PRESIDENT'S REPORT.

MEMBERS,

This year, 1989, was a year in which every member of this Club should feel justifiably proud with the part they played ;whether it be small or large, on or off the field, it all adds up. Through your efforts you have once again made the Glebe District Hockey Inc. a Champion Club, a Club with an enviable sporting record, WELL DONE! WELL DONE!

Although the season started very wet, it had very little effect on 1st., 2nd. and 3rd. Grade sides, while 4th., 5th. and 6th. Grades must have been wandering if they were going to get on the hockey pitch, But as the season unfolded and reached the halfway point 1st., 2nd, and 3rd. Grades were all on top and contested the Allen Yates Memorial Shield. Unfortunately we were unsuccessful in all three grades - must be that "Sunday after Saturday Night Syndrome." Well with that setback behind us 4th., 5th. and 6th. Grades started getting into top gear, placing themselves in the top end of their competitions, joining 1st., 2nd. and 3rd. Grades plus the under 17s and 15s all vying for their respective Premierships. The under 13s and 11s although not successful, showed that "Almighty Glebe spirit" and are a credit to their respective coaches, to themselves and to the Club.

SEPTEMBER 16th. GRAND FINAL DAY - 8 GLEBE SIDES - MILES OF SUPPORTERS - WHAT A DAY !!!!! -

By the end of the day we had won 3 Premierships 4th. 5th. and 6th. Grades, and went down in 4, being 1st. 2nd. 3rd. Grades and under 17s, with the under 15s unsuccessful the following day.

Some may say that it was not a very successful result. Well all I can say, as President of the Club, was that it was one of our most successful days and anyone who for some reason missed it, missed a great day. For no matter how many Premierships the Club won or lost the day belonged to GLEBE DISTRICT HOCKEY CLUB INC. and we were the winners.

All the hard work put in by everybody this year, right through from the Under 11s to 1st. Grade, has laid the foundation stone for another great period for THE GLEBE DISTRICT HOCKEY CLUB INC.

Congratulations to all members on winning both the Sydney Hockey Association's Club Championships in Major A Division and Minor A Division.

The Junior Committee and their helpers and coaches this season cannot be thanked enough for the fantastic effort in looking after the future of the Club. Without these unselfish men and women this Club would not be the Club it is today. All you have to do is look at the players going around from 1st. - 6th. Grade (especially 6th. Grade) to see how many former juniors are still with the Club - it goes back some doesn't it ? That is why they say we have true club spirit, it is a true part of our lives.

During the season a number of Club Members achieved representative honours and on behalf of the Club I would like to congratulate them on their hard earn successes.

Ken Wark Jnr. - Australia
Les Wark - Assistant Coach NSW Colts
Steve Cain - NSW State Squad, NSW Colts Squad
David Annan - NSW Under 17s

1989 - p 8

Most importantly I would like to thank the entire Management Committee for one sterling effort and for their fine work in the day to day running of the Club. As anyone knows without these blokes a club cannot survive let alone achieve what the Club has achieved.

Thankyou !!!

In closing members, from myself and on behalf of the Club I would like to extend our deepest sympathies to the family of our mate Len Needham, who passed away this season during our season.

A very good achievement taking into consideration the very foul weayher at the start of the season. Maybe this was good practice for the Minor A Division Club Championship. As much of the washed-out matches were played on the synthetis surfaces. And then, to top that off, all grades into their respective Grand-finals. the rest is now history.

The juniors again had another successful year. So to all those people who helped with these kids, thanks very much. It takes a lot of your time , Again I thank-you.

1989 - p 10

Special thanks must go to Mr. K. Paterson, in regards to our synthetic surface, which we are trying to get. Kieth spends a lot of his own time on this project - corresponding, talking, etc. with various people, not only haggling the Leichardt Council, so that we can get our artificial hockey on the ground. Together with this work and his work with and for Sydney Hockey Association, ~~Keith~~ indeed is a very good man to have in our Club. Once again, Keith, thanks!

