, Phillip Dennis and Jamie Howe. This year also saw a change in age groups to U11, U13, and U15. We fielded four junior teams, of these, all but our littlest side made the finals. The only winners this year were the U15's coached by Col Brown, a really good effort. Congratulations Col, to you and the boys on your fine win. All the other teams as usual played in the Glebe traditions and were at all times a credit to the Club. To Les Wark U13, Pat Diviney U11 #1, Phillip Dennis and Jamie Howe U11 #2 and again to Col Brown thank you for all your hard work. If we had a few more like you things would be a lot easier. Finally to Warren Dell and Peter Holmes, a big thanks for a big job, we hope that you're there for a while to come, and to all the other members and parents that helped, thank you.

FEDERAL PARK

Once again countless hours are spent on Federal Park by young Ken Wark Snr. Over the years there have been countless requests for members to go over and help Ken with the ground, but for very little response. It's normally the same old handful that help and it's the same Ken that goes around picking up the rubbish and all the tape that the players just throw down when they come off the field. Come on fellows - what about it! Let's get off our butts and give a hand. Either you want Federal Park or you don't, I think we do, but not at the expense of Ken working his guts out, so let's get over and help.

FINANCE

Well I'm sure that when everyone reads the Financial Report this year that all will have a pleasant response. To come from approximately a \$1400 deficit to a \$6200 profit is just fantastic. What a tremendous job Keith Kipp has done this year with the finances. To you Keith, I would like to thank you very much and the Club owes you a tremendous vote of thanks and I'm sure you will agree also that your assistant this year Arthur Moir did a mighty job. So to you two, from myself and all the Club a huge thank you.

REPRESENTATIVES

I'm not going to dwell at large on all the representatives of the Club this year as they probably will be covered in the reports but the Club once again was well represented from the juniors to the seniors. The highlights being, another State Captain - Graig Stubbs and the outstanding performance of Ken Wark Junior the senior team and Colin Rochester and Stephen Dunn in the juniors. To all representatives well done.

CLUB

So hopefully you've read this report to this point. So where are we to this point? We've had great results on the field, we've had great results off the field. But have we?

Last year to get people to help out with the juniors we had a roster under suspension - worked great. This year we rostered all the teams for one day with no suspension. The result - very ordinary. Some teams had one or two, some five or six, the best being 3rd Grade by far and 1st Grade the second time around. Surely this Club has gone further now than having to put a suspension on players to get something done.

Once again the Toxteth Hotel raffles were a success, but as normal the same few people turned up to help and to those that did thank you very much. This is just another example of people being prepared to accept the benefits but not the work. Also this year saw Frank Whiteman do a tremendous job on the 1000 Club. Although all the tickets were not sold, the profit made was great and to you Frank, thanks from all. While we're talking about the Toxteth, I would also like to thank Bill Murphy for his continued sponsorship.

I would like to thank the Management for their efforts this year, particularly Danny O'Brien, Keith Kipp and Les Wark. Also to their wives and girl friends for supporting them, not forgetting our Records Officer, Joyce Wark, thank you. I do think however, that we do have to work harder in the areas of socials and communication.

Before closing on behalf of the Management Committee and Club I would like to thank Rothmans of Pall Mall (Australia) Limited for donating the cost of printing this Annual Report.

Finally to all the members, both on and off the field, thank you for your support throughout the year and to all members, their wives and families, on behalf of the Management Committee, I would like to wish you a very Merry Christmas and a Happy and Prosperous New Year.

GRAEME GILMOUR

PRESIDENT

HONARARY SECRETARY'S REPORT 1983

Well 1983 has been an up and down year for myself and the Club. The administration this year came up with some new innovations which were of great success and continued with some ideas established last year.

One to mention was the success of the 1000 Club. This is a year where random breath testing was initiated and helped the Club to make some money where it seemed we wouldn't because of the fall off in our liquor sales.

We also had the continuation of the team roster which helps the Club in not only getting the grounds ready and helping with the juniors of a morning but also brings a bit of community spirit within the Club ranks and shows a uniformed approach to everybody getting in and doing their bit.

