## PRESIDENT'S REPORT 1984

Gentlemen, I present to you the 54th Annual Report and Balance Sheet for the 1984 season.

This year in the Club has been a strange one. Last year we started with the Twilight Competition but this year, due to lack of support from the Club Members, we could not conduct it. The main reason for this was what was said before "lack of support" not from the same old brigade but from you, the Club Members.

As far as the competition is concerned, I feel that Premier 'B' - (1st, 2nd and 3rd Grade) performed very well under the circumstances. The circumstances being that they were graded too highly. Never the less they gave their best all through the season and I would like to say to all Captains and Players - thank you for your efforts, they were certainly in the true spirit of the Club. I do think however, that the Club in the future has got to think more seriously about the nomination of teams. Even though the teams didn't make the Semi's it certainly was not for the lack of trying - so thank you all very much.

Once again this year saw the 7th Grade Team go around with not much success. With all the work that Frank Whiteman did a couple of years ago to get this side back in the competition I think that it's sad that a lot of the players have dropped out. Once again, unless there is a greater effort the incoming Management Committee will have to rethink about entering the team. I still think that more than a huge thank you is due to Bob Taylor, Harry Wark Snr. and the other couple of stalwarts for sticking it out.

Premier 'A' this year also didn't have much luck but, I must say, even though we didn't win a premiership, we certainly did our very best. To start with the 3rd Grade side, coached by Pat Nilan, were well ahead at half time and really should have gone on to be Grand Finalists but went down by the odd goal in the second half. A result that really should not have happened. Just the same, I would like to thank Pat for his efforts with the team throughout the year and hope that he will be there next year to look after the young people again. As far as 2nd Grade are concerned, I think that I have covered the team adequately in the Report but I would like to say (once again) a really big thank you to the team for their efforts, and especially to Dave Cutler. I do think that it is a shame that a lot more players don't come and seek advice from members like Dave as he has a tremendous amount to offer.

I said in last year's Report that I couldn't remember a team that had put in as much effort as the 1st Grade side but I was certainly wrong. In looking at this year's 1st Grade side the effort they put in was first class. They at all times were working their hearts out to win the premiership. To them, their Coach, Bill Stubbs, Captain, Les Wark and mentor Geoff Paterson I thank you for your efforts - well done.

Finally on Premier 'A' the Under 17's once again, under the guidance of Harry Wark Snr., were our best performers - Grand Finalists - and losing by the odd goal. This is the first time we have lost the Under 17's, but what a mighty job they did throughout the year, not only in their own grade but helping out the senior grades as well. To you Harry and your boys thank you all very much.

On the Seniors - the Veterans - to Peter Howe a very big thank you for the excellent job you did all year. The Veterans, as always, have a lot of trouble fielding a side but Peter managed to get one and as in

the past the team performed well. The team by the way beat the Premiers in the round games but couldn't make the Semi's. This was mainly due to lack of players. To all who played, well done.

### JUNIORS

This year we had 2 x U11, 1 x U13, 1 x U15 and 1 x U17 Teams in the Junior Competition. It was good to see Danny O'Brien and Craig McPhee coach the Under 15's to victory in the Grand Final. Congratulations to you and the team. To Phil Dennis - Under 11's semi-finalist, Bill Stubbs - Under 13's Finalists and Jamie Howe - Coach of the No. 1 Under 11's side a really first class effort by all concerned. A really big thank you to our Junior Convenor - Peter Holmes - well done.

### FEDERAL PARK - JUBILEE OVAL

Even though he may not like it, I'm going to start by saying to young Ken Wark Snr. - thank you very much. I know that it doesn't sound much Ken but I mean it very sincerely. To you, the Members, it wouldn't hurt if you said the same to Ken either because you all know how hard he works on the grounds. You may wonder about Jubilee Oval, well to satisfy your queries, the Club has put in a submission to the Council for the sole use of Jubilee Oval for the 1985 Season. If this goes through we will definitely need a grounds committee for 1985 - which means a lot of work. If we succeed, it will be very beneficial to the Club. Once again thank you very much Ken.

### FINANCE

As will be seen in the Report and Balance Sheets, the Club this year had a loss but considering the lack of social and fund raising we really haven't done so bad. Never the less we don't want any losses and with, as we all know, a little effort, there is no need for this to be. To our Treasurer - well done.