To Mr. and Mrs. Reece, thank-you very much, for all your efforts throughout the year. The guys just don't know how lucky they are. And that "fruit-cake" - thanks -.

The Club is an excellent Club and the only way we can keep going is for all of us to pull our fingers out and to get stuck in and help. Don't just stand in the shadows. Get out and have a go, like the other dozen or so that do it year in year out. Quit your moaning and groaning and do it NOW !!!

I would sincerely like to thank the rest of the Management Committee for their entire support throughout the season.

1989 season has now come to an end, so everyone of you should now seriously consider our Club's future, because with the many playing playing surfaces around these day we must get with the times.

So, to my wife Wendy-Lee for all the work she has helped me with this year, a very special thanks - THANKS !!! -

In conclusion, on behalf of the Members and Management of the Glebe District Hockey Club Inc., may take this opportunity to wish one and all a very Merry Christmas and a very Prosperous New Year. Good Luck.

Gary Wark
-Secretary.-

TREASURER'S REPORT. 1989.

MEMBERS,

I have great pleasure in presenting to you the Financial Report, the Balance Sheet, and Revenue Statement for the year ending 30th. September 1989. Also, I am presenting the proposed Budget for the ensuing financial year of the Club for your approval.

WHAT A CLUB !!! WHAT A YEAR !!! NUMBER ONE IN SYDNEY ONCE AGAIN !!! These words speak for themselves. Congratulations to the entire Club for its almighty achievements during the 1989 season.

This goes with a little effort from everyone that our true dreams can be realised and our Club motto IS TRUE----

"A CHAMPION CLUB - A CLUB OF CHAMPIONS -"

The Club made a healthy profit of \$2,524.⁰⁰. this year after turning last year's loss of \$3,172.⁰⁰. around.

On June 1st. 1989 the Club took an almighty step and became Incorporated. This was very necessary. So in future we should now refer to the Club as the Glebe District Hockey Club Inc.

Major expenses for the year were -

Playing cost -SHA -	\$5,972
Fines, Umpirers fees, etc.	\$ 852
Junior Costs	\$1,107
Insurance	\$1,500
To Incorporate	\$1,200
Honorariums	\$ 800
Clubhouse Telephone	\$ 376
Clubhouse Electricity	\$ 350
Postage, Printing, Etc.	\$1,200

Major sources of income were -

Membership fees	\$8,620
Sponsorships and Donations	\$5,560
Bank Interest	\$1,150
500 Club profit	\$ 600
Bar and Equipment profit	\$1,850

As one can at present the Club stands in a reasonable healthy position financially. This can only improve with the continued help and support of ALL Members not just the select few.

"SUCCESS BREEDS SUCCESS " " YOUR CLUB NEEDS YOU !!!"

Our Club motto is - " A CHAMPION CLUB - A CLUB OF CHAMPIONS"

To keep it that way get stuck in and help when asked !!!

This coming year, 1990, is our Golden Jubilee Year - Our 60th. Anniversary. Many things are being planned, so when a social is run attend, when a raffle is run help, etc. don't just sit back and make it happen because it won't.

1989- p 12

Many thanks must go to the entire Management Committee for its continuing support and assistance throughout the year. Without it I nearly came to the point of packing the job in, because of the frustrations of just getting a minority of Members to pay their fees. This situation will not occur in 1990, as fines will be imposed on late payment of fees. Many thanks to Tim Sutton, my Assistant Treasurer, for unselfishness in the call to duty.

To my wife, Dianne, I thank-you for your continued support. In conclusion, may pass on to one and all the very best wishes for the coming festivities over the next couple of months and I hope to see you all back safe and sound and ready for another almighty season.

Best Wishes,
Yours in hockey,

Ian-W. Treharne.
Treasurer and Public Officer.

CLUB CAPTAIN'S REPORT.

I have been very proud to be your Club Captain during the 1989 Hockey season. It has been a season that has seen Glebe re-assume its rightful position as the Champion Club in Sydney. "Glebe at number one!!" That sounds great, so let us keep it that way!!