This has been a continuous problem with our Club in the last few years and it has been a disappointing feature. However, if we can continue to foster such ideas as the team roster then I feel that the little bit of effort that will be required will be beneficial to you the member and the Hockey Club.

The committee this year has been very busy trying to give you the best that they had to offer and to those guys who put the effort in to stand for election and do their best I congratulate you.

One must remember the problems that were evident in 1983 and there was one in particular which is of concern to me and my fellow committee members. All year the Club suffered through a lack of communication from the committee to the rest of you. The continuous conveying of information to the players is essential from the committee's point of view and unfortunately we were unable to fulfil our obligation in this regard.

There were several factors and there is no point in criticising any particular person but rather analyse why the problem exists. One factor which is very evident is that with the circulars it is very hard for people who work to be able to arrange for the printing and then the posting of circulars in a part-time situation efficiently.

This job needs to be done by either a group of persons even if a communications committee of 2-3 people is formed or if one person is to be responsible then I feel it should be someone who doesn't work or works only a nominal amount of hours per week. Food for thought! Well it couldn't do any harm.

My year 1983 had its many frustrations and disappointments. The frustration I suffered was from the things I wanted to do as Secretary but due to time factors was unable to do. I know that I have let you the members down in many areas and my fellow members of the committee and I realise that I couldn't continue with this job next year with the enforced changes that have occurred which have affected my lifestyle. To all who gave me support I thank you.

The disappointments came from the lack of response in many areas that you the members failed to show enthusiasm and a willingness to be involved in Club affairs. Examples are with socials, helping of juniors and generally in participation in Club affairs.

In closing I would like to congratulate the people who involved themselves with the running of the Club, the coaches of all the various teams, the parents who helped with the juniors and the committee and I echo the thoughts of many by quoting a well known proverb, "MANY HANDS MAKE LIGHT WORK".

Merry Christmans and Happy New Year.

HON. SECRETARY

1983 - p 8
TREASURERS REPORT AS AT 30TH SEPTEMBER, 1983

GLEBE DISTRICT HOCKEY CLUB

Gentlemen,

I present for your information the Treasurers Report of your club for the 53rd Annual Report.

The G.D.H.C. as at the date of the report has 16 life members, 90 playing members and 36 social members, all of whom were issued with distinctive club membership badges during the year.

The surplus of \$6,180 for the year, whilst generally satisfactory, reveals that there are still some financial areas, mainly in Bar Trading, that could be improved and these will be mentioned later in the report.

The major financial supporter of the club during the season was the Toxteth Hotel and members should show their appreciation of the \$1,000 Toxteth sponsorship by return patronage, whenever possible, at our "other clubhouse".

In addition, another \$4,045 was raised at the Toxteth with the meat raffles and our appreciation is due to the patrons of the Toxteth for their support, and Graeme Gilmour in particular for the effort he puts in week by week in organising the raffles.

The major fund raiser for the year was the 1000 Club Raffle which raised \$4,369. Thanks mainly to the effort of Frank Whiteman (and Garry Wark who took over when Frank took his Auditing and Financial talents to the Deep North!) There were 672 fully paid and 62 partly paid tickets sold and my thanks to all members who actively supported our most ambitious fund raising effort. As well as the first and second prizes, 141 daily prizes were paid.

Social and Carnival activities during the year were very quiet with the main losses being the 1982 SHA Ball and Twilight carnival.

Bar Trading, whilst substantially improved on last year, did not achieve its true potential on margins. This is attributed to inadequate stock control and the necessity to nominate "volunteers" to run the bar and canteen under the duty roster system. However, a much improved effort and my thanks to Tom Casey, Jim Warwick and Bill Greaves for their effort in achieving this.

Equipment trading on resale showed a \$353 surplus whilst Kichers, pads and balls cost the club \$961. My thanks to Peter Holmes (when I could get him between his teaching and real estate development duties).