### REPRESENTATIVES

As usual the Representative Honours are covered further in the Report. I think however, that special mention should be made to Ken Wark Jnr. and Warren Birmingham for making it to the Australian Institute of Sport, Craig Stubbs the Captain of the victorious N.S.W. Colts, David Rochester and Julian Dell in the Juniors. To all representatives this year, congratulations.

### CLUB

In general, I feel that this year the Club has lost a little ground in Club spirit. There are a few reasons for this, one being a lack of socials through the year. We definitely need a Social Committee that is going to organise the year's events. I think also that the new committee has got to have another look at the team rosters for the grounds because, in the main, this was poorly patronised during the year.

One of the most disappointing things to us this year was the comment "the Club's not doing this or that". Well very simply, you are the Club and I think it's about time that a lot of people in this Club stopped whinging so much and did something for the Club. When you think about it, you all haven't had a go, so what about giving something back. With the change in competition, a synthetic pitch on the doorstep unity will be needed more than ever.

One point I would like the members to think about is a new Playing Committee. There are a lot of good members lost in the Club and with players' commitments it is very difficult for some to serve. Now the point of serving. To those mighty few who helped with the phone books - thank you. Just over \$2,000 was raised under extreme conditions. What took just over a week, with more help, could have taken a couple of days.

Once again, well done to the same old brigade for their help with the Toxteth raffles. Believe me this year was one of the hardest ever and to all those that were both selling and buying - thank you.

Before finishing I would like to thank Keith Paterson for the exceptional job he has done this year. With all due respect to other Secretaries, I don't think we have had a more knowledgeable one since the days of Fred Letts. While on the thank you department to our Treasurer, Neville Gullickson also a big thank you and not to forget Brian Doniger for the Minutes and Circulars throughout the year!

To our Sponsors - Bill Murphy from the Toxteth Hotel and also Raine & Horne for the Under 17's.

In conclusion, I would like to thank all the members of the Management Committee this year for their help and support. To their wives, fiancées and lady friends thank you for persevering. To all members and their families I, on behalf of the Club, would like to wish you all a very Merry Christmas and a happy, healthy and prosperous New Year.

GRAEME GILMOUR

PRESIDENT

## HONORARY SECRETARY'S REPORT 1984

In many ways this has been an interesting period with some innovations, some new avenues of fund raising and, on the field, many disappointments.

The frustrations and disappointments of all grade teams are recorded elsewhere in this report so I'll confine my comments to the administrative side of things.

Pertinent matters that require airing are as follows:

- |                     |   |
|---------------------|---|
| 1. Coaches          | Lack of nominations                           |
| 2. Junior Coaches   | Incentive scheme                              |
| 3. Telephone Books  | Lack of response                              |
| 4. Jubilee Oval     | Submission to council                         |
| 5. Ball Guards etc. | Players' apathy to rostered duties            |
| 6. Team Selections  | Non-attendance of selectors. No team training |
| 7. Sponsorship      |   |

### Coaches

As a newcomer to the Club, I find it amazing that a Club such as Glebe, with a high record of success throughout the years, has to struggle to get nominations to coach any of the grade teams. Ex-representative players and ex-top grade players should have been queueing up to nominate for these positions.

### Junior Coaches

This year an incentive scheme was introduced as a means of attracting the interest of top players towards the coaching of our junior teams. I believe it has been successful in 1984 and should be carried on in 1985.

### Telephone Books

The lack of commitment to this means of fund-raising was disappointing to say the least. The organisers, Kev Sweeney and Arthur Moir, were entitled to expect a far greater roll-up than they got. The attendance for the Yellow Pages was even worse than the first exercise. The delivery of these books should bring in around \$4,000 this year and depending on your co-operation could be an even greater source of income in the future. Your lack of response will probably incur a substantial increase in fees for 1985.

### Jubilee Oval

As a result of our submission to Leichhardt Council and subsequent to our meeting with them your committee now feels that we have a great chance of obtaining sole use in winter for future seasons.

### Ball-Guards etc.

This item concerns the erection and removal of all ground equipment on home games. Teams have been rostered for each of these days but the lack of response from all teams was disgraceful. Most players never fronted, nor did they seem to care how the gear was erected or who did it.

Team Selections      Selections are carried out by the Coaches and/or Captains but, for the lower grades, particularly 7th Grade, on many occasions there was no selector. This surely must concern all members and must relate to the lack of nominations from capable members to help the Club at a coaching level. Further, I believe that all selections should be done on Monday nights so that selected teams can then train together on Wednesdays.