The efforts of ~~each~~ and every team in the Club were outstanding. I must congratulate all the players in 4th., 5th. and 6th. Grades on their respective Premiership victories and congratulations on their Club Championship victory. This was all achieved and all well deserved considering the interrupted season. - Well done ! -

The 3rd. Grade effort was outstanding throughout the final series. They were unlucky runners-up. A great year - Well done ! -

The 2nd. Grade side also finished as runners-up on the big day, although they were clearly the most outstanding side in their division. Their efforts were outstanding. - Well done ! -

The efforts of 1st. Grade this year were tremendous and they brought an increased level of professionalism into our Club. While beaten by a better team on the day, to lose one game in a year is a phenomenal effort. I was personally proud to be a part of such a team and its outstanding team-mateship, and of its efforts. - Well done ! -

Winning the Major A Club Championship so convincingly was a testament to the efforts of the players in 1st., 2nd. and 3rd. Grades.
- Very Well done ! -

It would be remiss of me not to mention the efforts of Les Wark, Pat Nilan and Geoff Paterson whose experiences, guidances and coaching led the club to such overwhelming successes in 1989. - Well done ! -

The efforts of our President, Robert Wark and other Committee members laid the foundations for all of our overall achievements; they deserve many, many plaudits.

In closing, I'd like to make the point that we should not rest easy with the successes of this season. This only the beginning for our Club. Our efforts MUST be continued in the coming seasons so as to realise the enormous potential of our Club. I'd also like to make a plea to each and every club member to be INVOLVED in their Club. As an amateur sporting body, the social aspect of our Club is vital for our survival. This is one area in which we need definite improvement.

I'd like to wish each and every Club Member and their Families a happy and safe holiday season.

Best wishes !

Peter Busch
-Club Captain-

1989 - p 14

BAR AND CLUBROOM MANAGER'S REPORT.

I would like to thank each and everyone of you for your patronage throughout the year. With the amount of wet weather we had at the start of the season, selling was very slow. We, however, were able to make a minimal profit. (please see the treasurer's report for the figures)
I would definitely like to thank Craig "Effort" McPhee for filling in for me whilst I was overseas with the Australian Team. He did a magnificent job, without it you would not have been able to enjoy your hockey.
Thank-you "Effort"!!!!

I would also like to thank all the other people who help and worked behind the scenes.

Pricing is our big concern, but, we can keep this to a minimum when we all put the money in the till.

Glebe is a great Club which has produced several great players through the years and the Glebe Hockey Club Management has always helped financial, so please, when there are raffles being run, socials being organised help out. Don't always leave it to the same old faces.

To one and all have a very merry festive season and prosperous new year.

Ken Wark Jnr.

- Clubroom Manager -

FIRST GRADE REPORT.

I am pleased to present the first grade report for the 1989 season, what can I say, so near yet so far.

I was proud to be associated with these fine young men who put in so much time and effort to put the Glebe Hockey Club back on top. Even though we didn't achieve the First Grade Premiership, they were undefeated Minor Premiers, and they should hold their heads high with this achievement.

I would like to congratulate all teams on their achievements in the 1989 season, it was a fine effort. -Well done !!! -

Glebe is back on top ! This was achieved by a combination of good management good coaching, dedicated players and good effort. To achieve more in the 1990 season an increased effort in all of the above is required and I think we are now ready to do this.

The Club has an abundance of talent in its ranks and therefore the future of the Club is assured.

This was the first year of a new concept on coaching in the Club; A Coaching Panel was appointed for the top three grades and the Under 17s, and this was proven to be very successful. To those on the Panel thank-you for your support and help during this season.

I would like to thank the wives and friends of the players for their consideration and helpfulness in letting the players achieve their goals. Where would First Grade be without Mr. and Mrs. Reece Snr. -a great job again this year. Thank-you !!! -

I would like to thank the Wark Families for their support and guidance throughout the season.