Major playing costs were SHA Affiliation (\$2,833), 1983 Presentation Night (\$415), Trophies (\$580) and Ground rents (\$310). Major Junior costs were the 1982 Presentation Day (\$688) and equipment (\$568). Representative allowances were Senior \$400 and Junior \$1,244.

Major administration costs were Insurance (\$518), Phone (\$555), Club Badges (\$324), 1982 A.G.M. (\$270), Printing and Stationery (\$280), Postage (\$187) and electricity (\$285).

The major asset from the Balance Sheet is a Term Deposit of \$15,000 and the incoming Management Committee has a responsibility to ensure that it is constructively utilised. I have thus included a Forecast for the 1984 season assuming the same levels of activity next year.

In conclusion, my thanks to the Management Committee for their support during the year. In particular my appreciation to your ever smiling President Graeme Gilmour and my Assistant Treasurer, Arthur Moir without whose help (and photocopy machine) my job would have been that much more difficult.

CLUB CAPTAIN'S REPORT 1983

1983 p 15

1983 was not, on the surface, a very good season, with Premierships being won only in 7th Grade and the Under 17's, and with the Sydney Cup being won by 1st Grade.

This year we had seven senior teams, plus a Veterans team, with the lower grades coming up a division to Premier B, where they performed creditably. Five teams made the finals and two the Grand Final.

I would like to thank the coaches of all teams, for at the beginning of the season we had only two applications. It amazes me that a Club which consistently produces good hockey players like ours and which has an abundance of hockey knowledge, has to beg people to coach teams and then the coaches have to beg the players to attend training. If we want to stay on top, a little more effort is required by all of us.

I would also like to thank John Cowan, the Club Trainer, for another fine year in bringing the Club to peak fitness and Ken Wark Snr. for bringing Federal Park to peak playing condition. A special thanks to Graeme Gilmore who over the past three years has helped me and the Club back on the right road.

In closing, I would like to say that the Club is becoming too complacent and is resting on past glories. We are the innovators of hockey and this will only happen if more people change from the doing side to the doers' side.

VETERANS' REPORT

I will make the report as brief as possible in order that all the veterans, at least those who still have their eyesight, may have the opportunity of reading it before the "lights go out".

1983 saw out the second veterans competition and Glebe had another successful season being runners up once again.

Being convincingly beaten in two Grand Finals is probably a first for all the players however, although disappointed, I feel sure there are those of us who really wouldn't mind being runners up, or even just runners, for a few years to come.

The season has proven to be one of personal enjoyment and satisfaction with a high standard of hockey being played.

Possibly the most pleasing aspect of the season was that although we had a squad of only 15 players we were able to field a full side, not necessarily fit, but a full side, for each game.

We were successful in representative honours with six of the squad representing Sydney - Paul Rogers, Martin Howe, Peter Howe, Barry Duroux, Bob Fox and Don Oakley. Don went on to represent the State. No doubt, in the future, State representation will be a lot higher as junior players achieve veteran status.

In closing this report I would like to take the opportunity of thanking all the players for their assistance given to me in my "token" role as captain. I would also like to wish Frank & Jan Whiteman every success in their move to Brisbane.

Finally, on behalf of the Veterans, I wish all the Club members and their families a happy festive season and a prosperous New Year.

PETER HOWE

While the Grand Final was a major disappointment at the time, especially after the effort put in during the year I feel with the youth of the side that Glebe will be a force in hockey for many years.

I believe both myself and the team learnt from the loss, but I feel we have to have more self discipline on the field and play the team game. Too many times this year we looked very ordinary and then played some very fine attacking hockey. It took a great side like N.S.W. to play a system game to defeat us and on the day were far superior. That team has been together for 5 to 6 years and the hockey discipline they showed was unmatched on the day. The Glebe side while having a few senior players there most of the team have been together 1 to 2 years so making the final to defend the premiership I think was a great effort.

With training I must say that attitude, availability and having one thing on ones mind at any one time will have to come more to the fore. If players want to play 1st Grade they must decide to fully take part in all aspects of training and playing.