With the introduction of Team Hockey in 1985, all grades could be playing at different venues for the away matches and the Club may have to abandon its nomination of 7th Grade and select squads of 13 players for the first six grades.

Sponsorship      This year the Club has not been able to achieve the turn-over that the Treasurer had anticipated. There was a decline in the raffle situation at the Toxteth Hotel and we did not receive any financial assistance from the Hotel, e.g. sponsorship. New shirts were purchased and numbered for 1st and 4th Grade and Raine & Horne financed a set of shirts for the Under 17's. Earnings from the Telephone Book deliveries could compensate for the lack of sponsorship. We did not proceed with the Pink Pages contract due to the apathy shown by you, the Members. I believe that fees should be increased to \$85 for 1985, with rebates to those workers who show their club spirit and work for the club on these deliveries.

In conclusion, despite the above compliments and bric-a-brac, this has been for me an interesting year. I hope that in my own way I have carried out my duties to your satisfaction and generally kept everyone aware of the S.H.A. side of hockey as well.

Due to recurring health problems I may not be available to hold this position for the 1985 season.

I therefore submit to you, for your adoption, this the 54th Annual Report of the Glebe District Hockey Club.

## TREASURER'S REPORT FOR THE YEAR ENDED 30TH SEPTEMBER, 1984

As at the date of this Report, the Club has 16 life members, 84 playing members and 26 social members.

The year resulted in a small surplus of \$59.00. The low surplus is prominently due to a low return from bar and equipment trading and no 1000 Club Raffle being conducted, as will be discussed later.

This year was unfortunately marred by several events which have severely affected this Club.

Firstly, as a result of random breath tests, the closure of vehicle access to the Clubrooms and of having to transfer Premier A games from Jubilee to Federal Ovals has resulted in a 36% reduction in gross bar/canteen receipts. This is further compounded by a lower than expected gross profit margin.

Unfortunately, the annual sponsorship from the Toxteth Hotel was unable to be given to us in cash, as in the past, but instead, the hotel kept the price of beer at a reasonable level (noticeably below their selling price). We did however receive additional sponsorship from Raine & Horne, Glebe who purchased the Under 17's playing shirts and by an additional \$100.00 donated by Club Members.

The introduction of random breath tests has also resulted in lower than expected yields from the Meat Raffle held at the Toxteth Hotel every Friday night.

Equipment trading got off to a slow start at the beginning of the year, however, improved substantially towards the latter part of the year. A major factor which has contributed to the loss shown on equipment is the write-off of stocks from last year. Even though they are still present, they are of little value.

Socials and Carnivals were again very quiet this year, however, some of the highlights were the winning of the St. George's Cup and the attendance at the Tamworth Carnival.

Once again, a new and "good idea" has come to the aid of the Club in raising money, this time being the delivery of phone books, raising \$2,002.00. Many thanks go to Arthur Moir, Kevin Sweeney, Peter Mitchell and Keith Paterson, and to all those who helped deliver the books for raising this money for the Club.

Major playing costs were as follows:-

~ S.H.A. Affiliation	-	\$ 4,472.30
~ Ground Rents	-	360.00
~ Ground Maintenance	-	260.00
~ Representation Allowances;		
Senior	-	557.00
Junior	-	2,102.00

Major junior playing costs were:-

~ Presentation Day	-	128.00
~ S.C.A.J.H.A. Affiliation	-	285.00

Major administration expenses were:-

~ Insurance	-	\$ 705.00
~ Telephone	-	658.00
~ A.G.M. Costs	-	250.00
~ Light & Power	-	295.00

The main assets of the Club are:-

~ Australian Savings Bonds	-	10,000.00
~ Interest Bearing Deposit	-	5,000.00

The Club can expect a moderate surplus in the future, however, there is potential to develop more substantial profits through bar trade, social functions, raffles and phone books. A substantial effort is therefore required to achieve this moderate surplus.

In conclusion, my thanks to all the Management Committee for their support throughout the year and especially my Assistant Treasurer, Arthur Moir, who assisted in the collection of monies owed to the Club and assisted whenever asked.

NEVILLE GULLICKSON

HON. TREASURER

## CLUB CAPTAIN'S REPORT

The 1984 season concluded with the club experiencing one of its worst in history as far as premierships are concerned.