And I leave the most important to last, my family, Amy, Simon, and my wife, Carole for being so helpful and considerate, so I could achieve my and the team's goals--Thank-you!!!--

GLEBE WILL BE THE ONE TO BEAT IN 1990 !!!!!!!!!!!

Yours in hockey,

Les Wark

- First Grade Coach and Coaching Panel Convenor. -

1989- p 16

SECOND GRADE REPORT.

So near and yet so far !!

Record has shown two losses for season, one round game , Minor Premiers, one loss in Grand Final.

As Coach of the team it was my endeavour to mould a clubteam with unity, strength, hockey skills and to redevelop hockey thinking. Together with a few "old" heads and some exciting young players the ability of the team was never questioned for most of our games, if not all. [nder the leadership of Captain Colin Rochester (The Best) I was treated to some delightful and disciplined play.

Alas Grand Final Day --- I believe, we were not tough enough mentally and physically ---Younger players please take note!.

I must remind you in the Grand Final these skills deserted us on the day --- and no reflection on Les Wark --- He was the Man who laid the platform for all of us to take up the challenge --- A magnificent effort was put in by Les throughout the entire season for all who wanted to learn.

The was 2nd. Grade --- But to strive for higher honours is a must.--
-- Ithought we did well (as individuals), but you must be better, fitter, more skillful, and have more team and club spirit --- Show the way--
-- then people will take notice of you and your club.---

The Team of M. Bougoukas, D. Annan, G. Turner, T. Sutton, J. Dell, S. Nilan, M. Short, F. Luca, C. Rochester, K. Bennett, W. Southwell, G. Busch, ---R. "Ted" Edmondson, C. Martin. ----

Did the Club proud.I only gave them some ideas.

The "Players' Player" --- G. Busch --- really well deserved, your effort throughout the season was outstanding, your encouragement and discipline --- did not go unnoticed.

Best wish to all.

Yours in hockey,

Pat. Nilan.

2nd. Grade Coach.

3rd GRADE REPORT.

1989 - p17

1989.

It gives me great pleasure to present the 1989 3rd Grade Report.

The team finished equal first with Moorebank/ Liverpool on 31 points, with 15 wins, 1 draw and 2 losses. In the 18 games, we scored 47 goals for and 12 against.

Top goal-scorers were---

Scott Arrowsmith	10
Jamie Duroux	9
Craig McPhee	8

Earlier in the season, the team competed for the Alan Yates Memorial Trophy, losing to Moorebank/Liverpool 2 - 1.

The major semi-final was lost to Moorebank/Liverpool 4 - 2, then we won the Preliminary Final against North Sydney 3 - 1.

In the grand final, putting past disruptions behind them, they came out and played their best hockey of the season. Even though they were down 1 - 0, early in the match, they levelled at 1 all, completely dominating the opposition, who had scored 72 goals during the season. Unfortunately, numerous chances to convert penalty corners were lost, whilst opportunities to score field goals went begging. This put us in the position of having to play extra time and in the 'sudden death' period we missed a penalty stroke.

In the Penalty Stroke Play-Off, Moorebank won 5 - 4.

I would like to mention the good performances of Robert (Ted) Edmundson, Craig Martin and Craig McPhee, throughout the season.

Craig Martin and Ted Edmundson fought out the weekly players' player award, being level at the end of the season. For the season's award, voting was again extremely close, with Ted being the eventual winner.

Congratulations to 'Ted' for his awards after a great season.

Both players had excellent seasons and were used regularly as reserves for 2nd grade.

Craig McPhee was also a valuable player with his all round skills in general field play and penalty corners, and, in particular his consistency in converting penalty strokes.

To our captain, Gary Wark, "Well done". He always gave 100% on the field as well as organising the team, off the field,

With a mixture of youth and experience, the team can only improve next year and with players such as Brett Stubbs, Scott Arrowsmith and Jamie Duroux improving all the time, the club must benefit in future years.