I realise the Club has to have a management committee to make the Club function, but I don't think it should be put onto 1st Graders to train and be at a meeting on the same night. Not only is it unfair on the players involved in the meeting but to his fellow players left to train, last of all the coach.

To the new guys that joined the Club this year hope it has been enjoyable. I felt you fitted into the Club and team extremley well. Also thanks to those guys called upon to come into 1st Grade during the year your efforts were most appreciated.

Thanks to the team in general although I feel the communication sometimes on the field to each other wasn't good. I take some responsibility for that because I feel I may not have communicated to you as well as I should and you to me. Hopefully we have all learnt a little which will hold in good stead for the future.

Many thanks to Bill for a great effort this year not only as the Manager but as a mate to the players and myself.
Yours in Hockey

I. MUTTON

COACH

The 1983 season concluded on a disappointing note losing the Grand Final so easily after such a determined effort to make it coming from fifth position with two competition rounds remaining. Our discipline and teamwork suffered in the final match, whereas University of N.S.W.'s discipline, attitude, temperaments, determination and teamwork was so much better. Congratulations to Uni on winning the premiership. Our performance throughout the year was patchy, good and bad, and therefore lacked sufficient consistency to mould a premiership team. It was only in the final matches that we achieved better attitudes, temperaments and communication with one another which enabled us to kick on.

In the future we must think positively about all aspects of our game to produce the best possible results. Communications and understanding with one another, player to player, player to coach and manager, is extremely important and is the final requirement that knits and strengthens the team in its final result. Such communication must be relaxed and come from within oneself.

Thank you for having me as part of the team. I enjoyed it. I am sorry that we did not achieve our final goal. Still it was a great effort to make the Grand Final.

Congratulations to the Under 15's, Under 17's and seventh grade on their premiership victories and to all other Sydney Premiership winners from other clubs.

Merry Christmas and a Happy and Successful 1984.

FIRST GRADE MANAGER

THIRD GRADE REPORT

1983 - p 19

The decision by the Management Committee to start to rebuild and introduce young players "Talent" to 3rd Grade must be commended.

The players selected both young and old blended in well together throughout most of the season.

The theme for the players was to be a team on and off the field - to try and promote team and club spirit and on most occasions this ideal was displayed without question.

Although myself not being totally concerned in winning the premiership, but in trying to develop and encourage good hockey the team reacted with some good performances in playing through the first five games without a loss. The team continued to show good form reaching the semi's, with a tremendous win 6-1 over N'Sydney but just missing that elusive goal in the final (1-1 Draw v's UNSW).

Played 18 games -	Won	11	Goals - for	72
	Lost	3	against	21
	Draw	4		

With co-organisers C. Brown, M. Howe, I. Mutton and B. Howe their astute approach and help should not go unrecognised. I must admit that I did enjoy being part of 3rd Grade in '83. The real enjoyment being, watching and seeing the young players improve - and they did.

The Club should benefit in the future from these young players if we continue to encourage and promote them.

FOURTH GRADE REPORT

It is with much pleasure that I present the 4th Grade Report for the 1983 season.

Well this season we found ourselves promoted to Premier B Division and I feel that the results we achieved in this Grade were very pleasing for our first year there. Of the 18 matches played 10 were won, 2 drawn and 6 lost, leaving the side in fifth position overall on 22 points.

During the season we had 28 players who passed through our team, without listing each individual, I just like to thank you all for your effort and support. We scored 37 goals for and had 30 scored against us. Our main goal scorers were Mike Gulluzo (11), Paul Puckeridge (8) and Lex McPhee (6).

At this stage I would like to congratulate 5th Grade on their Minor Premiership, a commendable effort and also every player who played in Premier B, to finish 4th in the Club Championship in this division for the first time in, was a tremendous achievement and shows the depth and strength of our Club.

In closing on behalf of Fourth Grade, I would like to congratulate the "Savage" Sevenths and the Under 17's on their Premiership wins and to thank the Management Committee for a job well done.