The Club failed to win a major senior title with the Under 17's being the only side to reach the Grand Final. This was the third successive year the Under 17's had played in the Grand Final, being winners in 1982 and 1983. When you consider the number of Under 15's playing in this side, it was a creditable performance by such a young side to go down so narrowly. As in the previous two years, the coach was Harry Wark Snr. Well done "H".

The 1st Grade side went down fighting in the minor Semi, without the services of their Captain and Assistant Coach, Les Wark who was suspended after some incompetent and totally unexplainable umpiring by a nobody having the hide to call himself an "umpire".

However, the side is still young and with an extra effort next season, added to the knowledge that, in Les Wark, we have a coach capable of filling Bill Stubbs' shoes if and when he decides to call it a day.

2nd Grade missed the Semi's by the odd point due mainly to some indifferent form throughout the season. Losing two competition points to the lowly placed Ryde in the second round was probably the nail in the coffin for 2nd Grade.

3rd Grade went down in the Final to North Sydney after leading 3-1 at one stage of the game. Pat Nilan again had the task of fostering the younger players in the Club and the side's final placing in the competition was due mainly to Pat's effort.

4th, 5th and 6th Grades all failed to make the Semi's in Premier 'B' and look like going down a grade next year.

The overall results of the season stem largely from the problem that far too many Club Members think they can pick up a hockey stick on Saturday and play well. The Club will not be a major force in Sydney if we do not change the attitude of the "bludgers" in the Club.

The distribution of the telephone books was another poorly supported fund raiser with the majority of current playing members choosing to let someone else do all the work. To the junior players' parents and Club members who did help the Club with the books - thank you very much - a job well done under extreme weather conditions.

Keith Paterson proved to be a major asset to the Club and he showed us why he is the best administrator in the Sydney Hockey Association. I would also like to thank our President, Mr. Graeme Gilmour, who again has done a top job as the man at the helm.

## FIRST GRADE REPORT

Firstly, I would like to say I had an enjoyable year, returning to the coaching fold and appreciated the communication and relationship with the players in our endeavours to win the premiership. However, that was not to be.

In retrospect 1984 was a hard, difficult and luckless goal shooting year. If we had scored 50% of the goal opportunities we had, there is no doubt in my mind that the probability and possibility of winning the premiership would have been greater. We basically scored as many goals as the other semi-finalists and yet finished in fourth place. The reason for my comments is that if we had scored more goals, particularly earlier in the matches, then pressure would have been taken off the defence. This was apparent as at times the defence strived to keep the ball up in attack then lapsed, possibly through disappointment, panicked and let in soft goals. These are hard words, but we must recognise these points if we are to improve as a premiership team.

Secondly, although our temperamental discipline was good, our control discipline needs to improve. This was evident because we tried to play and do things too quickly. We must learn to out-manoeuvre the opposition by keeping possession, by turning them around and by keeping pressure on their skills. We must learn to read the play better.

However, after saying all that the performance of the team in the second round was very good. The only team to defeat us in that round was N.S.W. University, who we territorially outplayed but we gave them two soft goals. We played disappointingly in the first round with very poor results against N.S.W. University and St. George.

The semi-final was a game we lost rather than Saints won. For the majority of the match we attacked (particularly the second half) and could only score one goal. Penalty corners favoured us something like 10-5 (2nd half 8-2). Saints would have only had 7 or 8 opportunities with both their goals coming from the resultant play immediately after a penalty corner. We had no urgency to clear that ball after George Manou made the initial save. Our strategy and general play was good but at times we were too anxious to push the ball back into the circle without drawing the Saints defence to us.

Well, that about sums up the year and hopefully something to think about for 1985. Again, I thoroughly enjoyed the year and the challenge that had to be accepted. The team was relatively young, a couple of new faces appeared in the team. We lost Ken Wark Jnr. and Buster Birmingham to the A.I.S., Geoff Paterson was injured for most of the season.

However, the majority of players that were there can only have benefited by their year's experience in 1st Grade and with the younger players (both in 1st Grade and in the lower Grades) displaying dedication, determination and discipline in all facets of the game, the Club can only go forward and improve. To Craig Stubbs, Captain of the N.S.W. Colts Team, congratulations on you and your team's performance, the first National title in 15 years at that level. From myself and the team congratulations to University of N.S.W. on their premiership victory and to all premiership winners, well done.