In conclusion, I would like to take this opportunity to acknowledge the support given to 3rd grade by Colin Rochester by making himself available for umpiring or as a player each week.

My congratulations to all those who played 3rd grade throughout the season and especially to the 13 players in the Grand Final for their great performance and in the manner in which they played that game.

Finally, my thanks to my co-selectors for their efforts throughout the season.

Geoff Paterson.

(Coach)

FOURTH GRADE REPORT.

After a very wet start to the season Fourth Grade came up with yet another great year and thereby finished off the HAT-TRICK !!!!

Congratulations to 1st., 2nd., 3rd., 5th., 6th., Under 17s, and Under 15s for all making their respective Grand Finals. Special congratulations must go to 5th. and 6th. Grades on their Premiership victories. It was another great effort by a Great Club.

I would like to thank all of the players who played with the Fourth Grade Team throughout the year, the ones who umpired, and the band of supporters who followed us during the season.

I think the "Fab" Fours went so well throughout the season because of the experience we had and of the Great Team Spirit.

Our results for the year were -

WON 16 (inc. 2 by forfeit.)

LOST 1

DREW 3

MINOR PREMIMERS

PREMIERS !!!!!!!!!!!!!!!

Our team throughout the year was -

Finally I would like to wish all members of the Club, their families, and supporters a very merry Christmas and a very Happy New Year.

Bevan Ineson.

Fourth Grade Captain 1989.

5TH GRADE REPORT

Fifth Grade had an excellent season leading up to the Finals, finishing Minor Premiers, approximately seven (7) points in front of the nearest opposition.

Statistics: 31 competition points from a maximum 36
48 goals for, which includes two 3 - 0
Forfeit games
17 goals against

The steady form and determination to win shown throughout the season was also applied in the Finals, with the team disposing of Uni of NSW 3 - 1 in the Major Semi Final and defeating what many say as a "stacked" Ryde Team in the Grand Final 3 - 2.

On that note I would like to personally thank all the players for showing that true Glebe spirit throughout a disrupted and wet season.

The Squad of 13 players in 5th Grade were Noel Anderson, Andrew Goodrich, Dave Mason, John Cremin, Terry McPhee, Eric Frazer, Peter Mitchell, Lloyd Seamen, Paul Culshaw, Tony Poljak, Darryl Waters, Tim Harrison and Nick Clouston. We were also ably supported by Peter Cremin of 4th Grade and Robin Crowhurst from 6th Grade.

Congratulations to Dave Mason selected as Player's Player of the Season.

Finally, may I wish you all a very Merry Christmas and a Prosperous and Successful 1990.

6TH GRADE REPORT - 1989

The finest hockey talent in the Sydney Metropolitan Area was brought together in this exclusive Super Team of 1989.

Unlike the normal selection process for a Club side, past performances and reputations did not count, when it came to formulating the team.

Making the side was reward enough in itself as competition for every position was intense. After many gut-wrenching and agonising decisions a squad of 14 players was finally developed in an endeavour to wrest the Trophy from the Defending Premiers - North Sydney.

A brief rundown on the players is:

GOALKEEPERS: The position was shared by Paul Henry and Ollie Ploskodniak. Both stylish keepers who protected our goals at all costs. We never lost a set of goals all year!

FULLBACKS: Peter Howe and Bob Fox. Two backs who like to play up! They were consistent in this area all season, although on Grand Final Day Bob excelled himself.

HALVES: Arthur Moir, Eric Wade, Bill Stubbs and Vic Westacott. Arthur was solid all year - and still is! Eric is a heady player who shows a lot of grey matter - Foxy won't lend him his Grecian 2000! Bill and Vic were late starters. Vic was late for every game and Bill didn't turn up until the Semis!

FORWARDS: Mick Lincoln, Mark Edwards, Robin Crowhurst, Bob Taylor, Bruce Fuller and Eugene Beame.