ARTHUR MOIR

CAPTAIN

Our first year up in Premier B and we faced it with some trepidation! However, we started the season well and proved we could handle the grade. We finished 5th with 19 points; scored 33 goals for and had 30 against.

A total of 33 played for the side during the season which meant that having a well established side, used to playing together, was difficult to say the least! I would like to thank all those players, guest stars and regulars, for the years hockey, especially Vice-Captain, Carl Francis who took over for the last 4 games when I was sidelined through injury.

Congratulations to 5th Grade on their minor premiership and to the 7th Grade and U17's on their fine premiership victories. I feel sure that next season will see all Premier B sides in the semi's.

COL SMITH

1983 - p 22

SEVENTH GRADE REPORT

Once again the season has ended and as before the "Savage Sevens" finished a winner.

The Grand Final was a pleasure to be part of and also a joy to watch both as a player and spectator (on the bench). The team spirit, the Glebe spirit and the support were marvellous.

We began the season without reserves and on one occasion had to forfeit because of lack of players. As the year progressed so did the sevens, in team members and wins.

Backs like Harry Wark Jnr. and Pat Campbell, with work commitments came to help and helped a lot. Both with their example hockey skills and temperament who could do more. Their selfless attitude was marvellous, their hockey presence felt by all (especially the opposition). The three wise men, Bob Taylor V.C., (Brave of course) Vice Captain and goal scorer.

Frank Whiteman and Paul Rogers, their names speak for themselves.

The other players like - Alan Willdings first season with Glebe a winner.

Alan Howe began the season uncertain, was surrounded by players like Harry Jnr., Pat Campbell and Tony Martin, with the right attitude how could you not improve. He proved himself. I was proud of him, especially the "Big One". Craig Martin, like Alan was proud of him, Craig, top little player playing beside Frank and the "Scoring Machine" D. Brown, big future.

Tony Martin and the "Scoring Machine" in the same forward line and the team. Their help, advice and goals were valuable especially their goals.

Phil Dennis "The Goalie" replaced "Canada Dry" and was a "Spirit" to the side.

Harry Snr. played well all year, he certainly learnt a few skills from past games. 59 years of age over 700 games, need say no more.

John Cremin and Peter Garland were there every week and played their best when the team needed help most.

All the above players and the ones who helped throughout the year.

P. Abate (injured) P. Holmes

Congratulations and thank you John and on the "big day" without you supporters it would not have been the same.

Thank you

JOHN HOWE

The juniors once again had a successful year of hockey. All teams with the exception of the Under 11's No. 2 team made the Semi-finals. The Under 15's and the Under 17's won their respective Grand Finals.

The Under 17's win on penalty flicks was the highlight of the Premier A, Grand Final Day, however it does raise the issues of alternative solutions to the drawn game at the end of extra time; either a replay and/or joint premiership should be considered as viable alternatives at a junior level.

We would like to thank all the coaches, Phil Dennis, Jamie Howe, Pat Diviney, Les Wark, Col Brown and Harry Wark. All worked hard and put in a lot of time with the children and their efforts I feel, were rewarded by not only the results, but by the attitudes and general demeanour of the children both on and off the field. Congratulations on a job well done.

The senior roster again worked extremely well this year and is a definite must for the years to come.

Again 1983 season for the Under 17's exceeded all my expectations, as after winning 1982 and losing all but, four Under 17's, I was looking at 1983 as a building year. I had to look to the Under 15's to field a team, calling on seven or eight players every Saturday to make a team. In my opinion, giving away two years in this age bracket is a very big handicap, but being hockey which is a skilful and not physical game, where size is not everything, we were able to win a fair share of games.

Winning our way to the Semi-final was a very good effort for a team so basically young. In the Semi-final against North Sydney with David Rochester and Stephen Dunn unavailable owing to N.S.W., State representation, I thought this is it, but Glenn Dunn and Robert Brown made themselves available and to my surprise, we won quite easily to go into the Final.