Finally, to the team Captain and Assistant Coach Les Wark, my heartiest thanks to an excellent skills and physical coaching performance. Les has enormous potential, needs to develop his psychology, understanding and eliminate any biasness towards players. (Keep cool Les). Given continuous opportunities Les will be our premier coach in more ways than one. Thanks for your assistance, Les.

At this point I will close, thanking my wife for her understanding for another year and wish all members, their families and hockey associates a Merry Christmas, Happy New Year and the best in hockey for 1985.

## SECOND GRADE REPORT 1984

Well gentlemen, I make this 2nd Grade Report rather strangely as I took over the coaching position from Keith Paterson after quite a few games had been played.

This year, as everyone is well aware, 2nd Grade didn't make the semi-finals but I can well assure everyone that it was certainly not for the want of trying. This team was really a pleasure to coach for, at all times, all members of the team tried to contribute something for the good of the team.

Even though we didn't make the Semi's there were some very creditable performances. Apart from the comments that "there was nobody in the team that was pressing for a 1st Grade position", I think that these comments were dispensed by Ken Bennett being a regular on the card and Gary Wark being selected to also play in the side, the former being permanent.

I would like to thank the members of the team for their efforts and to make a special thank you to the Captain, Dave Cutler (ex Australian Squad Member) for his help and leadership both on and off the field, and even though the result may not seem to justify the following statement - that while we have triers like these players we won't be going too bad in the future.

Finally, once again thank you all for your efforts, I wish you all good hockey in the future and a very happy and prosperous Christmas and New Year.

Sincerely,

GRAEME GILMOUR

### THIRD GRADE REPORT

The one that got away! Or was it the one that was given away.

Certainly it was a disappointing Final against North Sydney, no need to give the score, all of the team and spectators know only too well.

I have asked the questions and searched for answers - but, as we all know, the game is not over until the final bell. Liverpool must know how we feel.

The decision by the Management Committee to adhere to the rebuilding policy formulated in 1983, I believe, is a good move when you consider that no less than 6 players from the 1983 3rd Grade side played in 1st Grade fixtures in 1984.

I have heard it said that - 'Winning is not everything' - it is the only thing. In 3rd Grade without question, discipline, attitude, teamwork, determination and temperament are part and parcel of being a team. The sad fact remains that some players do not conform to these standards.

3rd Grade is the stepping-stone for all Grade players. We have plenty of talent, knowledge and time to get all Grades back to the No. 1 spot.

#### 1984 Season Run-Down

Early games - a little shaky

Mid-season - going strong

End of season - worst loss 2 - 0 against St. George in last round

Best win - 5 - 1 against Gordon in semi-final

<u>Players</u>	C. Brown	L. Kalisperos	M. Howe
	K. Diviney	K. Kennedy	A. Moir
	P. Howe	H. Wark Jnr.	A. Chu
	A. Bennett	V. Ferrari	P. Puckeridge

Thank you all for an enjoyable season.

P.S. Nominations are called for the position of 3rd Grade Captain for 1985.

PAT NILAN

CAPTAIN/COACH

## FOURTH GRADE REPORT

A special thanks to all my team members for a great season.

If I had to single out any one player I'm sure that the rest of the team would agree with me that Steve Casey had an exceptional year. Congratulations Steve!

Arthur Moir and Peter Howe deserve special thanks for their assistance in coaching and in the duties as Captain.

Although we had a tough year I'm sure that the experience will be of great benefit in the future.

Our team for 1984 was:

A. Moir	P. Puckeridge
L. McPhee	M. Galluzzo
M. Bougoukas	P. Howe
S. Casey	A. Howe
G. Howe	B. Ineson
H. Wark Jnr.	R. Reckin
A. Bennett	K. Dell
G. Bourke	B. Picknell
A. Howe	S. Dunn
G. Fish	Alan Howe

PAUL PUCKERIDGE

CAPTAIN/COACH

### FIFTH GRADE REPORT

For this, our second year in Premier 'B', the competition appeared to be fairly tough. Throughout the season, a total of 29 players were used in 5th Grade and this made it extremely difficult to play as a team.

I would like to thank all of the regular players and our many guest players who all gave of their best during the season.

In particular, I must mention the assistance I received from Bob Fox and Peter Mitchell, with a special mention for Ian Pocock, who acted as Captain when I was unable to play due to injury.

On behalf of all players who appeared in 5th Grade during 1984 I would like to congratulate all of the other Club's teams for their efforts in the season and wish all the teams the best for the coming season.