Mick, Mark and Robin were the youngsters in the team. They are all benefiting from the experience of playing with the older members - Mick can now swear and curse with the best of them, Mark is fast obtaining the ability to be sent off and Robin has proven to be a "stayer" after the games. Bob was the team striker and scored a couple of times - pity it wasn't during a game! Bruce - an attacking left winger who has a tendency to get off side - with the players, the opposition, the umpires etc! Eugene has achieved at all levels of the sport. Hasn't represented Australia - could he be an illegal immigrant?

1989-p21

Obviously, the team had a fine mix of age, youth, experience and talent which was moulded into a premiership winning combination.

As it was widely publicised in the Sydney Press, 6th Grade was one of eight Glebe teams to make the Grand Finals. (Did you see my photo in the Tele?)

The result was a foregone conclusion and we ran out winners crushing University of N.S.W. 1 - 0.

1989 was a tremendous year for the Club and in particular for 6th Grade where comradeship and team spirit abounded. I take this opportunity to thank each and every team member for their support during the season.

Congratulations to Vic Westacott (Mr Magic) for taking out the Players Player of the year Trophy.

Best Wishes to all for the coming Festive Season.

17 Players with an average age of 46. A total of 782 years!

You might say we had a team of "experienced" players.

With such a depth of talent one could only imagine that we would have been a major force in the competition. And we were!

For the first time in a few years we qualified for the semi-final play-offs. However we were beaten for a place in the final by Sutherland who knocked us off 1 - 0.

Although it was disappointing not to take out the Pennant, we still had a most enjoyable and rewarding year, as we always do. All the "boys" combined well, both on and off the field. Many "finest hours" were relived at the Canteen after the games - and several drinks!

Congratulations to Eric Wade who won the Players Player of the Year Trophy and to the Glebe Club in general for a fine achievement in having eight teams in the Grand Finals.

I look forward to seeing you all in 1990 - Best Wishes for Christmas and a prosperous New Year.

The 1989 Junior Season was, in the opinion of the Junior Committee, one of our most successful seasons in recent years. Considering the prolonged rain and washed out matches at the beginning of the season, which saw other Sydney competitions abandoned until 1990, we should probably consider ourselves lucky that we are part of a well organised Central Area competition, with availability of synthetic surfaces.

The '89 season had many highlights, the brightest being a record 8 teams in the Grand Finals, which included our under 15's and 17's. Unfortunately we missed the "Flag" in both grades, but in true Club tradition we gave both our best shot and were beaten on the day by better teams.

In the other two grades, our Under 13's narrowly missed the semi-finals, but developed steadily throughout the Season and should have a much better season in 1990. The under 11's, I'm sure, were a surprise to even their most ardent supporters, finishing 3rd on the premiership table, after providing some excellent results throughout the Season.

This year also saw the reintroduction of Minkey Hockey. The Junior Committee worked hard at the beginning of the Season rounding up our potential stars of the future, resulting in 32 boys and girls ready and willing to wear the Maroon and White. Regrettably, the wet weather made Peter Busch's job almost impossible, and many of our new recruits dropped out. Nevertheless Peter stayed with the commitment and saw out the programme with a small band of "Minkeys", and we congratulate him for his effort. Next year we intend expanding this programme, which is vital to our Junior ranks, and trust that a few more senior players (male and female) will make some time available to assist with the programme.

1989 saw the reintroduction of a Junior Committee, which I am pleased to say has been a resounding success. Throughout the season they worked at improving various aspects of the Junior Division, the most notable being fund raising, and sponsorship.

Through the generosity of Triden Sportswear Pty Ltd, who we thank most sincerely for their sponsorship and donation of Club Shirts, and the various junior raffles conducted throughout the Season, we have raised \$1,725.00 towards the cost of maintaining our Junior Division.

In our first year we consider this a fantastic result, and would like to thank all who supported us throughout the Season, particularly Bobby Fox whose Scotch donations contributed substantially to our profitability.

OUR TARGET FOR 1990 \$3000

Congratulations to all of our juniors who gained representative honours throughout the Season, and to those boys who narrowly missed selection, better luck next Season.