Our opposition was Parramatta, who were undefeated Minor Premiers and had beaten us easily in the two competition rounds and again, I thought privately this will be it. Well, it was even going into the latter stages of the game and when we were into the last 60 seconds it looked as though our "goose was cooked", when young Robert Brown ran down the right wing and created a real copybook goal for James Longfield to hit in for a winner.

Now we are in the Grand Final, our opposition was that very good side Moorebank-Liverpool and with David Rochester and Stephen Dunn back from State representation, we were at full strength and full of confidence. On the day, we battled for the full time and extra of 105 minutes, being in front and then behind and back to evens, which resulted in two lot of penalty flick-offs. I thought gee, what a way to go. Jim our goalie, being no stranger to pressure and full of confidence made four fine saves, while our flickers being very consistent out flicked them and again we were the 1983, Under 17's Champions.

The team consisted of:

Craig Schubert (Capt.)
Craig Martin (V.C.)
Gavin Westacott
Jim Goaldie
David Rochester
Julian Dell
Michael Dell
Robert Brown
James Longfield
Grant Martin
Stephen Dunn
Glen Dunn
Stewart Gatland
Andrew Traves
Simon Moore

I would like to congratulate the team on their great effort and it was a pleasure for me to be associated with such a fine group of young hockey players. Also my thanks to whoever helped in anyway at all thus enabling this team to achieve the heights they did.

HARRY WARK

UNDER 15'S REPORT

1983 - p 25

The Glebe Under 15's team had a successful season once again winning the central area championship.

The season started off on a low note when we were beaten by St. George. This was the only time however that our colours were lowered.

We had a good side and I think the important thing was that we had no posers in the side and that we played for each other.

After some close scores in the Semi-finals we met Liverpool in the Grand Final and beat them pretty convincingly on the day. For some reason we always seem to get a greater kick out of beating Liverpool than any other team.

We were coached by Col Brown and the team benefited by his knowledge of the game. Great job once again Col.

The Team would like to thank very much Mr. Dell for all the work he did during the season. A lot of our success is due to him. A special thanks must go to Mr. & Mrs. Martin for their help during the season also.

From those of us in the team who were lucky enough to be picked in representative teams we would like to thank the Management Committee for the financial help given to us and lastly thanks to all the Club supporters for turning up on Grand Final day. This is the kind of spirit that makes Glebe a champion Club.

DAVID (CHUCK) ROCHESTER

UNDER 13'S REPORT

This was the first year of the Sydney Competition for the Under 13's and I can say Hockey is growing in the area.

This year we had 15 players of varying abilities, by the end of the season they had moulded into a good team. Coming 3rd in the Competition and plenty of players who will make names for themselves and the Club in the years to come.

I would like to thank Jim Felton for his help during the year and all the other senior players who came out with me to umpire.

LES WARK

COACH

Being my first year of coaching it was both educational and enjoyable.

Those who saw those "little guys" play were treated to frequent periods of entertaining hockey and occasional glimpses of clever, if not skilled, build up stick work and ball distribution.

They reached the Semi-finals to be defeated by Bankstown Sports. The enthusiasm and stamina of the team was at most stages outstanding with the smaller players showing much more heart than their larger counterparts.

Hopefully next year will see more of our ex-juniors put back into the Club some small part of the time which has been given to them.

PAT DIVINEY

As far as winning games and scoring goals is concerned, the 1983 Hockey season can neither be classed as a memorable nor successful one. But for sheer determination, team - spirit and goodwill the U/11 No. 2 side deserves to take a bow and accept all the praise that can be heaped upon their mighty frames.

Throughout the season we had twenty players in our side, and at times we were replacing eight or nine players in one go. This sometimes made our team a little disjointed and possibly crucified some chances of scoring a few goals and maybe winning a game or two.

The most pleasing aspect of having so many players was the fact that when those who were replaced didn't begrudge giving one of their mates a game in their spot. This attitude paved the way for a very enjoyable and happy season for all involved with the team.