To all, a Merry Christmas and a Happy New Year.

CARL FRANCIS

CAPTAIN/COACH

## SIXTH GRADE REPORT

This year, 6th Grade did not fair very well.

We finished well down the ladder, but in all games we were not disgraced, win, lose or draw. In all we won six games and had two draws.

There were too many changes to the side during the season as there were in all grades. These many changes tend to unsettle the players, making it difficult to work up a team combination.

I believe also that there was a lack of commitment by all players in Premier 'B', which resulted in unnecessary losses.

Another great problem was the number of players who did not turn up on time. Ten seconds before the start of a game is not on time.

I think we have to revive the old Glebe Spirit, commit ourselves to the Club and the team. Then, perhaps, we may start winning more games in all grades.

I would like to thank all of the players who stood ready to help on numerous occasions, particularly from Carl's 5th Grade team.

A special mention to those Under 17's who frequently raced across the canal to fill in when required.

From all in 6th Grade, to all the Club, all the best for Christmas and the New Year.

PETER HOLMES

CAPTAIN/COACH

## SEVENTH GRADE REPORT

Once again the "Savage Seventh" finished the season on a high note, but regretablely the premiership flags that flew in 1980 and 1983 just slipped past us.

After a rather disappointing start to the season through lack of players we finally got the "machine" in order around about the 7th round and from then on our Semi chances were looking good.

Ultimately we missed a Semi spot by two (2) points. But had we made the grade I'm sure the Armenians would have had greater problems in the Grand Final.

As usual the team this year had it's normal compliment of "Vintage Reds" in "old" Harry, Paul Rogers along with the experienced players like Phil Body, Noel Anderson and Peter "Rabbit" Garland.

Surprisingly, this season we had four players who had never played before in Gary Reid, Sid Hammond, Mike Lincon and Peter Bradson and all improved with every game. We look forward to the reappearance of these guys along with George Stammel next season.

throughout the season we had the assistance of players from other grades and to those guys we thank you, along with Perry Rowe who returned to New Zealand and Paul Abbott who had to retire through injury. A special mention to, two under 13 players, Steve Hammond and Jason Taylor, who in true Glebe spirit took the field with the "Oldies" to avoid a forfeit.

The 1985 season is not that far away and I'm sure that with a sound start the "Flag will fly in '85" for the "SAVAGE SEVENTH".

BOB TAYLOR

## JUNIOR CONVENOR'S REPORT

The junior hockey players once again had an extremely successful year of Hockey. All teams (except Under 11's No. 2 side) reached the semi-finals, the 13's were unfortunately defeated 1-0 in the Final, 15's won the Grand Final 3-0 in the true Glebe spirit!! and the 17's reached the Grand Final but failed to capture the pennant for the third year in a row.

I would like to congratulate all the coaches of the respective teams, Jamie Howe, Phil Dennis, Bill Stubbs (Bob Taylor able stand in), Danny O'Brien and Craig McPhee, Harry Wark. All coaches worked extremely conscientiously, putting in time and effort with the children. Their efforts were regarded by the standard of hockey played, the demeanour of the players on and off the field their coaching ability and most importantly the respect the players had for them personally. Congratulations on a job well done!

This year we attempted to try 'Minkey Hockey'. Unfortunately it did not work, mainly because of the limitations of available grounds and not quite enough children. However we entered a second +11's side into the competition half way through the season and, although they didn't win any matches all children gained experience and enjoyment for the game of hockey.

I would like to see more senior players involved in the juniors to help with coaching, transport and just SUPPORT from the sidelines. It is necessary if we are to maintain our high standard hockey within the Club at both senior and junior levels.

I would also like to thank Colin Fitzgerald and Ian Pocock for their transport efforts to the 15's side.

One final thought for the future running of juniors within the Club; I feel it is necessary to have a full committee (4 or 5) so that no one person's time is over taxed and that, as occurred this year, a complete breakdown of communication between Area, Club and Sydney Junior H.A. does not happen again.

## UNDER 17'S REPORT

It is with much pleasure and pride that I present this report.

After winning this trophy the last two years, I thought we should be one of the fancied sides for this year. However, in this age division, we lose players who are getting a little older and advance into the grades. I get a little saddened when I think they are not getting the encouragement they deserve as local products.