On behalf of the Club and the Junior Committee, we would like to thank the Managers, Coaches, and "Taxi Drivers" for their dedicated support in 1989, and hope that will continue with the challenge in the future.

To the players, Mums and Dads, supporters and silent achievers who also made the '89 Season possible, we add our thanks and hope to see you all back with the Club in 1990.

BOB TAYLOR

JUNIOR CONVENOR

1989 GLEBE UNDER 17 TEAM REPORT

The 1989 season had its ups and downs but finished on a very good note, even though we did not win the premiership.

The team consisted of 9 Under 17's with the balance of the team coming from the Under 15's. The Under 15's performed admirably and did not let the team down and gave a 100% effort.

Whilst we started the season very promising we slumped mid season due to sickness, players away on representative duty and some poor play. In June we were struggling and it became necessary to do weekly synthetic surface training. The results were excellent as from that point onwards we only lost the major Semi Final and Grand Final.

The team play we developed over the second half of the season was very good and from a coach's point of view very satisfying. The biggest disappointment was the way we played in the second half of the Semi Final where we let in four goals to lose 4 Nil. However a very good performance to beat Randwick 7-2 in the Final put us on the right track for the Grand Final. The Grand Final was a very good game and whilst we only lost 1-0 I felt we played the better hockey and lost only because we did not convert our opportunities by scoring goals. Although it was disappointing to lose, I was very happy with the good hockey we played. As coach this gives one the satisfaction that what you have been teaching the lads has sunk in. Congratulations to Sutherland on their Premiership success.

There was good improvement in the ability of the players making the selection of the trophy winners difficult.

Well done team, it was a pleasure coaching each of you and may I wish you all well in your future endeavours both on and off the hockey field.

My thanks - to Pat Nilan for his assistance with coaching, transport and particularly for his umpiring; to Danny O'Brien for his coaching assistance at training; to Eric Fraser for carting the under 15 boys to the game and

1989 - p 26

training and to Bob Taylor for assisting in Managing the team. A special thanks to the Captain, Damien Gulluzzo for providing transport for the team, it was very much appreciated by Bob and myself.

Well that's the 1989 Season; may I wish you all a very Merry Xmas and a prosperous and successful 1990.

BILL STUBBS

COACH

U N D E R 1 5 R E P O R T - 1 9 8 9

Although beaten convincingly by Sutherland in the Grand Final, the Glebe U/15 Team should not be deterred by one performance. Your efforts throughout the season indicated your worth for a Grand Final berth.

Being watched by many more supporters in the last game of the season one wonders what the result may have been if the support was constant throughout the season.

The U/15 Team was a mixture of sheer brilliance, steady play, hard triers and Team members all playing for Glebe, and they gave their best for their team and Club on the majority of occasions - with not many witnesses.

The Season of '89 saw many disruptions with wet weather, sickness, catch up matches, but this did not dampen the enthusiasm of Coach/Manager/Umpire/Trainer Driver; Eric (Chook) Fraser who was always there encouraging players, helping with advice and adding that touch of humour where necessary - a tremendous job Eric.

It was pleasing to see the improvement in the team throughout the Season, all being prepared to listen and act on advise for the betterment of the Team. This was clearly shown by the replacement players Helen Howe, Ben Howe, Adam Campano when called upon to play. The G.D.H.C. has the opportunity to carry on with its strong traditions in the game if these young players are given further encouragement and support.

In closing I thank the U/15 Team for the enjoyment they gave me watching them play and accepting each other's company and playing skills.

To Eric Fraser thank you for your patience throughout the Season and your total dedication to your team and Club, we need many more like you.

The pre-season training sessions which started in March were well attended this year. Emphasised in these sessions was the development of ball skills, stopping, pushing and hitting. New players mingled with old players and a "esprit de cor" was established which persisted throughout the season.