Phil and I would like to thank a few people for making this year easier for the both of us: Firstly, we would like to thank Bobby Taylor and Pat Nilan for their help on the coaching side; Dan and Ann Dillon for washing the kids' shirts and for their support throughout the year. The senior players and parents who umpired, set up the goals and helped with transport - A BIG THANKS. A special thanks must also be given to the TAYLOR family who supported the team throughout the year, never missing a game.

There are another two people without whom the running of the junior club and competitions would have been chaotic. Warren Dell and Peter Holmes were always there, organising the kids, parents and coaches, and did a wonderful job. Thanks very much.

To the young lads who played this year, congratulations on an enthusiastic and spirited performance. Phil and I are both very pleased and proud to have been associated with each and everyone of you. It's a pity we couldn't win a game, but success will come with experience.

Thanks for a very enjoyable season and we hope to see you all again decked out in the maroon and white in 1984.

Well done boys.

CLUB TROPHIES

The Club has six Trophies that are competed for. Trophy winners are selected by the Management Committee at the conclusion of the season.

W.J. Taylor Cup

This Trophy was first competed for in 1941. It was donated by W.J. Taylor who at the time was Patron of the Club.

The award was originally for the "Most Improved Player", however, since 1954 the wording has been altered to the "Club Member who has set the Best Example by Consistent Play and General Demeanour".

This year the Management Committee decided that the W.J. Taylor Cup should be awarded to Danny O'Brien. To Danny congratulations.

The A.J. Oldfield Cup is another Club Trophy first awarded in 1941. The Cup was presented to the Club by the Late A.J. (Burt) Oldfield - the former Australian Wicketkeeper. The Trophy is awarded to the "Colt Under 21" who has been adjudged "The Most Improved and Best Behaved Junior During The Season".

This year, the A.J. Oldfield Trophy has been awarded to Craig Stubbs and with it our congratulations.

1983 GRAIG STUBBS

Michael "Abbo" Atterton Memorial Trophy

Michael Atterton died tragically in early 1978 and his Trophy was donated by the Club in fond memory of him. The Trophy was first awarded in 1978.

At the age of 6 Abbo commenced his hockey with this Club. The year was 1965. After playing in the junior ranks he first played in the seniors at the age of 14. He was considered potentially one of the most outstanding prospects in the Club.

The Trophy is awarded for the "Player with the Most Potential".

David Rochester is the season's winner. To David congratulations.

1983 DAVID ROCHESTER

During the Management Committee 1950, in their efforts to foster Junior Hockey in the Club, the Management Committee decided to present a Trophy for the "Most Improved and Best Behaved Junior Under the Age of 16 Years".

The Cup was named after Vern Turner in appreciation for his work with the Juniors. Vern was an outstanding player and an equally outstanding Coach. He first started playing with the Club in 1942 and played on the Left Wing and went straight into First Grade. He played 261 games and scored 84 goals. His ambition to coach a winning Under 16's team wasn't fulfilled, as he left the Club in 1957. The next year saw two teams he had coached play out the final.

In 1983 the V.J. Turner Cup was won by Craig Schubert. To Craig congratulations.

J.W. Kenny Trophy

This Trophy was first competed for in 1975. It was donated by Jim Kenny, Patron, Life Member and Foundation Member of the Club.

The Committee decided it would take into consideration points allocated in the "Brian Booth Medal".

Last Season and in 1980 saw a slight changing in awarding the Trophy in that the winner was not necessarily the highest points scorer in the "Brian Booth Medal".

The winner of the J.W. Kenny Trophy for 1983 is:

KEN WARK JNR.

Previous Winners

1982 Warren Birmingham

The Brian Halse Memorial Trophy was first awarded in 1948. It is by far the most sought after Trophy in Sydney Hockey.

To any Club who wins this Trophy it means that all grades are playing winning consistent Hockey within the Club.

1983 is the thirty-sixth year of competition for the Brian Halse Memorial Trophy. This year it was won by St. George. In the thirty-six years of the Brian Halse Memorial Trophy, Glebe has been successful twenty-four times. This shows that our Club has been the most consistent Hockey Club in Sydney.