This year we were very fortunate in gaining the services of Alan Lambert, Chris Young, Mark Pocock and Ben Carter. With these young men and our own locals we blended into a very strong team. The enthusiasm and dedication to hockey should be copied by every Glebe team with the possible exception of 1st Grade. They were always well represented at training and on Saturdays. Anthony Reckin travelled from Gosford and Alan Lambert came up from the South Coast. Our local boys, Andrew, Jim, Julian, Mick, David, Craig and Grant all have the ability to reach the top grades in the Club.

In 1984, Craig and Grant Martin, Alan Lambert, Andrew Goodrick, Julian Dell and David Rochester all represented Sydney Juniors, whilst Julian Dell and David Rochester toured with the Under 15's State side.

In the semi-final we lost to Moorebank by one goal to nil. However, in the Final against Randwick, despite being down early by one goal, we ran out easy winners seven goals to one.

Then came the Grand Final. This time, up against our arch-rivals Moorebank. The game was played at a fast and furious pace and was played at a very high standard, with neither team giving any quarter nor expecting any.

Moorebank scored a good goal in the first half, whilst we had a goal disallowed by a hasty umpiring decision and later a shot hit the post.

We never stopped trying and were attacking right up to the final whistle. To Moorebank, Well Done! To the boys from Glebe for running a very creditable second, there is no disgrace. It was a fine effort.

Again, it has been a pleasure for me to be associated with these fine young men. To all of the people who helped in any way during the year, I offer my sincere thanks.

## UNDER 15'S REPORT

Well! What a year. In my first year of coaching and with the assistance of Craig McPhee as Manager the team collected the premiership.

We certainly weren't the reason for the team's win, but we hopefully contributed something.

Craig and I have enjoyed the season, thoroughly, and to those who have not, to date, coached a junior team, they don't know what they are missing. To see these young men enjoying the game so much and brimming with enthusiasm, it made me sit up and take notice and re-assess the way I see the game. They always believed in themselves and their initiative in trying new moves was a pleasing feature.

I believe that all of the players learnt more about their own individual games throughout the season and from what Craig and I saw, there is definitely some talent waiting to hit the senior ranks in a few years time.

To Col Fitzgerald and Ian Pacock, thank you for your support in supplying transport and just for being there to lend a hand. I wish that more parents would get as involved in their children's activities as these two have done.

To Craig, who ventured into this unknown area with me, thank you. I know you enjoyed the year just as much as I did.

Lastly, but with no less importance, to the players thank you for giving both Craig and I your total support and particularly for behaving in a manner that befits the great Club you represent.

To all the boys, a Merry Christmas.

## UNDER 13'S REPORT

The 1984 season finished on quite a satisfactory note. The team started out basically as a new team. With some new players, some of the previous year's Under 13's and Under 11's. The boys immediately blended into a reasonable team but by the end of the year were a good combination. We finished 4th in the competition losing each time to both Sutherland teams who finished 1st and 3rd but defeating Moorebank/Liverpool 2 out of 3 times who finished second.

The semi-final against Sutherland 2's was exciting and after missing a penalty stroke the boys pulled themselves together and played exceptional and determined in extra time to win 1-0.

In the preliminary final the boys again performed very well and played all over Moorebank/Liverpool, however we couldn't find the net and lost 1-0 in extra time.

I thoroughly enjoyed the year with these young men which gave me a lot of satisfaction.

My thanks to all the parents who supported us throughout the year, to Graeme Gilmour and Pat Nilan for their part time coaching assistance and my special thanks to the team Manager, Bob Taylor.

The team was:

- Shane Nilan - Captain
- Michael Gulluzzo - Vice Captain
- Jessie Jennings
- Adrian Low
- Brett Stubbs
- Silas Clancy
- Hannibel Hield
- Mathew Sully
- Jason Taylor
- Brent Gilmour
- Adam Newbold
- Adam Vanderpole
- Steve Hammond

(Apologies boys if I have spelt your name wrong.)

The team's congratulations to all competition winning teams both Juniors - Area and Sydney and Seniors.

BILL STUBBS

COACH

## UNDER 11'S NO. 1 TEAM REPORT

I'd like to start this report by thanking the parents because without their help with transport it would have been impossible to honour our commitments on the away games.

Well done! Let's keep it up for next year.

For us, the season consisted of 14 games. In these games we had 1 draw, 5 wins and 8 losses - 11 points, but that was enough to sneak into the semi-finals.