Thirteen players were selected in the Under 11 squad of which eight were new to the game. Our first two games were washed out due to inclement weather. Rainy Saturdays seemed to be the norm this season and it was not until the season was three quarters over that we played our first home game at Jubilee Oval. We are fortunate in our competition to have Clubs like St. George and Bankstown who have home grounds which drain well after rain. Being able to shift our games to the available fields enabled us to play 18 competition games this season. No mean feat considering the rainy weather.

1989 - p29

Last season we finished fourth and this season we went one better and finished third. Hopefully this march to the top of the table will continue next year. A pleasing feature of our play this year was an ability to score goals. Last season we scored less than 10 goals all season, this year we scored over 40 goals. Tim Hancock had a good season and was the leading goal scorer (the exact number I don't know). The forward line consisted of Tim Hancock, Lewis McKeown, Joshua Whyte, Geoffrey Hammett, Robert Maxwell and Christian Campano.

Lewis played consistently throughout the year and Joshua was probably our most improved player. Towards the end of the season he developed a confidence in his ability to run with the ball. Geoffrey was one of our best forwards and second leading goal scorer. Robert was a timid young lad for the first half of the year but involved himself in the game much more as the semi-finals approached. Christian scored some good goals during the season and he tackled back well when the defence was hard pressed.

The defence consisted of Alexander Crook, Kim Rizzo, Jason Bowden, Joseph Matar, Mary, Anthony and Patrick Wark, Alexander played the first three quarters of the season in the half-line but towards the end of the comp. slipped himself into the goal keeper role. Some of his saves in the semi-final and final were first class. Jason was a tower of strength at centre-half and played himself to a standstill in every game - the "Kamakazzi Kid". Kim, one of our two girls, showed steady improvement as the season progressed. She tackled and passed the ball well and was not afraid to mix it with the lads. Joseph was a pillar of strength at full back, always keen and enthusiastic, Mary was a "stopper" at full back and the opposition forwards found it very difficult to get past her. Anthony had a good season and contributed greatly to the team effort. He always did his best. Patrick played right half and made a good fist of the job. He was always a committed team member.

Training was well attended throughout the season and we usually had 8 - 9 players every Wednesday night. Beryl and Brian Maxwell provided help with transport as well as supplying the oranges and cold water. Joan Whyte and Bevan Ineson also helped with the oranges. Many of the parents came to watch and this was much appreciated by the team. Kay Rizzo, Eddie Crook, Alan Hancock, Trevor and Christine Bowden were all frequent supporters. Bevan Ineson umpired almost all our games and helped with Wednesday afternoon training - a most generous contribution of time and energy. Take a bow Bevan!

The team members were reliable and we were never short throughout the season. Victory was greeted with humility and defeat was accepted in good grace. The team spirit was infectious and I feel sure that all players developed personally, socially and emotionally as a result of the 1989 season playing for the Glebe Under 11's. Our best victory was in the semi-final against Sutherland 2 which we won 1 - 0. Each player played to the best of his/her ability and the determination shown in this game was outstanding.

Jason, Tim and Christian progress to the Under 13's next year - good luck. Looking forward to next season we will be a force to be reckoned with. On our day I would speculate that we could beat anyone and a Premiership could be an outside possibility. Patrick Casey, Ross Tapsell, Damien Jones and Owen Macindoe should be joining us next year from the Minkey squad.

Finally I would like to express my thanks to the Glebe Junior Committee which did a fine job throughout the year. Their administrative efforts facilitated a happy, rewarding, hassle free season.

MINKEY REPORT 1989

The Club's initial year of minkey was successful though it was unfortunately marred by poor weather. The consistent rain of the early season led to a decrease in the number of players.

When the rain eased mid-season we were left with a core of six boys who were regular players. The boys showed great enthusiasm and improvement through the months and seem destined to be valued Club Members. The boys dedication each Saturday morning was tremendous considering the relatively small group participating.

The value of the minkey program to the future of our Club cannot be overstated. Giving each young player a solid grounding in the very basics of the game must continue to be a Club priority. Improvements in the weather early next season will see a much larger number of participants in the program.

I am sure the program will continue to develop in the coming year.