In this game we were drawn to play Bankstown, a team which had beaten us on all occasions during the season. However, when the full-time whistle had blown, the score was nil all. A good indication on how much the boys wanted to win this one. And so to extra time!

Unfortunately, during the extra time period, we had a penalty stroke awarded against us, due to some 'Good'? umpiring by the Club President, Graeme Gilmour. It is just as well that the Under 11's won't be voting at the A.G.M.

Thus, our charge to the premiership had ended.

We would like to thank our washing lady, Mrs. Anne Dillon, for keeping our shirts 'squeaky' clean.

In conclusion, to those going on to the Under 13's, I'd like to wish you a very good season, but to the rest I'll see you at pre-season training in April.

PHIL DENNIS

COACH

## UNDER 11'S NO. 2 TEAM REPORT

In 1984 I was once again fortunate enough to be able to coach the "Tiny Terriers" of the Club, the Under 11's No. 2 team.

Being associated with these young kids was a great thrill for me and for all of the other people involved.

Throughout the year we, a total of 22 young warriors, graced the field in Glebe colours. Of the 22 players, 15 were boys and 7 were girls. It was great to see such a good participation by the fairer sex. To all of those girls who played this year, I'd like to say congratulations on a job well done and let's keep it going in 1985.

On the hockey field, our team, once again, had no luck in either the goal scoring or match winning departments. But, as in years gone by, our youngest players showed what team spirit, good sportmanship and determination are all about. If sheer guts and determination could win games our team would have finished up as undefeated premiers.

Alas! They don't and we didn't.

These young boys and girls who played in our team can be proud and hold their heads up high, for they neither disgraced themselves nor their Club. With 22 eager young kids filling our ranks the future of the Club looks very good indeed.

Apart from thanking the kids for a very enjoyable season, I would like to thank also a few other people for their involvement.

All of the parents and senior players who watched or helped out with transport did a tremendous job and their help and support was very much appreciated.

To Peter and Martie Howe who helped with coaching, thanks very much. Col Brown and Peter Holmes also gave a helping hand and were very supportive. Warren Dell and Peter Holmes once again excelled themselves by, not only helping out with our team, but all of the Club juniors week by week.

Once again, I'd like to emphasise how enjoyable the season was and I hope that the young boys and girls who played with our team, stick to the game and go on to bigger and better things.

## CLUB TROPHIES

The Club has six trophies that are competed for. Trophy winners are selected by the Management Committee at the conclusion of each season.

### W.J. Taylor Cup

This trophy was first awarded in 1941. It was donated by W.J. Taylor, who at the time, was Patron of the Club.

The award was originally for the "Most Improved Player", however, since 1954 the wording has been altered to "The Club Member who has set the Best Example by Consistent Play and General Demeanour".

This year the Management Committee decided that the W.J. Taylor Cup shall be awarded to:

### TERRY REECE

## Michael "Abbo" Atterton Memorial Trophy

Michael Atterton died tragically in early 1978 and this trophy was awarded by the Club in fond memory of him.

The trophy was first awarded in 1978.

In 1965, at the age of 6, "Abbo" commenced his hockey with this Club.

Whilst still a junior, at the age of 14, he played his first senior games with the Club. He was considered to be, potentially, one of the most outstanding prospects in the Club.

The Trophy is awarded for the "Player with the Most Potential".

This season's winner is:

CRAIG MARTIN

## V.J. Turner Cup

In their efforts to foster Junior Hockey in the Club, the Management Committee of 1950, decided to present a trophy for the "Most Improved Junior Under the Age of 17 Years".

The Cup was named after Vern Turner in appreciation for his work for Juniors. Vern was an outstanding player and an equally outstanding Coach. He first started with the Club in 1942, playing at Left Wing and soon went into First Grade. He played 261 games and scored 84 goals. His ambition was to coach a winning Under 16's team. This ambition was unfulfilled when he left the Club in 1957. In the following season, 1958, two teams which he had coached played out the final.

The winner of the V.J. Turner Cup for 1984 is:

JULIAN DELL

### J.W. Kenny Trophy

This trophy was first competed for in 1975. It was donated by Jim Kenny, Patron, Life Member and Foundation Member of the Club.

The Committee decided it would take into consideration points allocated in the S.H.A. Brian Booth Medal Award.

However, since 1980, in making the award, the winner was not necessarily the highest points scorer from the Club in the Brian Booth Medal list.

The winner of the J.W. Kenny Trophy for 1984 is:

COL ROCHESTER
